### TO "VICTORY BOND" OWNERS

THE recent issue of Canada's Victory Loan is one of the first bond issues to enjoy wide-spread public subscription.

The issue is an excellent example of a class of investment securities that offer people in every walk of life a safe and profitable investment of savings or capital.

It provides absolute security of principal and a safe and sure income. It is a class of security that finds a ready market—that can be converted into cash on short notice. To-day Victory Bonds are being bought and sold by the members of the Montreal Stock Exchange.

The value of Victory Bonds as an investment appeals strongly to many people. They are desirous of buying more.

If you were not in a position to buy when the subscription

lists were open, or should you desire to add to your present holdings, the opportunity is still open.

In a security issue of this size there are always some people who, through force of circumstances or for other reasons, desire to sell.

Should you desire to purchase or dispose of Victory Bonds the Montreal Stock Exchange offers you a permanent and easily available market. It offers you the largest market in Canada, because Montreal is the financial centre of this country.

Any Member of the Montreal Stock Exchange will conduct transactions for you in Victory Bonds, and you are assured of securing or receiving the true market value.

Write to-day to the Secretary of the Montreal Stock Exchange for complete information. Use the form below provided for the purpose.

To the Secretary of the Montreal Stock Exchange, Room 311, Montreal Stock Exchange Building, Montreal, Can.

Without obligation, please send me your Book on Investing, also information regarding the market for Victory Bonds.
