

Mail Sailings and Port Problems Will be Discussed at Meeting Tonight; I.C.R. Agreement Must Not be Signed

TONIGHT'S MEETING OF CITIZENS, IT WILL BE EXPECTED, WILL TAKE THE STAND THAT THE DOMINION GOVERNMENT SHOULD ADVISE THE MINISTER OF RAILWAYS NOT TO GIVE HIS APPROVAL TO THE GUTELIUS AGREEMENT.

IT HAS BEEN STATED OFFICIALLY AT OTTAWA BY MR. BORDEN THAT THIS AGREEMENT HAS ONLY NOW BEEN FORWARDED TO HON. MR. COCHRANE FOR HIS APPROVAL. IT IS NOT TO TAKE EFFECT UNTIL NOVEMBER 15. IF IT IS NOT APPROVED BY THE MINISTER OF RAILWAYS, THE SITUATION WILL BE AS IT WAS BEFORE MR. GUTELIUS AND MR. BOSWORTH GOT TOGETHER.

THEREFORE, ONE THING NOW TO BE DONE IS FOR THE CITIZENS OF ST. JOHN TO MAKE A UNITED DEMAND THAT THE GUTELIUS-BOSWORTH AGREEMENT BE NOT CONFIRMED BY THE DEPARTMENT OF RAILWAYS, AT LEAST UNTIL A COMPLETE TRANSCRIPT OF THE TEXT OF THE AGREEMENT HAS BEEN FURNISHED IN ORDER THAT IT MAY BE EXAMINED BY TRAFFIC EXPERTS ON BEHALF OF THE PEOPLE OF THE CITY.

UNTIL THIS AGREEMENT HAS BEEN CONFIRMED THERE WILL EXIST NO REASON WHY THE FOUR DIRECT MAIL STEAMERS OF THE C. P. R. AND ALLAN LINES SHOULD NOT COME TO ST. JOHN, AS THEY WERE ORIGINALLY SCHEDULED TO DO.

THE POINT TO BE KEPT IN MIND IS THAT THE SHIPS WOULD HAVE COME TO ST. JOHN BUT FOR THE GUTELIUS AGREEMENT, AND THIS AGREEMENT HAS NOT BEEN APPROVED BY THE GOVERNMENT AND MR. COCHRANE—AND WILL NOT BE APPROVED IF ST. JOHN FIRMLY PRESSES THE JUSTICE OF ITS PROTEST UPON THE ADMINISTRATION AT OTTAWA.

WE HAD THE OPEN DOOR UNTIL THAT GUTELIUS-BOSWORTH AGREEMENT WAS PREPARED. THE DOOR WILL STAND OPEN IF THAT AGREEMENT IS REPUDIATED BY THE GOVERNMENT.

UNLESS IT IS REPUDIATED ST. JOHN WILL OBVIOUSLY BE THE VICTIM OF INJUSTICE AND DISCRIMINATION.

WHAT WILL TONIGHT'S MEETING DO ABOUT IT?

SHAUGHNESSY STANDS PAT BEHIND THE GUTELIUS AGREEMENT

After President Robinson, of the Board of Trade, Mayor Frink, and Senator Thorne conferred with St. Thomas Shaughnessy in Montreal on Saturday the following report of the conference was furnished The Telegraph and The Times through the courtesy of Mr. Robinson:

Montreal, Oct. 11.—St. Thomas Shaughnessy states that the Empress and the Albatross and Canadian mail must sail from the same port; that had St. John been chosen for this service, owing to our lack of facilities, a large portion of the freight business would have to be diverted to another port to make room for the mail service.

He says in his opinion the rates to be paid by the C. P. R. to the I. C. R. are fair and adequate for the service rendered and that the C. P. R. would be glad to make similar arrangements under like circumstances to provide another company over C. P. R. lines at these rates.

He further states that St. John is the C. P. R. port and that the facilities adequate they would use it, but that, facilities being lacking, they have very recently entered into a six months' agreement with I. C. R. so as to make Halifax available for mail service.

He further states that St. John will lose no prestige and that future business will tax capacity of all ports. He further states that he considers that this delegation and agitation will be productive of most beneficial results as it will force upon the government the necessity of providing facilities at St. John with the greatest expedition in order that the C. P. R. may establish their oft repeated determination to make St. John their Atlantic terminus.

This means that the C. P. R. will make no change in programme, and that it is up to St. John to force the development of its port.

Returned Yesterday.

J. M. Robinson, on his return to the city yesterday in company with Senator W. H. Thorne, Mayor Frink and Alexander McMillan, confirmed the telegram he had sent to the evening papers, practically repeating the information given therein. He decided to go to the details of the situation until tonight's meeting, when he said the whole result of the conference both with the government and St. Thomas Shaughnessy would be made public and dealt with in full.

Mayor Frink and others closely in touch with the minister and the government, and that the fate of St. John depends on whether the Gutelius agreement will receive the ratification of the minister.

This is the belief of the majority of those business men who spoke on the subject to The Telegraph yesterday.

NEWS OF THE CHURCHES

Queen Square Methodist church is celebrating its 123rd anniversary this week. Rev. S. D. Chown, D.D., general superintendent of the Methodist church in Canada, assisted the pastor, Rev. Wilfred Gage, at the services yesterday and preached at both services. The celebration will be continued with a special programme for each evening during the week.

Yesterday was observed as the Sunday for the harvest thanksgiving service in most of the Anglican churches throughout the city yesterday. The churches were decorated with the fruits of the soil and special music and appropriate sermons were features of the services with a special form of prayer drawn up by the bishop of the diocese.

The thanksgiving service was held on the previous Sunday in St. James church and the services at that church yesterday were conducted by Rev. Canon Siam of Moncton in the absence of the rector, Rev. H. A. Cody, who went to Moncton to conduct the thanksgiving services there yesterday.

The annual Sunday school concert and rally of the First United Baptist church, Fairville, was held yesterday afternoon with the pastor, Rev. R. Boyer presiding. The programme, which consisted of thirty numbers, and which was prepared under the direction of Miss Helen Camp and Miss Edith Sims, was very capably rendered by the seventy-

Radway's Ready Relief

Frank Malt, 420 St. St., New York, writes: "My wife suddenly fell very sick with indigestion. I called in the doctor, but he failed to help her. We have no time to be sick. So I bought a box of Radway's Ready Relief and Pills, and gave her according to the directions. In half an hour she was back to work two days later."

Apply the Golds to the throat and chest with the surface smart and redness. Give Radway's Pills in such doses as will freely move the bowels. For a sudden cold take a large dose Radway's Pills and a teaspoonful of Golds with a teaspoonful of molasses, in a tumbler of water. Better at once to bed, in the morning the cold will be gone. ment. "We must take some vigorous action at the meeting," he said. "It is useless to discuss the situation till then."

R. H. Bruce.

"We should hold our hand until the board of trade has seen the agreement," said R. H. Bruce. "We should certainly not submit quietly to having the agreement ratified."

W. H. Barnaby said he would prefer not to speak for publication until the meeting.

The delegates who came home on Saturday were Senator Daniel, W. H. Barnaby, Hon. John E. Wilson, L. P. D. Tilley, M. L. A.; Philip Grannan, M. L. A.; John Keefe, D. F. Pidgeon, D. F. Pidgeon, Joseph A. Likely, R. B. Emerson, R. H. Bruce, H. C. Schofield and B. R. Armstrong.

Rising Indignation.

That the dissatisfaction and rising indignation of the citizens of St. John over the discrimination against this port in the mail boat sailings will find further strong expression at the public meeting this evening in Keith's Theatre, Carleton street, in vigorous protest against the Gutelius arrangement with the C. P. R., is expected. The whole transaction was criticised severely throughout the city on Saturday and yesterday, and keen disappointment was expressed that more information had not been available in Ottawa for the St. John delegation.

That there is still ample opportunity for the citizens to protect their rights is the point of view taken by business men, if only they go about it in the proper spirit and with unshaken determination, in view of the fact that the agreement or to reject it, there is no reason why the C. P. R. would have running rights over the I. C. R. does not become operative until Nov. 15.

It was further pointed out last night that as the matter now rests altogether with the government and they have power either to ratify the Gutelius agreement or to reject it, there is no reason why St. John should not obtain its rights if sufficiently strong representations are made.

Whatever the prospects of St. John may be, there is every reason to believe that the meeting tonight will be enthusiastic and that the measures will be taken to obviate the disaster which seems imminent unless a policy of drastic and determined action is pursued by the citizens.

PRENTICE BOYS HOLD ANNUAL CHURCH PARADE

The 'Prentice Boys' held their annual church parade to Zion church yesterday afternoon. There were three lodges present, those from Carleton, Fairville and Germain street, and in spite of the threatening weather there was a good turnout. The procession left the hall in Germain street about 3 o'clock and proceeded to the church by way of Prince, Charlotte, Union, Dorchester, City Road and Wall streets. They were accompanied by the Carleton Cornet and Temple of Honor bands. At the church Rev. Wm. Lawson, the pastor, delivered an interesting address, touching on the duties of the members. After the sermon the Temple Band played several selections, prepared for the occasion. The return to the hall was made by the same route as going.

SCHOTLAND ARRIVES

The giant ocean-going tug Zwartzees, Captain Person, arrived yesterday from Rotterdam with the Norton Griffiths dredge Schotland in tow, and the powerful towboat justified the confidence of her owners in her steadiness by bringing the heavy dredge to port in the time estimated for the long pull, despite six days of foggy weather on the last week of the long voyage.

The Zwartzees steamed from Rotterdam at midnight, Sept. 11, and arrived off Partridge Island at midnight on Saturday, making the passage in thirty days, including a stop of two days at the Azores for supplies.

The dredge, secured to the tug by 155 fathoms of great hawser, consisting of steel cables for thirty-five fathoms from the station, and of manila hawser for the balance, was upwards of one-sixth of a mile astern, and during the passage through the fog bank, when the tug was not visible for six days, and only the drag of the tow made her safely known to the captain of the steamer.

Land Reform Scheme.

London, Oct. 11.—The campaign to "free British land from landlordism and get the people back on it" was opened today at Bedford by the chancellor of the exchequer, David Lloyd George, who was accorded a triumphant reception. His address had been printed in advance by pages of gossip in newspapers and the walls of Bedford were plastered with flaming posters calling on the working-men to support the "People's Campaign."

SAVED FROM GALLOWS AT ELEVENTH HOUR

Few "condemned to be hanged" cases have attracted such all Canadian attention in recent years as that of Charles Gibson, of Toronto, sentenced to be hanged at dawn on Thursday, October 9, for the murder of Herman Rosenthal. All the higher courts refused him a new trial; the dominion cabinet took up the case, and said the sentence was just, and the administrator of Canada, Sir Charles Fitzpatrick, signed the death warrant.

Then there came a wave of popular sympathy, with petitions containing 60,000 names, and telegrams and letters from all over Canada, asking for a commutation of the sentence. At two o'clock, on Thursday, just a few hours before the time set for the execution, the acting governor-general signed the order commuting the sentence to imprisonment for life.

ISAACS PLEADED GUILTY ON SECOND CHARGE; GETS FIVE YEARS IN DORCHESTER

A sentence of five years in Dorchester was imposed on the King's bench division of the circuit court on Saturday afternoon upon Richard D. Isaacs by Mr. Justice White on the charge of which he was adjudged guilty, and five years in the same institution on the second indictment constituting a similar charge to which he pleaded guilty a few minutes before sentence was passed. The sentences are to run concurrently and date from Saturday.

When the indictment was read, Isaacs pleaded guilty and J. B. M. Baxter, K. C., who appeared for the crown, moved for sentence. Asked if he had anything to say before sentence should be passed, Isaacs asked for leniency. Before the judge imposed sentence, he asked him to consider his wife and children who would be left penniless while he was in jail, and asked to be given a chance to return to them before long. He professed penitence and expressed a desire to show his repentance by his future conduct.

J. A. Barry made a forcible plea on behalf of the prisoner, asking the judge to be merciful towards him. Judge White said he hoped when Isaacs was liberated he would return to his family and endeavor to do all he could to help them, because his wife had sacrificed much for him.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She Mixed Sulphur With it To Restore Color, Gloss, Thickness

Common garden sage brewed into heavy tea with sulphur and alcohol added, will turn gray streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly or thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 80 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of fuss.

While wispy, gray, faded hair is a sin, we all desire to retain our youthful appearance and attractiveness. B. darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, at another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant. CURED ECZEMA LIKE MAGIC

Suffered for Years—Tried all Kinds of Treatment—Surprised at Results From Dr. Chase's Ointment.

You can soon tell when people are enthusiastic about medical treatment by the language they use. After experimenting with all sorts of ointments in vain effort to obtain relief and cure, the writer of this letter was astonished by the quick and satisfactory results obtained by the use of Dr. Chase's Ointment.

"It worked like magic," she wrote. Indeed, it is surprising the healing this is often effected in a single night by the great ointment. The stinging and itching are relieved at once, and cure is a matter of time and patient treatment.

Mrs. Clements, 18 Strange street, Toronto, Ont., writes: "I have suffered from eczema for years, and after using all kinds of ointments, at last tried Dr. Chase's Ointment. It worked like magic and proved a God-send to me. I would advise anyone suffering from eczema to try one box and be convinced." 60c. a box, all dealers, or Edmondson, Bat & Co., Limited, Toronto.

DETERMINE THE VALUE Of Footwear

The price of any article of clothing is usually determined by the quality of the materials that enter into its production.

This applies especially to footwear.

High Grade footwear cannot be bought at a low price.

Cost of production won't permit it.

However, this doesn't necessarily mean that high grade footwear is exorbitant in price.

For instance:—
