## TEA CROP ESCAPES TYPHOON

Amoy, China, Sept. 4.—A typhoon on last Thursday destroyed many streets in the city of Taihuo, the capital of Formosa, and also devastated the northern districts of the island. The tea crop was not seriously damaged.

The heavy afternoon tea is being decidedly commended by the doctors, who say that for grown-up persons, who partake of a good breakfast, lunch and dinner, the extra meal is not only quite unnecessary but harmful.

## AGITATION IN GERMANY AGAINST TARIFF ON FOOD

Munich, Sept. 4.—The Diet yesterday considered an interpretation of the Socialists requesting that the Reichstag be immediately convened to consider the suspension of tariff on the necessities of life. Minister of the Interior, Baron von Bodelschwingh, speaking for the government, declared that the high price of food were common to all countries and not due to the tariff. He said it was impossible to attack the principle of protection for German industries.

Berlin, Sept. 4.—The Socialists held sixty-nine mass meetings in greater Berlin last night to protest against the high price of food, especially of meat. Resolutions demanded abolition of the tariff on cattle, meat and other foodstuffs. The Berlin Butchers' Guild passed a resolution stating that Germany's live stock raisers were unable to meet the demand of the butchers. The council of several cities already have adopted similar resolutions.

PLACES FOR ALL. While the city crowded with visitors, an article in the Standard this morning conveyed a wrong impression as to the difficulty of securing accommodation. Every citizen in the lodging bureau in the Globe building, conducted by the Exhibition Association, has been directed to place to stay. ## HAMPTON CLERGYMAN MARRIED IN YARMOUTH

Yarmouth, N. S., Sept. 4.—(Special)—A pretty wedding took place in Holy Trinity church this morning when Robert, daughter of Jacob Sweeney, was united in marriage to Rev. Frank Gaskill, of Hampton, N. B. It was one of the most largely attended weddings ever seen in Yarmouth. The ceremony was performed by Rev. R. D. Bannister, D. D., assisted by Rev. Mr. Gaskill, of Hampton, and Rev. Canon Smithers, of New Brunswick.

The bride entered the church with her father as the organist played the wedding march. She was attended by Miss Vera Harlow, of Liverpool, as bridesmaid, and Miss Phyllis Brown as flower girl. She was handsomely attired in white satin with veil caught up by orange blossoms. She also carried a prayer book.

The bride's dress was of pale green marquisette trimmed with ball fringe and she carried a bouquet of pink roses. The groom was dressed in pink silk and carried a beautiful bouquet of sweet peas. The wedding was supported by Vernon Sweeney, brother of the bride.

The groom's present to the bride was a handsome necklace of amethysts and seed pearls and to the bridesmaid and flower girls an amethyst pendant. After the ceremony a wedding breakfast was served at the home of the bride's father after which they left for Digby by automobile en route to St. John.

There is another strange feature in the death of George Pond, killed at Gilbert's Lane crossing. George Chamberlain, undertaker, who embalmed the body and was to have sent it to Backville this afternoon, received word this morning to hold it, as it did not correspond with a description of Pond given by his family.

The man who was killed had several tattooed marks on his arm which Pond, it is said, never had. Mr. Chamberlain is denying out the instructions received this morning.

## NEWS OF THE PIKE

AT THE EXHIBITION

The owner of the Mechanical City is completing arrangements to dispose of his plant and interests to a group of local men who are already interested in some of the Pike features.

Several of the Pike exhibitors have decided to join forces in a tour of the rest of the fair in the provinces. Among those in the group is the "Giggle Shop" which is owned locally.

Mr. Parker, the owner of the merry-go-round and the Ferris wheel, who was here for the Dominion exhibition in 1910, has since then traveled across the continent to California and back, showing practically continuously all the time.

The Pike men were not prepared for such a rush of visitors as they experienced on Monday. The last dog vendor's stock was completely cleared out three times, the bird-seller's stock was almost depleted and a rush order had to be sent to more birds. Fifteen hundred claim check were served on the grounds and the patronage of the other features was on the same scale.
