Burglary in Maccan, N. S., Last Night—New Record Made Over the Humphrey Golf Links

(Special to Times.)

Moncton, June 20.—I. C. R. Pelissier Dunlop received word from Amherst during the night to watch the trains from the east for a man wanted at Maccan for housebreaking. Sometime last night someone broke into a Maccan residence and took a suit of clothes, a pair of tan shoes a gold watch belonging to a woman and a pair of gold-rimmed glasses. He made a change of clothing in the house leaving his old garments.

The 19th Field Battery C. F. A. in charge of Major S. B. Anderson left this morning for Sussex. Major Anderson will have about 100 men.

W. G. Ritchie, resident engineer, of the Moncton Tramways, Electricity & Gas Co., a crack golf player, yesterday established a record of 22 for the Humphrey Golf Club course. **JOHN McMANUS**  
**OF FAIRVILLE**  
**DEAD BY TRACK**

Thought He Sat Down to Rest on Way Home Last Night and Was Struck by Boston Train

John McManus, a respected farmer residing just outside of Fairville, was found lying dead beside the C. P. R. track in the vicinity of his home about 5 o'clock this morning by a C. P. R. crew of workmen. He was lying a few feet away from the track with his arms outstretched and his head against the side of a train. Conner M. L. Macfarland was notified and after examining the body ordered removal to his late home.

Mr. McManus was a hard-working farmer. After supper last night he left home with a team of horses to haul some wood for a man named Shannon, who resides in Kingsville. It appears that he went to Kingsville all right, and after finishing the job, sent the horses home with another man. Where he went to after this is not known. As far as can be learned, however, he was on his way home and sat down on the railway track to rest for a few minutes, and while there was struck by an incoming train, presumably the Boston train, which arrives in Fairville about 11:15 at night.

When he did not return last night his wife started to search for him, but he could not be found. He had very seldom stayed away from home at night, and Mrs. McManus began to fear for his safety. She did not hear of his death, however, until his body was carried home this morning.

Besides his wife, six small children survive. Conner Macfarland had not decided this morning whether or not an inquest would be necessary.

**GOVERNOR CARLETON**  
**NAME OF NEW FERRY**

Ald. Potts Suggested "Alderman" as the Name, But No One Seconded His Motion

The name of the ferry steamer recently purchased by the city will be the "Governor Carleton." Although it was the intention to name the "Carleton" it was found necessary to abandon this idea, because of the fact that a boat of this name was already registered in Ottawa, and according to the steamship act, this is not permissible. The matter was brought before a meeting of the city committee this morning and on motion of Ald. McLeod, the decision announced was arrived at.

A motion was made by Ald. Potts, but there was no seconder, by which if carried the new boat would sail under the name of "Alderman." In explanation of his idea the maker of the motion said it would be commemorative of the last year of the reign of the seventeen members of the common council. To this one of the other aldermen present humorously replied that the acts of the council had been so illustrious that they would not be forgotten.

It was decided to authorize Supt. Waring and Inspector Dalton to go to Ottawa if it were necessary in connection with steamboat inspecting. A letter to R. S. Baxter, of Ottawa, was read bearing on the matter.

Those present at the meeting besides the chairman were Ald. Potts, Elliott, McLeod, and J. B. Jones, with Supt. Waring and Mr. Wardroper, common clerk.

**OURS IS THE GREATEST CLOTHING BUSINESS IN EASTERN CANADA! DO YOU KNOW WHY?**

That we've succeeded in building up the greatest clothing business, not only in Saint John but in the entire country, is an established fact—a fact which is not even questioned.

You are probably aware of this fact yourself, but you should also know the reasons why we have reached the top. They are important reasons and are worth a little consideration on the part of any man who buys clothing. They show the advantage of buying it at Oak Hall.

1. Because the experience of thousands, covering a period of twenty-two years, has proved our clothing to be the best wearing of any to be had.
2. Because our clothing is made and sold directly to you with the middleman's profit eliminated from our prices. This means a saving to you of one-quarter to one-third from what other stores charge for the same grades.
3. Because our styles are absolutely correct and meet the approval of good dressers—especially young men.
4. Because our assortments afford a scope of choice that is without parallel. We not only have the right styles and fabrics, but we have more of them than you'll find anywhere else.

Worth investigating, before spending your money elsewhere, don't you think?
