#### THE HONOR FLAG.

What about the Honor Flag in your  
community? Every district should have  
one and the sooner the better for the  
campaign. For one thing it shows that  
the organization is efficient and that it is  
getting results. In proportion as Honor  
Flags are won is the success of the Vic-  
tory Loan assured.

#### RECEIVING WAR CROSS

The patriotic  
spirit and devotion  
with which Cana-  
dian women have  
so far performed  
war-service work  
and made sacrifices  
has never been  
equalled in the  
history of any  
country. Mothers,  
wives and sisters  
support this burden  
with strength and  
fortitude. But  
those who are not  
ready to make sacri-  
fices from the com-  
plaints and weak-  
nesses which are so  
common to women  
should take the right  
temperance tonic for  
the womanly system.

If a woman is borne down by pain  
and suffering, by nervousness or dizziness,  
by headache or backache, "Favorite  
Prescription" should be taken. It can  
now be had in tablet form as well as liquid  
at most drug stores. Send to Dr. Pierce's  
Branch at Bridgeport, Ont., for a 10c  
trial pkg. of tablets.

For fifty years Dr. Pierce's Pleasant  
Pill has been most satisfactory in  
liver and bowel troubles.

Windsor, Ont.-"Dr.  
Pierce's Favorite Pre-  
scription" is a most  
valuable medicine for  
women of all ages. For  
woman of my age, I  
tried with women's  
troubles during which  
time I became all run-  
down, weak and nerv-  
ous. I would have  
severe backache and  
pain in my side. I  
doctored with the doc-  
tor but did not get  
cured of my ailment  
and was so bad that I  
could scarcely walk  
across the house. I  
began taking the "Prescription" when I had  
taken two bottles I was much improved and  
bottle completely cured me, and I have enjoyed  
better health than I ever did before taking the  
medicine. It is a truly wonderful medicine for  
women."-Mrs. Martha McManus, 4 Albert St.

MORE ROOM FOR GOVERN-  
MENT DEPARTMENTS

Fredericton, Nov. 6.-The board  
of education met this afternoon in con-  
nection with the session of the school  
government which is taking place here  
this week. The schedule before the  
board was lengthy but contained much  
routine business.

The board was notified of the passage  
of an order-in-council which will be con-  
firmed by legislation under which school  
districts are empowered to invest money  
in war bonds.

Dr. W. S. Carter, chief superintendent,  
was authorized to co-operate with the  
war savings committee in work among  
the children of the public schools. This  
work will not be taken up until after  
the present Victory Loan campaign has  
been finished.

Hon. Mr. Foster also announced that  
the government had under consideration  
the purchase of additional property in  
Fredericton for use of government offices.  
Present accommodations are insufficient  
to meet the demands of the provincial  
business. The building concerning which  
the government is negotiating is the  
O'Connor property in King street op-  
posite the agricultural building.

#### WINNING RECOGNITION

##### AS A WORLD PORT

Replying to a communication from the  
secretary of the St. John Board of  
Trade, the statistical department of the  
British Board of Trade state that they  
have under consideration the extension  
of the list of ports for which separate  
particulars are given in their statistical  
abstract, so as to include information  
relative to St. John. Hitherto St. John  
has not been included in this list, al-  
though it is the second ocean port in  
Canada in point of volume of exports  
and imports.

#### DON'T LET THEM STOP AT \$50.

A great demand for \$50 Victory Bonds  
is reported. As a matter of fact, it is  
believed that many people are buying  
bonds of this denomination who should  
be taking \$100 and \$500 ones. Fifty  
dollar bonds are better than nothing, but  
they are the smallest denomination and  
no one should take fifty if he can take  
hundreds.

—BUY-VICTORY-BONDS—  
BOMB, CROWLEY GASED.

Mrs. William Crowley, of 134 Union  
street, has received a letter from her son,  
Bomb. Hilton Crowley, who is in a hos-  
pital in England recuperating from gas  
poisoning and trench fever. He said he  
got a little gas one night, but thought  
nothing of it. Two days later he be-  
came ill and was ordered down the line  
by the M. O. and then sent to "blighty."  
He spoke lightly of his illness and said  
he hopes to be around again in a short  
time. This was the first intimation that  
Mrs. Crowley received that her son had  
been gassed or ill. He went overseas  
with the 9th Siege Battery in 1917, and  
was transferred to another siege battery  
in France.

#### —BUY-VICTORY-BONDS— A FINE EXAMPLE.

Thamesville, Ont., supplies a good ex-  
ample of what some small communities  
are doing in the campaign. As soon as  
the clock struck midnight on Sunday  
the citizens went over the top and, with-  
in less than 25 minutes, they had not  
only gained their objective but had ex-  
ceeded it by nearly 100 per cent. The  
village's allotment was \$25,000, but \$45,  
000 was reached, or \$80 per capita. The  
village thus captured the honor flag and  
two extra crowns.

#### LOCAL NEWS

Managers of local exchanges wait-  
ed upon Mayor Hayes yesterday and  
held a discussion about the enforcing of  
the new assessment act, which requires  
them to pay a license fee. It is under-  
stood that some amendments may be  
made which will prove satisfactory to all  
concerned.

A meeting of the committee in charge  
of the proposed peace celebration met in  
A. O. Skinner's office yesterday after-  
noon. The committee recommended that  
the cars assemble in the city street east  
at one o'clock and proceed to West St. John, and back to the  
city arriving at King street in time to  
line up on either side of the street fac-  
ing up the hill to allow a foot parade  
to pass through.

the first block of a 120-point match  
from Charles McCourt of Cleveland, 50  
to 23. The play went forty-four in-  
nings. Kieckhefer's high run was nine.  
Mccourt's was only two.

Heading This Way.  
Chief Kidnapper of Montreal has been  
notified by the Halifax police that six  
young men, of ages ranging from sev-

enter to twenty-two, had escaped from  
the Halifax prison, and were heading in  
the direction of Montreal.

### At Peace, or at War!

Whether the Boche quits now or elects to take a further  
licking, you can't buy any clothes next Fall like those we  
are selling today.

Pure Wool fabrics of pre-war standards are fast disappear-  
ing. No more are being made. No more will be made until  
long after the boys come home.

But we have plenty of such fabrics, obtained many months  
ago and made up into Overcoats for the benefit of our  
customers.

Get that, please. "For the benefit of our customers."  
Eaton's buyer says the cheapest place to buy clothing to-  
day is at the retailers.

Overcoats at \$20, \$25, \$30, \$35 to \$45.—As we bought  
them, so do we sell them. Many styles for varied tastes.

#### NUXATED IRON

"To help make strong, keen, red-  
blooded Americans there is nothing in  
my experience which I have found so  
valuable as organic iron—Nuxated Iron,"  
says Dr. James Francis Sullivan, former  
Physician of Bellevue Hospital (Out-  
door dept.), New York, and the West-  
chester County Hospital. Nuxated Iron  
often increases the strength and
