"That our ministers be kindly requested to preach once each

year on the subject of Sabbath Observance."

"That we regret to learn that a large number of interments are reserved for the Lord's Day, and would request our members to avoid, and our ministers to discourage, as far as possible, funerals

on that day."

"It is within your Committee's knowledge that Adam Gordon, Esq., M.P. for North Ontario, has prepared a bill to prohibit all Sabbath traffic on our canals and rivers, and that the Premier of Canada has promised to assist him in passing it through next session of the Dominion Parliament; and deprecating the large amount of Sabbath desecration on these waters, we respectfully suggest that the Conference memorialize the Parliament in favour of this measure."

All of which is respectfully submitted,

JOHN NICHOLLS. Chairman. JOHN JOHNSTON. S. NICKLIN. W. Reid, Secretary.

## REPORT OF THE TEMPERANCE COMMITTEE.

That the following Report be received and adopted, and that Conference memorialize the Dominion Parliament in favour of a Prohibitory Liquor Law.

Your Committee beg to report-1. "That we fully sympathize with the various Temperance organizations throughout the land, and hope the number and influence of such will be largely increased, and at the same time we promise them our hearty support."

2. "We notice with pleasure the fact that a very large number of our officials and members are total abstainers, and pray that the time may soon come when every person in connexion with our

Church will stand upon the same platform."

3. "That in view of the destructive influences of intemperance, and the determined efforts of its supporters to foster the same, we urge Conference to kindly request all our ministers, office-bearers and members to put forth every effort to overthrow this great wrong."

4. "We gratefully acknowledge the receipt of a communication from the Elgin Lodge of the I. O. G. T. asking this Conference to petition the Government of Canada to use all lawful measures for the suppression of the Liquor Traffic, and your committee wish you to give this matter your consideration."

All of which is respectfully submitted,

JOHN GOODMAN. ISAAC WILSON. M. H. MATTHEWS.
