THREE JURORS CURED

Of Cholera Morbus With One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama.

He says: "While there I ate some fresh meat and some sausage meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had heard I sent for, but that this medicine was so much better he would rather send it to me in the fit I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. These fellow jurors were afflicted in the same manner and one small bottle cured the three of us." The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh of the bladder. It is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. The Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of particulars. Ad. dress, F. J. Brantford Examiner: Albert Sturges is dead. News items that he had not hurt when the crowd was hot in pursuit and threatening bodily harm to the official. Such was not the case. After Arnold had asked Sharkey to fight the crowd was interested in the ball game, and when Arnold left the park no one was paying attention to him.

As stated yesterday the whole affair was unfortunate, but that is no reason why the Woodstock Scouting Association should get so far away from the truth. Of course it is Ingersoll, and any opportunity to get a whack is eagerly accepted.

BASE BALL.

COPY OF BULLETIN PLACED IN S. R. WINDOW TUESDAY.

Ingersoll Mob Attack Umpire.

With the score 1-1 in the third inning, when the players attacked the umpire over a dispute on the condition of the ball which Burns threw out of the field because the Woodstock players found it covered with a solution of boracic acid and oil of mustard, put on by Ingersoll players.

Arnold was hit by Taylor, after which a general fight ensued. Arnold emerged from the crowd, ran to a rig and asked to be driven.

The crowd pursued him. He ran over two hills to the east, but was caught a quarter of a mile away and brought back, being severely handled in the meantime.

Order was restored after half an hour.

The game at the end of the ninth was 3-3. Woodstock won in the 10th by 4-3.

Sharkey was umpire.

After the fight Arnold escaping up town in a rig.

The above is a fair sample of the Sentinel-Review's attitude towards Ingersoll. Had the S.-R. kept on the "straight and narrow path of truth" no one would offer any criticism, but the above contains so much that is either pure fabrication or misrepresentation that it is impossible to let it pass without comment. First of all, the statement: "Arnold was hit by H. Taylor." The S.-R. representative who was sitting on the Woodstock players' bench knows that is not true. Second false statement: "He (Arnold) being severely handled in the meantime." True Arnold was given a bad scare, but he was not "severely handled." Responsible citizens were eye-witnesses of the whole occurrence, and they all agreed that he was not hurt when the crowd was hot in pursuit and threatening bodily harm to the official. Such was not the case. After Arnold had asked Sharkey to fight the crowd was interested in the ball game, and when Arnold left the park no one was paying attention to him.
