As to Linens and Cottons. The first we treat of is a neat column. The latter demands but little attention. Bleached Cottons, either Shirting, Pillow Case width or Sheetings, the bulk of such new sell are made in Canada. If not all made in the same mill, they are at any rate sold by the manufacturers at a uniform rate. This holds true of a vast majority of our merchants over another in that quarter.

Having then a fixed cost, the price to the consumer is determined by the rate of profit advanced by the merchant. This rate, on Cottons, is a comparatively low one. It does not, at the best, more than cover the expense of selling. Therefore it cannot be deemed from to be a profit to the consumer. We cannot offer you any advantage in price, but we may be permitted to claim that our prices are as low as any.

The clearing rate of dress goods and other cloths is now in progress. We have not more than this parting notice for them not being anxious, simply not anxious, about their sale, and certainly the way in which they are selling now does not give much cause for anxiety in that connection.

THE LOYAL RESOLUTIONS. How the Vote was Taken and Who did not Vote. (Correspondence of Montreal Gazette.) The members were called in, it being the evident determination of both sides of the House to leave no loophole for politicians to creep out of. The result was that every member present voted in favor of the resolution, which was ordered to be engrossed and sent to Her Majesty. A feature of the division was the fact that Mr. Ellis, of St. John, was made to cast his vote in favor of the British connection. This action was loudly applauded, but the applause evidently did not compensate for the disapproval of the member St. John, Messrs. Earle and Pope were also applauded while giving their first vote, and "hear, hear" were first given, and Messrs. McCarthy and Colonel O'Brien voted.

There were 101 members present. That leaves 54 to be accounted for. An analysis of those who voted the following facts: Speaker Oulmet, of course, did not vote. Mr. Masse, the new member for Richford, has not yet taken his seat. Mr. Chapman, Messrs. Ferguson, Desjardins, Groulx and Lapine had left previously for Montreal to attend Hon. Senator Robit's funeral. Messrs. Beaudouin, Groulx, Brown, Burns, Choinard, Cockburn, Davies, Edgar, Edwards, Eisenhauer, Ferguson (Leeds), Hall, Jones, (Halifax), Kenny, Charles Langlois, Levesque, Lister, MacDowell, McDonald, Scarth, Skinner, Weldon, (Albert), Stevenson, Sir D. A. Smith, Wilson (Leeds), and Yeo have either not yet arrived or are out of town. Messrs. Shanly, Prior, Mills (Annapolis), McLaughlin, Piset, Dr. St. George, Davin, Daley, Dickson, Chabot, and Bergin are sick. Mr. Blake was absent on legal business. General Lauria is in England and Mr. Smith (Ontario), arrived too late for vote. This leaves 59 members present. Mr. North, Mr. Bourassa, Brian Platt, Prefontaine and Wilson (Elgin) to be accounted for. The three last, at least did not vote. In fact, Mr. Prefontaine took his seat this afternoon for the first time for several days.

INLAND REVENUE RECEIPTS. The following is the statement of Inland Revenue receipts for the month of January 1889 and for the same month of 1889.

ST. JOHN COUNTY COURT. This morning William Nixon was charged with the larceny of a watch and chain, by his own election tried before Judge Walters under the "Spedy Trial Act."

THE SUSPENDED NEW YORK BANK. A broker arrested and the President of the Bank.

MURDER AND SUICIDE. Son of a Lawyer, Jan. 31.—At 8 o'clock yesterday, at the residence of the late Anna Carlson and then shot himself dead. Anderson was about 26 years old and the girl 16.

RELEASED FROM THE BLOCKADE. Seven delayed trains in procession at St. John.

ACCIDENT ON THE NORTHWEST. Yesterday morning as the train was passing the Marysville Station, it was derailed by the brakemen being detached from the rest of the train. The engineer was not aware that the coupling had broken until he found that the train did not stop usual at the station. The locomotive was now rapidly approaching some flat cars heavily loaded with logs and although the engine was reversed a collision took place which demolished the flat car and so injured the buffer beam of the locomotive that it was found necessary to return to Gibson for another. After some hours the train proceeded on its way to Fredericton via the Partridge River.

MOSS LETTER MACHINERY.—Mr. Geo. Waring of the Moss Letter Machine Co. is in the city on business.

REMAINING WALL.—Mr. John McGourty has completed the large retaining wall on the lower side of Main street at Fort land bridge, and the sidewalk is graded and ready for the asphalt. The wall is about 325 feet long and in some places is about 15 feet high. Work was commenced this morning in tearing up the sidewalk on the east side of the street in front of Moore's mill factory in preparation for laying the retaining wall, which will extend from the railway crossing to the Partridge River.

REMARKABLE CASE OF FRIENDS.—The funeral of John Moody, which took place this afternoon from his late residence, Waterloo street, was largely attended. The interment took place at the Rural cemetery. Among the floral offerings were a beautiful wreath of roses, heliotrope and a cross of the same, and a casket. These were from friends who esteem Mr. Moody had held a high position.

THE DAMARA.—Word was received by the Halifax agents of the Damara left Queenstown on that day for Halifax. The agents here say that there is no truth in the report that she put back into Queenstown on the 28th.

ON TUESDAY, 4TH INST., HALLS HUGHES a little boy living in Margaretsville, Halifax, was playing with a toy pistol of home manufacture. The boy was shot by the explosion of the pistol one of his eyes was so injured that the sight of it goes forever.
