Two deer recently strayed into the premises of Mr. John Leat, who lives near Smith's corner, about five miles from Harcourt station. The Austrian government has decided to close all the colleges and to keep them closed until March 21, when before re-admission students will be compelled to sign an agreement to observe the disciplinary regulations. After Messrs. Plunkett, Redmond and Healy had spoken in the debate on the Queen's speech in the Commons, Gerald Balfour, chief secretary for Ireland, denied that the government had been slow to recognize the distress in Ireland. Senor Sagasta's response to the official note presented Saturday by Gen. Woodford, United States minister, complains of the filibustering expeditions, and says that Spain cannot entertain the suggestion for fixing a date for her completion of the pacification of Cuba. Public feeling among all classes in Madrid is strong against America.

It is authoritatively reported that two Hundred Mormon missionaries are at work in North Carolina, making many converts, most of whom are immediately sent to Utah. By thus attracting immigration it is the confident expectation of the Mormon leaders not only to extend the interests and influence of the church, but also to acquire absolute control of political affairs in the State of Utah in order that their peculiar religious institutions may be secure against interference from the civil authority.

Dishorning Calves.

Dishorning may be accomplished by operating upon the calf when very young, say from ten to thirty days' old. Various methods and compounds are used, several preparations being obtainable at the stores. A stick of caustic potash may be used or a mixture made of two parts of caustic soda, one of kerosene and one of water. In mixing the latter, stir together the caustic and kerosene, then add the water. In applying, trim the hair away from around the horn buttons, and put the mixture on with a rubber cork, being careful that it does not touch any other part of the hands. A stick of caustic potash may be applied in the same way, putting on gloves or wrapping a cloth around the stick to protect the hands.—Massachusetts Ploughman.

An Aurora Letter

A Correspondent Approves Rev. F. Elliott,
of Richmond Hill.

Dodd's Kidney Pills a Heaven-sent Medicine—Their Work in Aurora—Cure Every Case of Bright's Disease, Diabetes, Heart Disease, Lumbago, Lame Back and All Other Kidney Diseases.

AURORA, February 14.—Dear Sir,—The article published a few days ago, relating to the recovery of Rev. F. Elliott, of Richmond Hill, has been discussed at length in this town. It states facts similar to those of many cases here, all of which are well known to our citizens.

It is refreshing to find such a prominent and respected clergyman as Rev. Mr. Elliott taking so pronounced a step as he has done, in publicly recommending Dodd's Kidney Pills. His experience with this wonderful medicine is exactly similar to that of Aurora people. There is no medicine to be procured that can approach Dodd's Kidney Pills, which never fail to cure.

Bright's Disease and Diabetes, so long said to be incurable, are cured by Dodd's Kidney Pills as easily as a puff of wind blows out a candle flame. They have been used in this town by scores of people who were given up to die, by their doctors, and who surprised and delighted their friends by their rapid and thorough recovery, after having used these Heaven-sent pills.

There is no medicine on earth that can compare with Dodd's Kidney Pills for Rheumatism, Lumbago, Lame Back, Heart disease, Paralysis, Gout, Gravel, Stone in Bladder, Urinary Troubles, Blood Impurities, Female Weakness and all other Kidney Diseases. The Pills are simply infallible in these ailments.

It is the duty of every man to lighten the sufferings of his fellows as much as possible, and for that reason, I write this to proclaim to all victims of Bright's Disease, Diabetes, and any other Kidney Diseases I have named, that Dodd's Kidney Pills will cure them as certainly as night follows day, if they are given a chance.

All sufferers can get Dodd's Kidney Pills at any drug store. They cost only fifty cents a box, six boxes \$2.50, on receipt of which price they will be sent by The Dodds Medicine Co., Limited, Toronto, Yours, etc., HUMANITY.

A NURSE'S STORY.

Tells how she was cured of Heart and Nerve Troubles.

The onerous duties that fall to the lot of a nurse, the worry, care, loss of sleep, irregularity of meals soon tell on the nervous system and undermine the health. Mrs. H. L. Menzies, a professional nurse living at the Corner of Wellington and King Streets, Brantford, Ont., states her case as follows: "For the past three years I have suffered from weakness, shortness of breath and palpitation of the heart. The least excitement would make my heart flutter, and at night I even found it difficult to sleep. After I got Milburn's Heart and Nerve Pills I experienced great relief, and on continuing their use the improvement has been marked until now all the old symptoms are gone and I am completely cured."

Milburn's Heart and Nerve Pills cure Anæmia, Nervousness, Weakness, Sleeplessness, Palpitation, Throbbing, Faint Spells, Dizziness or any condition arising from Impoverished Blood, Disordered Nerves or Weak Heart.
