The Canadians' Olympic Chances

Final Trials Compared — Track and Field Time and Distances Against U. S. and French Finals.

The fact that the American Olympic final trials at Cambridge, Mass., recently, were run in yards while the Canadian trials were in metres makes comparison difficult. However, the American times were:

100 yards—L. Murichson, New York, 10 secs.
220 yards—C. Baddock, Los Angeles, 21 2/5 secs., equalling Heiler's American record of 1897.
440 yards—F. Shea, New York, 49 secs.; Meredith second, Emery third, 890 yards—E. Eby, Chicago, 154 1/5.

1 Mile run—J. Ray, Chicago, 4:16 1/5.
120 yards hurdles—H. Barron, Philadelphia, 15 1/5 secs.
440 yards hurdles—F. Loomis, Chicago, 55 secs.

Same Compared. The field events and some competitions in metres make comparison possible. The metre events:

5,000 metres run—American, Brown, 15:25; Canadian, Town, 15:37.
3,000 metres walk—Plank, New York, 13:08; Freeman Toronto, 13:57.
Earl Thomson's 110 metres hurdles in 15 1/5 stands against the 15 1/5 for the 120 yards of the Americans. A metre equals 39.37 inches, so that 110 metres is about 120 yards.

Weight Events. American Canadian.
Discus 146.05 122.07
Javelin 192.10 164.11
55 weight 37.00 33.11
19 hammer 165.04 137.11

The Jumps. American Canadian.
Running high 6.04 5.10
Broad 24.08 22.07

France and Canada. The French trials compared with Canada are:

100 metres 11 11:25
200 metres 22 1/5 23 1/5
400 metres 50 51:45
800 metres 1:59 2:5

Some Fast Races At Fredericton

Race for America's Cup Yesterday Afternoon Was Sailed in Very Light Wind—Shamrock Was Left Far Behind When Defender Crossed Line in Light Breeze and the Cup Remains in the United States.

Fredericton, N. B., July 27.—Blanche H., owned by T. M. Hoyt, of Presque Isle, Me., hung up a new track record and also gave herself a new winch record in the opening heat of the fourth meeting of the Maritime and Maine Circuit here today, when she paced in 2:11 1/4. She dropped the second heat by making a break, and in the third heat the Exposer won, but the trotter swerved in the drive through the stretch and although he won the heat in 2:11 1/2, was set back to last position, Blanche H. being given the heat.

After Forefather, a St. John trotter, had won the first heat and Somersworth Boy the second heat, Togo M., last week, got straightened away and took the next three heats and the race. College Swift won from a big field in the 2:27 pace. Driver William Hood being fined \$25 because the judges did not think he tried to win the third heat. The Problem, 2:04 1/4, is the favorite in the free-for-all pace tomorrow. A free for all trot is being opened up for Thursday in the hope of bringing the Exposer and Bill Sharon, champion four-year-old trotter of the Maritime Provinces in 1919, together.

War Veterans Trimmed St. Peters

Over 2,000 people saw the "Vets" defeat the St. Peter's team last evening on the latter's diamond by a score of eleven to three. This makes the tenth straight for the War Veterans. The sluggers of the Vets had their batting clothes on and would not be denied. Errors a critical moment by the St. Peter's contributed several runs. Heyson started the game for St. Peter's but was relieved by Chestnut in the 5th. He was touched for nine hits while Kirkpatrick who did the twirling for the Vets held his opponents down to five bingles. Features of the game were the hitting of Callaghan with three hits out of three chances, the hitting of Garnett with three hits out of four, and a spectacular catch of a sizzling liner by Stewart. Art Howard performed the Babe Ruth stunt by lacking out a homer.

DEFENDER RESOLUTE WINNER OF THE FINAL YACHT RACE

Race for America's Cup Yesterday Afternoon Was Sailed in Very Light Wind—Shamrock Was Left Far Behind When Defender Crossed Line in Light Breeze and the Cup Remains in the United States.

New York, July 27.—For the thirtieth successive time since the inauguration of international yachting contest a half century ago, a British challenger has been defeated by a United States defender of the America's cup, the perpetual trophy named from the schooner yacht America, which won the first race from Great Britain in 1851.

Before Shamrock IV, twelve challengers strove in vain for the hundred guinea pewter mug, which since its founding as a world yachting prize has been in the custody of the New York Yacht Club.

Sir Thomas Lipton has failed in his fourth attempt to realize a cherished ambition, after trying since 1899, with four different Shamrocks to return the precious gail to the Royal Ulster Yacht Club of England.

When the United States won the historic cup in 1851, the trophy was not an international one. Six years after this first race with Great Britain the cup was brought to the United States by the New York Yacht Club and placed in trust as an international challenge prize. Here it has remained and today's victory by Resolute insures its retention at least another year.

A Bad Drubbing. Sandy Hook, July 27.—Defender Resolute gave the challenger Shamrock IV the worst drubbing of the 1920 regatta in the final race of the series today, winning boat for boat thirteen minutes and forty-five seconds—and the America's famous yachting cup remains in the United States.

Overcoming a forty second lead the advantage of a windward berth which Shamrock had taken at the start, the defender held a lead of four minutes and eight seconds at the half-way

stake of the thirty-mile course, and crossed the finish line thirteen minutes and five seconds ahead. Including her handicap of six minutes and forty seconds, Resolute won by nineteen minutes and forty-five seconds.

As the challenger crossed the mark her British crew let out three rings for the victor, and the conquerors responded with lusty cheers for Shamrock and her crew.

Sir Thomas Lipton announced immediately after the race that he would build a new challenger and come across in 1922 to have another try at lifting the America's Cup.

Some other yachtsman did not challenge and win the cup sooner. "I was beaten by a better boat," he said. "I have no complaint to make, but I am greatly disappointed."

Shamrock won all the honors at the start. Resolute started in a very bad pocket underneath Shamrock, and the green boat had everything her own way for the first fifteen minutes.

The wind was scarcely more than three knots at the start and both yachts failed to reach the line before the handicap limit of two minutes expired. Shamrock was the first to cross, following forty seconds later by the defender. Both crossed to the starboard tack, and Shamrock being fifty yards to windward immediately tacked to port. Resolute followed, and to the surprise of all began to fall off to leeward. The yachts had not been sailing ten minutes before a row of barges loomed up ahead. Resolute had to tack to avoid them, but for some reason Shamrock instead of tacking also and following the old adage, "always keep between your opponent and the mark," kept on and Resolute, having her wind free, held off shore and kept clear of Shamrock thereafter. Shamrock was evidently heading for a better draft of air un-

The sports will start at 2:30 in the afternoon. The Jersey shore, but she failed to find it, while Resolute picked up a favorable slant off shore. Still an hour after the start Shamrock was well in the lead and seemed able to head a couple points near the wind.

Everything seemed to be going unusually well for the green boat and hopes ran high on the yacht Victoria, carrying Sir Thomas Lipton.

Then Resolute began to kick up her heels and over-reach her opponent. Adams tacked twice before he succeeded in getting across Shamrock's bow, but he finally landed and after that the race, as between the two boats, was over.
