"That Tired Feeling"

It is just as common and just as reasonable in horses as it is in men. When their blood is impoverished their appetite and energy leave them—their work feels twice as hard.

Dick's Blood Purifier restores this lost vitality—The food is enjoyed—Every particle is digested—The hide frees itself. Bots and kindred worms are destroyed and the horse thrives.

HONG KONG JAN 8.—According to the statements of people who have just arrived here from the island of Balabac, south of the island of Palawan, there is no truth in the reports of the Spanish press that have been disseminated by the Philippines. They say that it is a story of invention to prejudice the Filipino cause.
