Adam Darling's house and barn, \$1,800.

J. W. Gunn's barn, \$500.

The personal property of all these was entirely lost and most of the victims are homeless and pennyless. It is said that there was \$2,100 insurance on C. B. Lindsay's property and that Thos. Lindsay's property and that Thos. Lindsay's hotel was insured, but it is thought that little other of the property was covered. The fire is supposed to have started in the woods from a spark from the train.

Truro was notified and Supt. Jarvis of the I. C. R., sent out a train load of men with buckets, who fought the fire all the afternoon.

the I. C. R., sent out a train load of men with buckets, who fought the fire all the afternoon.

The total loss will exceed \$3,000 and insurance men say there is not more than \$5,000 insurance.

Supt. Jarvis this evening, after the wind had subsided somewhat and the fire cleared away a little, installed a first class car and fitted it with telegraph instruments as a station and a box car for a freight shed. Trains were held back for a few shours, but are running tonight under orders to slow up while passing the scene.

Pretty Bad in Monoton Vicinity.

Moneton, N. B., Aug. 29.—(Special)—Forest fires raging in the vicinity of Moneton presented a serious aspect today. Of late, sinister rumors have been circulating, respecting the domestic management of John Williams' home in the Sandy Point Road. John is an Indian, and his white neighbors told painful stories. They inted at midnight revels and the quafing of wine, so last evening Sergt. Kilpatick went out to investigate. Mr. Williams and family at present dwell in a tent, and the sergeant was received most cortially. He questioned them about the reports, and the real fault evidently lies with certain pale faces who make a practice of giving liquor to Indians, and finding entertainment in the result.
