JAY COOKE & CO.,

No. 20 Wall Street.

NEW YORK, May 27, 1873.

THE Northern Pacific Railroad Company having determined to close its 7-30 First Mortgage Gold Loan at an aggregate not exceeding thirty million dollars, and thereafter to pay no higher rate of interest than 6 per cent. on further issues of its bonds, *the limited remainder of the 7 3-10 loan is now being disposed of* through the usual agencies.

As the bonds of this issue are made receivable in payment for the Company's lands at 110 they are in constant and increasing demand for this purpose, and will continue to be after the loan is closed—a fact which much enhances their value and attractiveness as an investment.

The Company has more than 500 miles of its road built and in operation, has earned a title to nearly ten million acres of its land grant, and sales of lands have thus far averaged $5 00 per acre.

Mrs. Winslow's Soothing Syrup.

FREE FROM OPIUM.

Chemical tests, which were so accurate as to reveal one part morphine in 3,000 parts syrup, have been instituted upon the above preparation with decided failure to detect morphine or any other preparation of opium in it, therefore it may be considered certain that the medicine must owe its valuable properties to something else than opium. This information is taken from a London journal of the highest respectability
