BY BEN : PERLEY POORE.

and the rapid play of her muscels around ourpose of a resolute heart.

She started! The heavy sound of annon came booming down the Bosphorus -soon the gorgeous state carque of the sultan emerged from the smoke and flashes of the saluting fortresses. Instantly all was action on board the Turkish fleet within the year, and the inviolable and the men-of-war of other nations, an- secreey I have observed shows how I loft. respect and admire you. Listen. When

On came the sultan's caique, like a bird your betrayer informed you that he had slaveupon the waters and the naval batteries your child, a Nubian guardian informed And s now burst into terrific life, sending forth volumes of bright flame, dense rolling smoke and crashing sound. The very air and water trembled—for a hundred guns is the required salvo for each fortress and vessel—but at last the deafening sure, and ordered your tempter to appear who din ceased. Then, as the war-cloud before me. Cringing to the very ground, stood rolled away before the breeze, the up- be avowed all-qay, he offered to place tude per yards of the frigates came in sight, your child at my disposal. Had I not and by degrees, the rigging and ensigns, needed his services, and thought that and dark halls of the whole fleet loomed through him I could add to your happidunly through the lessening obscurity. ness I would have had him strangled on A few pulls more of the four and twenty the spot. But I thought of you, and rowers, and the calque glanced into their midst, when the shrouds swarmed with has been carefully watched and guarded men, who manned the yards, while the by a book keeper in the Russian consulbands played their national airs. Then ate. And when he bought a house at there was a salute from the seragito guns, and Sultan Mahmoud left his calque, the

mystic gateway, whose portals it were by emotion. What return can I make death for any other man to enter unat- | you?' Mahmoud was one of those stern and dauntless spirits, who irresistably attract ing effects of my government, and of the homage of the masses; and he carthe homage of the masses; and he carthe national progress. Little dream they

Asia. ried out his plans of improvement with all that you are the cause? That a pure the energetic will of his beloved prophet. love for you, based upon respect, has an anxi tone. He was a tall noble looking man, with moved me forward in my work, and that an expansive forhead and resolute fea- your smile has been my approval. But not the

guard presented arms, and the sable guar-

'Welcome,' exclaimed Zalallah, as he entered her apartment; and she went to take his cap and sword.

'I am glad to be here again, pride of my heart,' he replied, gazing on her with a long ere she saw her my heart,' he replied, gazing on her with a long ere she saw her whose heart give the daughters.'

'Nob st, best of sovereigns—ay, of men!' e laimed the delighted sultana.

'For me ou have broken through all

have openly unfurled their flag of rebellion, and the there must be a stop put to it at once. The orders are morrow. To Athens.

No. no-to Selo, with orders to spar no one who is not a follower of the prophet. It is a harsh measure, but it can-

heard this announcement than, uttering a brief cry, she fainted, falling to the ground. Raising her with tender care, the sultan laid her on a divan, and bathed her burning forehead with water from the fountain. Soon she opened her eyes, and gaced anxiously around, as if awakening from some horoid dream.

What hath clouded the soul of Zalallah?' inquired the sultan bending over her, and gazing anxiously into her eyes, as if he would fain read her heart

' Scio! is Scio doomed?' she exclaim

that passed in rapid succession, like dark niece was in the 'Dolphin.' The Conand terrible shadows of terrible misfor- sul—Orloff—is in despair at the abduction of the continued.)

NCEMENT OF VOLUME TO WHOM IT MAY CONCERN. tunes. Thus far, hope had served as an tion of his grandson; and it is also antidote to her sorrows, but now even rumored that he is a bankrupt-Lavathat was almost gone, and desolation lette having so falsified his books as to revelled on her every sense.

At last a dark cloud came over the These have meanwhile been taken up

sultan's features, for he thought that this emotion might be sympethy for some Jew, Manasseh, of whom I have written have rehased the advance sheets of loved one; some one who possessed her you before. love, while he proud monarch, could only win her respect. With an anxious tone he inquired:

"Little Dorrit," Serial Tale by CHARLES with a young Russian officer! What tone he inquired: she again fainted.

Again I ask, why this interest in

My lord she replied in a tone of so-sultan entrusted her to their care, and semn earnestness, listen to me. Never went to give additional instructions to sultan entrusted her to their care, and did woman receive such treatment at the the commander of his fleet, about to sail At a co to Subscribers of about TWO hand of a Moslem as I have received for devoted Scio. from you the sultan of this bright land. Day by day, week by week, year by year, have you been the same kind, generous friend, and yet I fear that I have ill-repaid your confidence. You have thought that I was happy—and yet my askier's Tower, and was echoed by rehoughts have been with-Ah !' exclained the sultan pacing the

Deceive you my, lord! Give my love to another! she exclaimed springing to her feet, her cheeks crimson and her A few moments more, and the red orb

her feet, her cheeks crimson and her eyes flashing with offended pride. But the next moment she sank upon her knees saying, in a hurried tone:

A few moments more, and the red orb came proudly forth from its gorgeous cloud couch; the dome of Saint Sophia's fane glowed with light, the long arcades of ancient consider the ville day of D forenoon.

fane glowed with light, the long arcades of ancient aqueducts, and the modern gilded fountains reflected the rising beams and the many windows of Pera's palaces flashed like fire. Smoke curled from the chimney tops; the busy hum of industry resounded; and commerce moved upon the harbor. Constantinople was awake!

But the clouds of sorrow yet obscured the happiness of the sultana, as she arose from her sleepless couch, nor did the sunlight of golden hope light of the sunlight of golden hope light. house at Valetta, with one who had won my affections. Scarcely had the towers of Valetta faded in the distance, when a corsair hovering around for prey, carried the vessel by storm and we were separated. This you know—nay, you have et my request, advanced my betrayer in your service, as a man of that desperate character you need, in order to discpline your unfrained forces—'

Can it be!' interrupted the sultanged her possible! No, not possible, my lord. Have patience. All this you window.
