A CHAPTER OF ACCIDENTS .--- Some four PEEL -We have had an abundance of weeks ago a fire broke out in the woods or opious showers during the past two weeks, the 3rd concession of the township of Morwhich have greatly improved spring wheat bar'ey, and oats, as well as potatoes, turnips, ris, and ran over the farm of Henry Armstrong, consuming his barn, and other outand pasture. bo The orchards have also buildings, with their contents. Mr. Armbeautiful appearance, the trees being loaded strong proposed putting up a new barn, and down with fruit. Fall wheat is turning out on Monday, 21st instant, his neighbors much better than was anticipated a month turned out to assist him in making the tim-ber necessary for the new building. Mr. James Elliot was engaged in felling a tree, in the top of which was a large dry limb, harvest is about finished, and with such and when the tree was about to fall, the favourable weather for the second crop of limb broke loose and fell striking Mr. Ellclover, it will not be over one third below an iott on the side of the head, breaking in his average crop.-Brampton Times, Aug. 1. skuil. Death was instantaneous. He was In the northern sections of Peel and

carried home a lifeless corpse to that home and family which he had left but a few Wellington, as well as in South Simcoe, hours previously in the best of health and spirits. Mr. Elliott was one of the first settlers in the township and was highly es-teemed by all who had the pleasure of his acquaintance. He leaves a wite and a large findications, will be much greater. The hay erop, owing to the extreme dryness of the season, is very lean, but the deficiency will be partly made up by an extra straw crop, family, and a very large circle of friends to mourn the loss of a kind husband, an affectionate father, and kind-hearted neighbor. At his funeral another accident occurred. so that if the winter be mild the scarcity His sister, wife of Mr. Elijah Frayo, of hay will hardly be felt. On the whole, Atnleyville, was riding in a light spring waggon and at the time sitting on the back believe the farmers in this section will reap an unusually rich harvest. - Orangeville

seat, when one of the hind wheels ran over Sun 31st. a large root and threw out Mrs. Frayn. She The Norfolk Reformer records an accident was taken up in a fainting condition and conveyed home, and a medical gentleman of a serious nature having occurred to Mr. called in She revived soon, but only in G. Rogers, of Port Dover. It appears that time to witness the death of one of her sons, be was swinging some parties and after a very interesting little boy of about eleven be had got the swing pretty well under way, years of age, who was conveyed to his last he let loose the rope. Not seeing any resting place on the 25th instant. Mrs. danger, he remained under the swing and resting place on the 25th instant. Mrs. Frayn had not so far recovered as to be able to attend the funeral of her son, whose death was caused, we believe, by districes after black measles. Ainleyville indeed, after black measles. Ainleyville indeed, seens to be in a lamentable condition. could be rendered. On being liberated he went into the factory, appearing to be insen-sible, and had gone about half way up a flight of stairs, when he fell fainting to the floor. He was hurt considerably, both from his swing and the fall. He is, however, gradually recovering from his injuries. Scarcely a day passes that there is not from one to three funerals. Accidents, measles diptheria, scarlet fever; and dysentary all seem trying which shall have the most victims. - Huron Express 31st.

FLUNKEYISM AND TOADYISM .-- It is No was Feven in the West .--- A correspondent of the N. Y. World writes from Chicago, saying : - The war fever for some unaccountable reason, is not very high in really sickening to see the sycophasey of the press towards the new shief commander of press towards the new chief commander of the R-public—Gen. Halleck. "This," they say, "is a step in the right direction," now we hope for better things;" "now new vigor well he infused into the army and new hope we hope for better things;" "now new vigor will be infused into the army and new hope into the people." We have no doubt that Gen. Halleck, though he has seen little of the battle, is a gentleman, worthy brave and patriotic; and we, too, hope much from him; but alas for poor Halleck if he suffers de-feat! It will make no difference how the reverse comes, or who is to blame for it. t him, and ourselves throw stones at y shadow he casts upon the carth: o years have passed since the first to second on ; only fifteen months o faing of the first gun 10 actual ders, and each had four chief at last invaded by the Yankees; they are crossing the frontier in erowds, filling the railway cars, thronging the steamboats, and this is but the advance guard of the invad-ers, flying from conscription.
