F. H. Macklin of Blenheim who had contracts to supply a large number of tomato plants to canning factories estimates that between 300,000 and 400,000 plants were destroyed by frost last week. His loss he estimates around \$1,500. Others in the tomato plant business are likewise losers.

At the communion services in the Presbyterian church on Friday and Sunday 25 new members were added to the roll of the church—20 by profession and 5 by certificate. The services on Friday were conducted by Rev. H. E. Thornloe of St. Thomas and on Sunday by the pastor, Rev. G. S. Lloyd.

Work on the Glencoe hydro-electric system is making steady progress. It is expected that the poles will all be in the ground this week and if there be no difficulty in getting material the "juice" should be turned on by the middle of July. The wiring from Bothwell to Glencoe was completed some time ago.

THE LATE JACOB HUSTON

The passing away of a former well-known and prominent citizen and business man of Glencoe occurred at Sault Ste. Marie, Mich., on May 7th in the death rather suddenly from apoplexy of Jacob Huston, aged 61 years.

Mr. Huston was a son of the late Mr. and Mrs. George Huston of Elfrick township and one of the young members of a family of ten sons and three daughters. In 1855 he came to Glencoe with his brother, E. T. Huston, now town treasurer, and the two established a business in buying and

selling grain and other farm produce, etc. In 1902 the firm established a branch of their business at Sault Ste. Marie, which the deceased took charge of and continued therein up to a few years ago.

During Mr. Huston's residence in Glencoe he took a prominent part in public affairs generally and was a member of the municipal council for two or three terms. He was also prominently identified with the Masonic and Odd Fellows orders. He is survived by his wife, formerly Miss Hill of Chesley, Ont.

The funeral took place at Sault Ste. Marie, Mich., on Sunday, May 9th.

ARE YOU WILLING---

To forget what you have done for other people; and to remember what other people have done for you? To ignore what the world owes you, and to think what you owe to the world? To put your rights in the background, your duties in the middle distance, and your chances to do a little more than your duty in the foreground? To see that your fellowmen are just as real as you are, and try to look behind their faces to their hearts, hungry for joy? To close your book of complaints and look around you for a place where you can sow a few seeds of happiness?

Then you are ready for Self-Denial.

ARE YOU WILLING---

To stoop down and consider the needs and the desires of little children; to remember the weakness and loneliness of people who are growing old; to stop asking how much your friends LOVE YOU, and ask yourself whether you LOVE THEM enough? To bear in mind the things that other people have to bear on their hearts; to try to understand what those who live in the same house with you really want, without waiting for them to tell you? To trim your lamp so that it will give more light and less smoke, and to carry it in front so that your shadow will fall behind you? To make a grave for your ugly thoughts and a garden for your kindly feelings, with the gate open?

Are you willing to do these things, even for a little while?

Then you are ready for Self-Denial.

ARE YOU WILLING---

To believe that love is the strongest thing in the world—stronger than hate, stronger than evil, stronger than death—and that the blessed life which began in Bethlehem nineteen hundred and twenty years ago is the image and brightness of the Eternal Love?

Then you are ready for Self-Denial.

The Motorist's Best Friend

ANYONE can say "the best." It means nothing unless you know who says it. In this case it is the Oldest Service to Automobile Owners in America, and when they say the Prest-O-Lite Storage Battery is "best by test" it means just that.

—"best" because it has more "pep" and power, more endurance for the daily grind.

—"best" because it is backed by the kind of service that keeps troubles away—service that satisfies.

But whether you carry "the best" battery or not, we will keep your battery in better condition if you will let us inspect it from time to time. No charge for this service.

We have competent battery men ready to recharge or repair all makes of batteries.

This is the best place in town at which to unload your battery troubles. Given a chance, we'll prove it to you.
