

THE ACADIAN.

WOLFVILLE, N. S., NOV. 3, 1895.

Town Council.

The regular monthly meeting of the town council was held Tuesday evening.

The following bills were read and ordered paid: Acadia Electric Co. \$42.13, J. L. Franklin 11.68, Valley Telephone Co. 5.25, Town Clerk 3.52, U. H. Wallace 1.29, Frank H. Eaton 1.50.

Bill of C. A. Patriguin for special police services, \$4.25, was referred to Police Com. Coun. Porter, chairman of the Street Committee, stated that it was contemplated to gravel Main street this fall.

On motion it was resolved that the sum of \$150 be voted to the Street Com. to carry on necessary work on the streets during the winter.

Coun. Porter asked permission to withdraw the motion now on the table, moved by him at last meeting, and submitted the following:--

Resolved that the streets in the town of Wolfville be re-named; that all streets running east and west be named by numbers, commencing at the north street as First street, Main street to be named Second street, the short street called Welton street and the short street that is proposed and laid out by L. E. Duncanson and called Dewitt street on his plan, be called Third street; College avenue to be called Fourth street; Keen street Fifth street; and that the numbers Sixth, Seventh, Eighth and Ninth be reserved for streets not yet opened; and that Pleasant street be called Tenth street; and that all streets running north and south be called avenues, names for same to be selected by this Council.

The motion was seconded by Coun. Caldwell.

Coun. Starr moved in amendment the following:

Resolved that the streets running east and west be named as follows, beginning at the North side of the town: Front street, Main street, College street, Prospect street, Pleasant street.

Moved by Coun. Starr, seconded by Coun. Collins.

The vote resulted as follows: For, Starr, Collins, Borden. Against, Porter, Caldwell, Harris.

The Mayor gave the casting vote against the amendment.

The vote on the main motion resulted the same as for the amendment, and was decided in favor of the Mayor.

It was unanimously decided on motion that the streets running north and south be called avenues, and be named as follows in order beginning at the east end of the town, at the street running south by Scott's corner: Maple, Oak, Orchard, Cedar, Willow, Locust, Gasper, Central, Linden, Elm, Highland, University, Westwood, Cherry.

Coun. Borden gave notice of a motion to be made at next meeting to reconsider the resolution to name the streets running east and west by numbers.

Temperance Lecture.

A large and representative audience assembled in the Methodist church on Monday evening last, to hear Rev. Wm. Brown lecture on "Prohibition."

Dr. D. F. Higgins presided, and in a few happy remarks introduced the speaker, who made one of the most eloquent and enthusiastic pleas for prohibitory legislation that it has ever been our privilege to listen to, and held the close attention of the audience for nearly two hours.

Neither Liberals nor Conservatives were spared, and the Royal Commission was dealt with in the most scathing and denunciatory terms. Mr. Brown understands his subject thoroughly, and knows how to give others the benefit of his knowledge. At the close of the lecture a vote of thanks was moved by Prof. Caldwell, and seconded by Mr. G. V. Hand. This was unanimously carried, and presented by the chairman to the lecturer, who made a brief, but felicitous response. The lecture was given under the auspices of the W. C. T. U., for the benefit of which organization a silver collection was taken. Acceptable music was rendered by the choir, who were assisted by Dr. Bowles with his solo.

School of Horticulture.

The School of Horticulture opened on Tuesday afternoon with a good attendance. Forty-nine pupils were enrolled and applications were received from a number of others who will join later on.

Interesting addresses were delivered by Prof. Faville, J. W. Bigelow, R. W. Starr, Mrs. A. H. Johnson and others. Mr. C. E. Starr, of Perusse, was present and made a generous donation to the funds of the school. Prof. Faville will be assisted this year by Mr. Haycock, of the senior class at Acadia. It is contemplated that a short winter course will be given for the benefit of those who are unable to attend the regular course. The Science Club will meet regularly during the winter.

If you are anxious to make your money go as far as possible, get your Dry Goods during the month of November at Carver's, Windsor, N. S., as they are giving 10 per cent. discount.

The Agricultural Societies.

The 166th annual meeting of Kings Co. Agricultural Society was held in Evangeline Hall, Lower Horton, Tuesday, Nov. 5, at 3 p. m., according to law.

Officers elected: Thos. Tuza, President; Dr. Chipman, Secretary; Rev. Wm. Brown, Vice-President; Directors: Dr. J. N. Fuller, W. C. Trenholm, C. F. A. Patterson, L. P. Denison, Chas. Reid.

The regular business was transacted, and reports of Secretary, Auditors and Directors read and adopted. The Society is in a very prosperous condition with a membership of 130. A resolution was passed dedicating a page of the minutes to the memory of the late Secretary, Geo. Hamilton, Esq. Messrs Walker and Brown were present from U. S. representing horse breeders. They have five magnificent horses at W. C. Trenholm's for sale. Three are Cleveland Bays and two French Coach, imported direct from England and France, and having splendid pedigrees and as individual horses unsurpassed in their class and breed. "Oliver" the largest Cleveland Bay is over 16 hands and weighs 1400 lbs. and yet is smooth and neat and has fine springy action. These horses are well worth seeing and will be on exhibition next Saturday afternoon. All lovers of horses should see them. Members of the Society who have not paid their dues for '95, will please pay the same to Dr. Chipman as soon as possible.

It is the painful duty of our society at this annual meeting to chronicle the death of our late lamented, venerable Secretary, George Hamilton, Esq., who was the oldest man and the oldest member in the society, having reached the advanced age of 86 years at the time of his death on the 13th of last September, and having been an active member for more than half a century. He filled the office of Secretary-Treasurer previous to 1876 and after an interval of ten years he was again elected in 1886, and held the office continuously for nine years to the day of his death. As an officer and a member he was always at his post, ever manifesting the deepest interest in the welfare of the old society, and never sparing time nor labor required to increase its membership and advance its interests.

We pay his memory no empty compliment when we largely attribute to his wise and persistent efforts the increase in our membership from about 50 in '76 to 130 to-day, and the improved financial state of the society consequent upon that larger membership.

The old man of four score years will be missed as no other member would be, and we have a difficult task to find one who will so willingly and ably and correctly and kindly fill the office from which only death removed him. He worked long and well and has gone to his rest, and in honor of his life and as a mark of respect for the dead we will dedicate a page of our minutes to his memory.

H. CHIPMAN, Asst. Sec'y.

The annual meeting of the United Agricultural Society took place at Canard on Tuesday afternoon, Nov. 5th. The meeting was fairly well attended and considerable interest was manifested in the discussions. A committee of Messrs J. E. Starr, L. R. Clark and W. E. Newcombe, was appointed to urge upon the Municipal Council to undertake the management of an Exhibition in Kentville in 1896. Mr. Wm. Young was appointed the delegate to the N. S. Farmers' Association. The election of officers resulted as follows: President, W. E. Newcombe; Vice-President, Chas. Ellis; Secy-Treas J. Rufus Starr; Directors: W. M. Manning, Jon. Donaldson, Lev. Clark, Will Burdidge, and Oscar Chase; Auditors, Wm. Cox, and Newton Eaton.

The Football Tour.

The Acadia College football team arrived home Saturday night from their week's trip in New Brunswick. They played games in Sackville with Mt. Allison College, St. John with the city team and in Fredericton with the University of New Brunswick team and the city team. In these they succeeded in defeating the colleges but were defeated by the city team. They speak very highly of the treatment received in the sister province, except at St. John. On their return home they stopped off at Amherst for a day and were entertained by Mr. N. A. Rhodes for supper, and while in Parrsboro Mr. Spencer performed a like service for them. Arriving in Hantsport last Saturday evening they again found friends, for here Mr. J. W. Churchill had anticipated their wants and not only provided them with a sumptuous repast, but conveyed the boys home. The boys were very tired, doing so much travelling, but played well considering the existing circumstances and will not soon forget the games and the kindnesses presented to them on that occasion.

Wedding Bells.

At ten o'clock this morning a pretty home wedding took place at the residence of the bride's parents, Mr and Mrs John Tait, Middleton, when their second daughter, Miss Bertie, was united in holy wedlock to Mr O. D. Harris, one of the leading dry goods merchants of Wolfville. The ceremony was performed by the uncle of the bride, Rev. William E. Hall, of Halifax, assisted by the resident pastor of the Baptist church, Rev. E. E. Locke. The bride was attired in an elegant travelling suit of mixed cheviot and was attended by her little cousin and niece, Misses Etta and Edie Hall, who carried beautiful bouquets of choice flowers. After the ceremony and congratulations the invited guests partook of a sumptuous wedding breakfast, when the happy couple took the west-bound train en route to Montreal via Boston.

Monitor.

The Acadian begs to tender congratulations to our townsmen, and wishes him and his bride much happiness.

WOLFVILLE COAL COMPANY.

CORRESPONDENCE.

To the Editor of the ACADIAN.

Mr. Burton.—The advertisement in your columns over the signature of Havelock Coy, Barrister, of Fredericton, is evidently not intended to advertise the sale of his lots but to publish myself as being famous in promoting the sale of building lots, a quality I did not know that I possessed. I have not been given to much advertising, a simple notice of office and residence is all that I have hitherto attempted, more would be to encroach upon medical etiquette and savor of the chaitain. If Mr Coy wishes to advertise me as an expert whether as a delineator of the advantages and picturesqueness of the scenery of the "Land of Evangeline" or the representative and canvasser of the "beauty and excellence" of building lots in the town of Wolfville and its suburbs, it will doubtless be owing to the kind words of encouragement so generously accorded to me in Mr Coy's advertisement. Mr Coy's motive is transparently apparent. It has never been my province to negotiate the sale of lots to Mr Coy. Several weeks ago Mr Coy agreed to a site having a more desirable location in exchange for his lots, but because the Company would not leave out a part of the restrictive clause stated in the agreement of sale and embodied in the form of deed made use of by the Company, he adopts his peculiar method of advertising and because his caprice was not gratified in this particular he would feign make others believe it was who induced him to purchase and patricially lauded the "beauty and excellence" of his lots.

Yours truly,

G. E. DEWITT,

President Wolfville Fruit Land Improvement Company, Ltd.

Horton Landing Items.

The attendance at Acadia Villa School was never so large as it is at present, where we see 66 boarders and 11 day pupils. The boys are greatly interested in football now and have a very good team, considering that the majority never played the regular Rugby game before this season. Last week they were challenged by the junior Blue Jackets of Windsor and a game was arranged for last Saturday, which resulted in a victory for the Windsor team with a score of 10 to 0. The Acadia Villa boys however, played a grand game and made a good show on the field. After the game the Blue Jackets gave the visiting team supper at the "CITY" Fair and the boys speak highly of the manner in which they were treated, and only wish the Windsor boys had not made the three changes in their team. A return match is however contemplated in the near future and the boys are training hard to make a better show than they had been previously challenged by the Windsor Collegiate School and the great disappointment of the boys.

The Treasurers and Goose Snapper held in the vestry of the Methodist church on Tuesday evening proved, as usual, a grand success. The ladies nobly maintained their reputation of being able to furnish a first class supper. There was a large attendance, many coming from Wolfville and Gasperau, yet enough provisions were left to run it another evening. The gross receipts for the two evenings amounted to nearly \$130.00 so that the net proceeds will run over \$100.

Mrs A. McN. Patterson returned on Tuesday from a few weeks' visit in Truro.

Mr and Mrs G. D. Campbell of Weymouth, visited their son at Acadia Villa on Wednesday.

Dr. Margeson and daughter also visited the school one day this week.

Mrs A. R. Curry is visiting in Boston.

Miss Ada Marie Crowe is expected to deliver another one of her interesting and instructive "Tale Talks" in Dr. Patterson's hall towards the last of this month.

Ladies take time to read this. If you want anything in the line of Silks, buy at Carver's, while they are giving 20 per cent. reduction for this month, November.

T. L. Harvey, Crystal Palace.

Wolfville, Oct. 23d, 1895.

Lots in Wolfville FOR SALE

The subscriber now offers to sell lots of land, each 140 feet x 50 feet, situate in the Town of Wolfville, New Scotia, for the sum of one hundred dollars (for the two lots).

The said lots were conveyed to the owner by Deed dated 12th June, 1894, from "The Wolfville Fruit Land Improvement Company, Limited" for the sum of two hundred and sixty dollars (in cash), having been sold by the Company, by the aid of a plan supported by the testimonials of prominent and influential men of Wolfville, as choice building lots.—This is an opportunity for a rare investment, as on account of the management and methods adopted by the said Company, all lots heretofore sold by them and surrounded by their lands will probably continue to advance in price in the future at the same rate as during the last fifteen months.

Eager purchasers are respectfully referred to Dr. G. E. DeWitt, of Wolfville, the President of the said Company, for a description of the excellent and healthy (of the said building lots) which may not be apparent on inspection to a person not thoroughly acquainted in the "Land of Evangeline." The said lots are described in "The Deed" as follows:—Block G and Lot No. 3 in Block H on the plan of the said Company's lands on file in the Office of the Registrar of Deeds at Kentville. Dated this first day of October, A. D. 1895.

HAVELOCK COY., Barrister, Fredericton, N. B.

BUILDING LOTS.

HAVING SPECIAL ADVANTAGES.

In the Town of Wolfville, on Wolfville Road, situate from three to five minutes walk from Acadia University buildings and the public school.

THE SPECIAL ADVANTAGES ARE:—That immediately in rear of the lots, land can be purchased at reasonable figures.—The land is covered with plum, pear and apple trees, just coming into bearing. The purchaser has the privilege of buying from 25 to 10,000 trees. This notice is genuine and not written by the non-responsible "press" inserted for the purpose of advertising the usual capabilities and merits of demerits of an individual, or to beguile the unwary, but to invite the public to come and see if these things be true.

G. E. DEWITT, President Wolfville Fruit Land Improvement Co., Ltd. 10
