BREDENBURY

SASKATCHEWAN

WE strongly advise **YOU** to buy lots in this new and thriving town if **YOU** are out for your share of the money now being made in Western property. Don't delay any longer. Hundreds of people who took our advice months ago to buy the lands we predicted the best and safest investment are our best customers. **BREDENBURY** is truly a splendid proposition and one of the best we have yet offered to the investor.

Listen to this. **BREDENBURY** was deliberately chosen by the Canadian Pacific Railroad to supersede the old established town of Yorkton, as divisional point on that very important branch of their great system. What does this mean? It simply means that Bredenbury will become another big railroad centre—another Saskatoon. It is already the first divisional point west of Minnedosa, on the Manitoba and Northwestern division of the C. P. R. It is the centre from which converge the various branch railroads which connect in Eastern Saskatchewan all the great Transcontinental Railroads. A line to the south crosses the main line of the Grand Trunk Pacific and taps the main line of the C.P.R. at Esterhazy. A projected line to the north crosses the main line of the C.N.R. at Kamsack and taps the Hudson Bay Railroad at Pas Mission; and another line is talked of from Bredenbury to Prince Albert.

These lines all focus on Bredenbury and pass through the most productive agricultural country on earth. All this means a greater Bredenbury and the best investment the investor could possibly be offered.

You Can't Go Wrong in Buying BREDENBURY Lots Now

Take our advice. This is a long established agency of sterling character which counts its clients by the thousands. Investigate our past records. Ask any man who has taken our advice in past investments. Just remember that **BREDENBURY** has lines of railroads running to all points of the compass, and that its population will exceed the 10,000 mark within a very few years may confidently be expected. Buy **NOW**. **BREDENBURY** offers splendid business opportunities. Any information you may desire will be gladly given by the Board of Trade of Bredenbury.
