PLAY IT RIGHT AND SAVE A BUNDLE!

Somethin' for nothin' is the attractive offer being made by CYSF to the students, faculty and staff at York this Christmas. Whereas most savings cards of this type require a purchase fee on the part of the student, CYSF has chosen to make the glossy blue & wine SUPERCARD available free of charge. The restaurants, autoshops, stores and even the ski resort featured on this page are listed on the back of each SUPERCARD, along with address, phone number and a specified discount. All are offering year-round savings of up to 25% to the card holder. As of today, SUPERCARD has become a hot item on campus. You can pick up yours at the CYSF office in Central Square, and at most public locations on campus.

Available at CYSF Office and Most Public Locations on Campus.
