STRATFORD, ONT., June 9<sup>th</sup> 1911

My dear King

I am glad to hear that you may find it possible to be with us on the 21<sup>st</sup> inst. - The Tories think or pretend to think that they have a winner in Murphy. On the other hand the Liberals are confident of success. In regard to the meetings at Wellesley Mallbank it was my idea to have a meeting at each place on different evenings, the dates to be fixed by yourself. I can adjust myself to your dates & will be glad to do so. I think the evening will be the best time as the former will turn out better in the long.

If you have any other plan in view no doubt it would also be desirable to me -

Hon. W. L. Mackenzie King  
Ottawa

Yours sincerely

J. P. Rankin
