Ottawa, March 10, 1909.

Madam-

The Department has received, through Mr. Supt. Irving, a requisition for supplies for the Eel Ground school. The slates, pencils, etc. asked for will be ordered from the Government Stationery Office at once, but the Department would like to know what series of readers you are using in that school and the name of the publishers of the geographies, grammars, arithmetics and french primers asked for. In future you will be good enough to give this information on the requisitions and also fill in the column showing the number of articles on hand.

Your obedient Servant,

Secretary.

Miss Mary Isaac,

Teacher,

Eel Ground Indian School,

Newcastle, N.B.
