Sir,

I have to inform you
that Mr. School Inspector
Colles in his report of inspection
of the Government Indian
School on the Moravian Reserve
makes the following statement:

"The accommodation is
somewhat limited in extent
now that the school is growing
larger. The partition near the
entry might be removed and
a porch built instead. This
would give nearly 10 feet."

Be

John Beatty, Esq.
Supt. Agent

Highgate, Ont.
