

the revenue should not only meet all necessary expenditure ; but they hope the deficit of the last two years will be gradually paid off from the surplus.

ART CLASSES.

The fourteenth session of the advanced Art Classes commenced on October 17th, in charge of Mr. WILLIAM BRYMNER, R.C.A., who reports as follows:—

The number attending the Classes continues very nearly the same from one year to another. The work being done keeps up to a good standard as shown by the drawings exhibited in the Scholarship Competitions at the end of last session. The new class rooms are a great improvement on the old ones and add very much to the comfort and convenience of every one connected with the School.

The number of Pupils who attended during the session 1893-94, was 32, and up to the present date this session, 25.

There were thirteen competitors for the Association Scholarships at the Annual Competition, the successful ones being:—

In the 1st Section, Lilian Tucker.

In the 2nd Section, Alberta Cleland.

The work of Murray Prendergast received honourable mention.

WATER COLOUR CLASS.

The sixth session of the classes in Water Colour Drawing opened on the 15th September and closed on the 30th October, under the direction of Mr. CHARLES E. MOSS. The attendance was better than last year and aided by fine weather and the facilities afforded by the electric cars many new and varied subjects were found and much conscientious effort was shown ; many of the sketches made had considerable merit.
