Polarine Keeps Friction from Wearing Out Parts

You don't waste time for repairs if you lubricate your car, truck and tractor with Polarine. Polarine kills the friction that grinds away engine life. When the engine runs fast, heat runs high. A poor oil with a low burning point breaks down in body—separates, gums, ceases to lubricate properly. Friction then gets busy, wear is speeded up, and repairs are soon needed.

Polarine keeps its body at highest engine speed and heat. It films over friction surfaces with continuous, unbroken lubrication. It doesn't let power escape from

the cylinders—burns with little carbon, has no acid or foreign matter to impair engine efficiency.

Two grades—Polarine and Polarine Heavy. In barrels and half barrels, and one-half, one and four-gallon sealed cans. Polarine for sale by good dealers everywhere.

Ask the Imperial Oil Man to advise you regarding the lubrication of your car, truck and tractor.

Make Your Ford Ride Like a Limousine

YOU cannot put any accessory on your Ford car that will add more to your pleasure and convenience in riding, or save more wear and tear on the car itself, than a set of

H&D SHOCK ABSORBERS

"Make Rough Roads Smooth"

This is the original cantilever-principle type, protected by Canadian Patent 172892—the logical shock-absorber for Ford cars. Easy to attach. No holes to bore. Weight per set, 20 lbs.

Single Arm Type, Set of Four \$10

Twin Arm Type, Set of Four \$12

These will save your springs; lengthen the life of your tires; increase your comfort in riding and earn their cost in a season. Over 200,000 in use to-day. Remit by Money Order or Postal Note. Use them for 30 days, then if not satisfied with your purchase, send them back and we'll refund your money.
