ELGIN NATIONAL WATCH CO., ELGIN, ILL.

## GOSSIP.

Thirty head of Jerseys from the herd of Dr. Watney, Buckhold, England, sold at auction, July 8th, for an average of £27 17s., or something over \$100 per head. The highest price was £45, about \$225, for Lady Teasel, a six-year-old cow. She has a private butter record averaging 381 lbs. per year for three years. Her dam, Wild Teasel, has a record averaging 419 lbs. for seven years.

The Chief of the World's Fair Department of Live Stock announces that no charge will be made for entries, stalls or pens, in any division of the Exposition live-stock shows. This applies as thoroughly to poultry, pigeons and dogs as to horses, cattle, sheep and swine. It has been approved as a general rule of the live stock department. Chief Courn also states that all prizes will be awarded by individual judges or the "one-judge system." Judging will be by comparison throughout. The judges will be chosen for their special qualifications and their intimate knowledge of the characteristics and qualities that make valuable the breeds upon which they will give judgment, and their awards will be final.

## WORLD'S FAIR-COW DEMONSTRATION.

The cow demonstration proposed as one feature of the World's Fair cattle exhibits at St. Louis next year has been definitely arranged, and on a much broader scale than anything of the sort heretofore attempted. While not in any way neglecting the dairy test idea developed at former world's fairs, it is intended to illustrate in a comprehensive way the practical adaptabilities of the pure-bred cow. The strictly dairy breeds are given opportunities to make a large showing, while features not in the least conflicting with their privileges enable the dual-purpose cows to demonstrate their value for both dairying and beef production. This means a demonstration rather than a competitive test, and will enable each breed participating to show its own peculiar advantages. The Jersey, Shorthorn, Brown Swiss and French Canadian associations have already entered. Entries will be permitted from individuals on behalf of other breeds if received before December 1st. Prizes will be awarded to herds and to individual cows, and entries of from five to twenty-five cows may be by representatives of any one breed. The same cows may compete for herd and individual prizes. The tests will continue 100 days, beginning Monday, May 16, 1904, and will be conducted in four classes, designated as tests A, B, C and D. Test A is for the demonstration of the economic production of butter-fat and butter; B, of milk for all purposes related to dairying; C, of all the products of a cow, and D, for demonstrating the greatest net profit in producing market milk. In class C the calf will be judged for its beef merits. A cow may be entered in more than one class.

Copies of the rules may be had by applying to F. D. Courn, Chief of Department of Live Stock, World's Fair, St. Louis, Mo.

For Sale: 4 bulls, sired by Imp. British Statesman (63729) = 20833 =, 2 reds, 1 roan and 1 white, from 12 to 17 months old. Also a number of calves, bulls and heifers, sired by Imp. GOODFELLOW BROS., MACVILLE, ONT.

## TRADE NOTES.

HONEY is a rare good treat that no one in the country need deny themselves. A little time given to the bees during the year insures success. The trouble of making hives, sections, etc., was at one time a consideration, but these, and all other bee supplies, can now be had from D. Davidson, of Uxbridge, Ont. Fanning mills of several sizes are also on sale by the same manufacturer. The catalogue and price list of all supplies will be sent free on application. Secure one now.

THE BEST OF RESULTS — People who hesitate to invest in a bottle of Absorbine can take courage from the experience of others. Here is what one man says:

Hamilton, Ont., Canada.  
Mar. 3, 1902.

W. E. Young, Springfield, Mass.:  
Dear Sir,—I purchased your Absorbine from a local dealer and am using it on my mare with the best of results. The puffs are just about gone.

Yours truly,  
Thos. Ptolemy.

See advertisement in another column.

## GOSSIP.

A famous Missouri calf case has been in progress for six years, at a cost of about \$3,500, and comes up again in November at Fayette. A calf strayed away and got into a pasture with other calves. It is now a steer worth \$35.

Mr. George Isaac, Bonanton, Ont., the well-known exporter of Clydesdale horses and Shorthorn cattle, sailed recently from Glasgow with six well-bred stallions purchased in Aberdeenshire. He secured two of these from Mr. Charles Lawson, Mains of Cults, and one each from Messrs. Jas. Leys and George Anderson, Fingask. These are useful, well-bred, big horses, says the Scottish Farmer, and are likely to extend Mr. Isaac's reputation as an importer of high-class stock into Canada. Some of the horses were in the prize list at the Aberdeen Show, and others of them have taken prizes at local shows.

The sale of the herd of pure-bred Shorthorn cattle belonging to Earl Manvers, Holme Pierrepont, Nottingham, resulted in the very satisfactory averages of £54 5s. for 47 cows and heifers, and £99 16s. for 14 bulls, or a general average of £81 3s. over the total 61 head. Mr. P. L. Mills paid 350 gs. for the three-year-old red bull, President, by Marengo; Mr. Bunster, 265 gs. for the red yearling bull, Duke of Kingston; Mr. Barker, 205 gs. for the two-year-old roan bull, Conqueror; and Mr. Mills, 135 gs. for the two-year-old bull, Merry Ruthwell. For cows, the top prices included 86 gs., given by Mr. Mills for the five-year-old red cow, Crimson Rose; 81 gs. by Sir Oswald Mosey for the three-year-old red cow, Pierrepont Lady Foggarthorpe III., and 76 gs. by Mr. Bunster for the yearling roan heifer, Mirabel.

## TROUT CREEK SHORTHORNS

JAS. SMITH, Manager, Millgrove, Ont.
