

GOSSIP.

A special offering of Shorthorn bulls, Clydesdale mares and Berkshire pigs is advertised in this issue by Mr. John M. Beckton, Glencoe, Ont., on the G. T. R., C. P. R. and Wabash railways. The breeding of this stock is high-class, as the advertisement shows, and we are assured the quality is extra, while the prices are moderate for quick sale.

Messrs. J. Watt & Son, Salem, Ont., write: We sold our last Shorthorn bull calf to Mr. James K. Campbell, of Palmerston. He is sired by Royal Star and out of Roan Lady, by Barmpton Hero, the same dam as Spicy Robin and Star of Morning, both prizewinners. The cows and heifers we are offering are a very choice lot, nearly all are in calf or raising calves. They will be priced right, and will be a good investment for a man wanting a good animal and wanting them cheap. Our calves are coming on well and we don't think we ever had a nicer lot.

W. J. THOMPSON'S SALE OF IMPORTED SHORTHORNS.

Without doubt the Shorthorns to be sold at Mr. W. J. Thompson's sale, at his farm near Mitchell, Ont., on Thursday, May 9th, will be the choicest offering of the year. In all, there are 35 head, 16 being imported, the balance bred from them. They are all of straight Scotch breeding; are all in grand condition, but not overdone. Every one of the cows will either have a calf at foot or be forward in calf. There will also be sold the stock bull, Imp. Rustic Chief, a Matilda-bred bull, sired by Clan Alpine, dam Ruffy 2nd, by Queen's Guard, grandam by Challenger. He is a roan, six years old, safe, sure, active, and fully guaranteed to be right in every particular. The females are: Princess 4th (imp.), by Fortunatus; she is a Clementina, and has an eight-months-old heifer calf, by the stock bull, and is in calf again. Clementina 10th (imp. in dam) is a four-year-old daughter of hers, by King of Fame; she has a five-months-old heifer calf, by the stock bull, and is in calf again. Jessie (imp.) is a Bessie, by Merlin; she has a roan yearling daughter, by the stock bull, and is due again in May. Sally (imp.), by Ivanhoe, has a roan bull calf at foot, and is in calf again. Primrose 2nd (imp.) is a Rosemary, by Hogarth. She has an eight-months-old heifer calf, by the stock bull, and is in calf again. Red Blossom (imp.) is a Bellona, by Sir James; she has a yearling red heifer and a roan heifer calf at foot, both by the stock bull. Beauty 4th (imp.) is a Jenny Lind, by Mercury; she is well gone in calf. Lettice (imp.) is a Lovelace, by Knight of Straithog. Out of her is an eighteen-months-old red bull and an eight-months-old bull calf, both by the stock bull; she, too, is again in calf. Margaret (imp.) is a Jilt, by Royal George; she is due to calve soon. Rose (imp.) is also a Jilt, by Scottish Prince; she has a year-old white bull and a roan heifer calf at foot. Beauty 32nd (imp.), by Count St. Clair, has a one-year-old heifer and a roan bull calf at foot. Poppea (imp.), by Knight of Straithog, has an eighteen-months-old roan bull and a six-months-old heifer calf, and is again in calf to the stock bull. A daughter of hers is Poppea's Bud, a red three-year-old, by Imp. Nonpareil Duke; she has a red heifer calf at foot. Pride (imp.) is a Pride, by Count Joyful; she has a roan heifer calf at foot, by the stock bull. Crimson Ida is a red Canadian-bred Crimson Flower, by Imp. Hopeful; she has a roan bull calf at foot. Then there is a roan heifer calf, six months old, out of Imp. Red Velvet. Bruce Mayflower, and got by the stock bull. In any considerable numbers, this is likely to be the last chance Canadians will have for a long time of getting so choice a lot of imported Scotch Shorthorns at auction in Canada, and should not be missed by anyone at all interested, as every animal to be offered is a choice individual, and bred in the purple. The terms are 6 months' on bankable paper, or 5 per cent. off for cash. Conveyances will meet all morning trains at Mitchell Station. Catalogues may be had on application.

"Come, Brace Up! It Cured Me and It Will Cure You"

Why do you sit there depressed by gloomy thoughts, with that sad, discouraged haggard face, when there is within your grasp the means by which you can regain your strength, energy, ambition and happiness? It is time for you to brace up, be a man, take an interest in the good things of life. Look at me! Wasn't I in the same condition as you? Now I am happy, full of strength, and ready to tackle any obstacle. Yes, I too, tried drugs, but they failed. Electricity will not fail. Dr. McLaughlin's Electric Belt cured me, and it will cure you. No weak man will ever regret a fair trial of this grand Belt—it has brought health and strength to thousands in the past year. Here is one of the many men cured:

Thos. Bridges, Ashdod, Ont., says: "I have been greatly benefitted by the Belt I purchased from you some time ago. My heart is much better and the rheumatism in my arm has all left. I feel improved in every respect. It has done all you claim for it. Thanking you for the interest you have taken in my case."

Isn't this alone evidence enough to convince any man that we tell the truth? Here is another:

James Hatt, Beech Hill, N. S., writes: "I am glad to tell you that your Belt has proven good. I have never felt as strong and well in my life as I do now. The pains in my chest and back are gone, and I have gained fifteen pounds in weight. I can work every day, and do not feel the first symptoms of pain in my body. It is a pleasure to say that I have at last found a remedy that would cure me of my aches and pains."

Dr. McLaughlin's Electric Belt will make you strong. It will send the warm life blood circulating through your veins. You will feel the cheerful spark warm your frame; a bright flash will come to your eye, and a firm grip to your

hand, and you will be able to grasp your friends and neighbors and feel that what others are capable of doing is not impossible to you.

I want to talk with those who have tried every other known remedy—those who have about given up trying and think that there is no more to be done. Do you think you do justice to yourself to fill your stomach with drugs day after day, when you can't see anything but temporary stimulation in them? (If you want stimulation, take whisky; it is alcohol, like the drugs, and does less harm taken in the same way.) I want to explain how vital power is restored by electricity and I can prove to you that vital power is nothing but electricity. Then you can see that your trouble can be cured by electricity and can understand why drugs don't cure you. Come and let us show you the only road to health, strength and happiness. No healthy person was ever unhappy, because a heart full of vitality is light and joyous and quickly shakes off the gloom and depression which is called grief. Some people are unhappy without cause. That is depression due to weakness.

I have a Special Electric Attachment which I give free to those who wear our Belt. This Attachment carries the current direct to the weak parts and fills them with its warm, vitalizing power; bringing about a sure and lasting cure. Weakness, Rheumatism, Sciatica, Weak Back, Lumbago, Kidney, Liver and Stomach Trouble, Indigestion and Constipation are all quickly cured by this New Method of our of applying "Electricity." Don't put it off any longer. Act to-day. To-morrow may be too late. Here is more proof:

Mr. Gardner Wilcox, Dartmouth, N.S., has this to say:

"I received your letter of enquiry some days since, and I believe beyond a doubt that my cure is permanent, as I have not felt rheumatism or catarrh, my principal ailments, since I got your Belt nearly three years ago. I recommend it at every opportunity, and will continue to do so as long as I live, for I believe it has saved me a world of suffering. I am now 73 years of age, and hale and hearty, thanks to your Electric Belt."

It's easy to be cured my way. You put my Belt on when you go to bed; you feel a glowing warmth passing through your body, and the electric power gives you new life. When you wake up in the morning you feel bright, lively and vigorous, and you wonder where your pains and aches have gone. Our Belt has removed them, and they will never return. That's a better way than making a drug store of your stomach. And who ever saw anybody actually cured by drugs? I tell you drugs don't cure—and if you have tried them, you know it. Nearly all my patients tried drugs first. If you haven't got confidence in my remedy, all I ask is reasonable security and you can pay me after you are cured.

I have a book which every man should read. It tells facts that are of interest to every man who wants to remain young in vitality at any age. Call if you can; if you can't, send coupon for beautifuly illustrated 84-page Free Book.
