The family Something Left Undone BY HENRY W. LONGFELLOW. Labor with what zeal we will, Something still remains undone ; Something uncompleted still Waits the rising of the sun.

By the bedside, on the stair, At the threshold, near the gates, With its menace or its prayer, Like a mendicant it waits-

Waits, and will not go away ; Waits, and will not be gainsaid ; By the cares of yesterday . Each to-day is heavier made.

Till at length it is, or seems, Greater than our strength can bear As the burden of our dreams, Pressing on us everywhere.

And we stand from day to-day, Like the dwarfs of times gone by, Who, as northern legends say. On their shoulders held the sky -Atlantic Monthly.

> A Theft for Life. (From Hours at Home]

Reader, have you ever noticed the savage ex- famished with hunger, and hunger for life, the pression of the figure 7 ; how cold and cruel it thief went forth. October's gold bunished the sky. October's is, without one softening line ?

Our earth has not journeyed around the sun gayest bues lay on the hills, October's blues many times since there came a year of dearth plue brightened sound and river, when through and sorrow indicated by the cruel 7. It was a the streets went the thief of meat the husband year in which rich men grew pale with looking and the father. at the future, and they whose toil was bread The door of his prison, strong and cold, shut

went about the streets, written all over with him in. . . . want. Want of work, want of comfort, want of 'Isn't it nice, oh ! so nice, having enough for home, and a few—thank we God, not they all— bore the wants of little children with them. once?' said Jenny, when they were gone. 'I children watch and listen that ingut, and a few words, just enough to let into his caught a few words, just enough to let into his think that man is going to give father plenty of mind the consciousness that his father was in

I saw hungry, ravenous little eyes, looking work, but I do wish he had let him wait to get out from the depth of strong men's gize, as I some breakfast. He comes from the market, went past them on the thoroughfares. I heard mamma; I used to go with Andrew to buy side, until he had told her how much he knew; the plaint cry of small voices running fiercely meat of him, but he did'at know me up here.- until he had won from her that his father was in through the manly words, ' Can I get any work It's very naughty for you to cry, is'nt it, mam- prison for stealing the piece of meat that kept here !' It was a cold morning in autumn that I map she asked, when she found tears dropping them from starving.

not, connot pay it.

and oh, think of me."

raised his hand to his mouth.

Jenny. . How came it there ?'

drank in the life.

. Waiting. Grace, give me the basket,' Fred One more ravenous than they all-for want this feet were in, want had uncovered his head heard her uncle say, and then he groped up

-looked in. It was he who had let fall the again. Jenny was on the floor, close to the waning tear. The man had a forceful power about him that made me tremble, and I watched him light of the fire, peeping into the treasure-parclosely. From under his heavily-browed eyes, cels, when Fred returned, and her mother

the man of flesh noted his brother go up and awoke. "O mamma,' she cried, ' here is some tea .-down, looking longingly at this, turning away with flerceness from that, until his watch was interrupted. Men came with gold to buy, and the man who brought only want, and hunger, der she did not awaken you. Jenny caught up every fragment of the now

and love, was forgotten. "I cannot, cannot let them die."

"I cannot, cannot let them die. Who heard these words? Not you; not I; duty. "What a darling cup of teal how bright it not the buyers for gold; but unto him who saith, "The cattle upon a thousand hills are makes your eyes, mamma!' said Jenny in the

fullness of her joy. mine,' they went up. In this October twilight, in his prison cell, A hand that had never stolen before, a hand

quivering and pale, went forth. Out from the the thief became an artist. How soft and beau-

of beef was pressed. The coat, woven over want, closed it in, and the thief went forth. That must have the light, for it is this mother :" A great, deep sigh he shock out of his heart ; and clasping the precious morsel tighter and his mother, who only staid with him just long enough to paint the outline of herself on his boy turning westward, taking the south on his way heart, and now, on this night of all others, her tighter yet, he went, going toward the north, till he at length found the place he sought. He son remembered her wonderfully well. She thought to lead his pursuers astray, if by chance seemed to stand beside him and let fall the fin-

gers of her hand, softly winding about them the had been seen by men. There is a voice in that upper room as the curls of his head ; and with a sudden recollection, the thief put up his hand to feel the short, stiff thief draws near. " Papa's soming home ; there ! don't you see hair that had forgotten childhood and curls, and

with a groan he murmured, ' Mother, mother !' "He's walking fast, so fast, mamma,' said the and bitterly he shook off the years that lay behim. Jenny?"

little boy. I guess he's got work this time, and tween, and went weeping back to the threshold is hurrying home to tell us. Isn't it good of of life. The next picture ! How his tears had brighthim ?'

A wan, sweet face lifted itself into view a mo- ened it when he looked up ! A mide-spreading ment, then was pillowed again; and the same river-meadow lay in all its summer sheen of gloment, then was pillowed again; and the same ear that fistened to the husband and father's 'I cannot, let them die,' listened to the wife's un-lined thankfulness. A group of fishermen rested on the river bank. A tiny lipped thank fulness.

Up the stairs came the willing fest, that in boat bad just come to shore, and its fair rowers that cruel year had so often gone up despond. had left it to gather flowers from the field. One bent to treasure a group of summer violets. Her ingly.

It was ready to said, 'Oh! why can I not hear it ?' and he drop- were enabled to spend £800 per month in the be eaten at last.

Again the husband bent over his wife.

Temperance. Drinking Toasts.

A German nobleman once paid a visit to Great Britain, when the practice of toasting and drinking healths was at its height. Wherever be The sweetest little fairy that ever danced brought went, during a six months' tour, he found himit, and she said her name was Grace. I won- self obliged to drink, though never so loath. He must pledge his host and his hostess. He must drink with every one who would be civit to him, thrice precious bits of barrel, and placed to do and with every one, too, who wished a convenient pretext for taking another glass. He must drink a bumper in honor of the King and Queen -in honor of Church and State, in honor of the army and navy. How often did he find himself retiring, with throbbing temples and burning many pieces the hand took one. It was but one; it could never be missed. Closely to a fast-beating heart the fragment of beek was present of the fragment tainment. Assembling those who had done him over the barred window, hung a tiny portrait, honor, he gathered them around a most sumptuous banquet, and feasted them to their utmost content. The tables were then cleared. Servants entered with two enormous hams ; one was placed at each eail; slices were cut and passed round to each guest-when the host rose. and with all gravity said, " Gentlemen, I give you the King i please eat to hit honor." His guests protested. They had dined ; they were Jews ; they were already surcharged through his too generous cheer. But he was inflexible. "Gentlemen," said he, "for six months you have compelled me to drink at your bidding. Is it too much that you should now eat at mine ? I have been submissive, why should you not follow my example ? You will please do honor to your King ! You shall then be served with ano-

ther elice in honor of the Queen-another to the prosperity of the royal family, and so on to

"We shall Eat the Fruit" A blacksmth had in his possession, but un-

An instant more, and the door opened, and into the presence of wife and children the man went—guilty of theft. 'Children, I have food for you,' the fa her said, and he laid down the instrument of life. 'Little, eager, aching eyes devoured the food with sight, before the time.' The wife looked up. The wife looked up. "Come here," she said, and the man drew near and bent low, to hear what she might say. He alone heard the words, but his answer the drint. I had often thought of it before but He turns away almost gladly from the meadow I was persuaded that, should I do it, some stran-"How shall we cook it?" asked Jenny. "I don't care, if its only done right quick," aid the hov: "I am starving !"

said the boy; 'I am starving ' 'Yes, that is it—starving—boy,' said the fa-ther, catching the word and cohoing it, for argu-ment, at the wan, sweet face before him; and

Drink and Commerce.

Five years ago a large number of persons who font, and holy drops of water gleaming on two dents in the neighbourhood discovered to their
