By subscribing now, you help make the plan possible, for if friends of good reading do not subscribe, we dare not run the risk of publishing this class of books at these low prices. Why we cannot give the names of the 26 Books, 1. As they are all to be new books, we do not as yet know their titles. However, they will consist of Travels, History, Biography, Popular Science, Miscellany—all New, Standard and Popular. Remember they will be mailed you every two weeks, post-paid, 2. It would not be politic to give the names in advance; for, if we did, those hostile to the cheap book movement in the book trade could easily combine and cause us heavy loss. Our friends must take our guarantee, that the books will be what we most represent that they will be. The present retail prices of such imported books, cloth binding, as those aggregate from \$50.00 upward. By our plan we will be able to supply those at \$4 to those who subscribe in advance; \$5 to all others. This assurance must suffice. SEND FOR CIRCULARS AND DISTRIBUTE THEM.
