

Put Some "Pep" Into Your Raisin Sales

Tobacco was little used until Sir Walter Raleigh proved how pleasant it was. Now the whole world smokes.

Raisins had small sale until Griffin & Skelley's Brand showed housewives how really delicious raisins could be. Their choice, fresh, full-flavored goodness made raisins more desired by more people more frequently.

Let Griffin & Skelley's put "Pep" into your raisin sales. Whether your customers prefer the seeded or seedless brand, or both, you'll realize how quickly and surely *quality* goods can create bigger business for you.
