This is probably the finest break of Russian Laurel Willows between Winnipeg and the Rockies, planted by me for the Virden Town Park in 1906. I have a surplus of 100,000 Russian Laurel cuttings on hand which I will offer at \$3.50 per 1,000, express paid to any station in Manitoba, Saskatchewan or Alberta. These cuttings are better to soak in water one week before planting and can be planted up till June 1st. For all other varieties of nursery stock you have lots of time to send for my price list. I can express orders on one day's notice.
