

LIVE STOCK MARKETS TORONTO.

The quality of fat cattle was not so good as might be expected at this season of the year, although there were many extra choice lots of both butchers and exporters.

Trade was brisk; in fact so brisk, it is reported that some of the buyers were down at the market at 2 p. m.

For extra quality of fat cattle, both butchers and exporters were decidedly firm.

Exporters—Prices ranged from \$4.70 to \$5.20, but only two loads brought the latter figure. Several loads sold at \$5.10, the bulk selling at \$4.80 to \$4.90 per cwt.

Butchers—Prices were firm especially for the best grades, and all offerings sold readily at good prices.

Feeders—The demand for feeders, especially the short-keep feeders, was greater than the supply at prices equal to exporters in some instances.

Stockers—All offerings of stockers and light feeders were readily bought up at firmer quotations.

Milch Cows—About 15 milch cows and springers sold at \$80 to \$60 each but there were few at the latter price.

Veal Calves—Altho the run was large prices remained steady.

Sheep and Lambs—The run not being, prices were firmer, especially for export sheep.

Hogs—Deliveries were not large and prices remained firm at \$5 per cwt and \$4.75 for lights and fats.

Export Cattle—Choice loads of heavy shippers sold at \$4.90 to \$5.20; medium exporters sold at from \$4.75 to \$4.85 per cwt.

Export Bulls—Choice heavy export bulls sold at \$3.75 to \$4.25 per cwt, and light export bulls sold \$3.25 at \$3.60 per cwt.

Butchers Cattle—Choice picked lots of butchers cattle equal in quality to the best of exporters weighing 1100 to 1175 are worth \$4.40 to \$4.70 loads of good sold at \$4.25 to \$4.35; medium at \$3.90 to \$4.10; common \$3.50 to \$3.50 rough to inferior \$2.50.

Feeders—Feeders, 1050 to 1150 lbs are worth to \$4.40 to \$4.70 per cwt.

Stockers—Stockers, 400 to 700 lbs each, of good quality are worth \$3.50 to \$3.75 per cwt, off colors and those of poor quality but same weights at \$2.50 to \$3.25.

Milch Cows—Milch and Springers sold at from \$50 to \$60 each.

Calves—Calves sold at from \$2 to \$10 each, or at from \$3.50 to \$5.50 per cwt.

Sheep—Prices \$4.00 to \$4.50 per cwt for ewes, and bucks sold at \$3.00 to \$3.50.

Hogs—Straight loads of hogs, 150 to 200 lbs in weight are worth \$5.00 per cwt., and lights and fats at \$4.75 per cwt.

If the churches form a union, look out for a general strike for shorter services.

George W. Smith, who was imprisoned agent at Rockwood, and forged the names of well known farmers to notes aggregating, it is said, \$3,000, will spend five years in penitentiary. That sentence was passed upon him by His Honor Judge Chadwick at Guelph on Saturday morning. The judge allowed the five and a half months already spent by the accused in jail, to count as expired time on his sentence.

A BIG FAMILY.

New names have to be designed every year to accommodate the Disease Family but they all revolve around one cause—The Stomach. The receptacle of all you eat or drink cannot help but get crippled—very few escape. How can they? Just think of what lands in the stomach in a few hours—All sorts of things—sour, sweet, acid, starchy, light heavy, vegetable and animal; all this raw material is tumbled into the stomach without much thought as to the order of its going, every particle of which has to be worked over, digested, and converted into food for nerves, blood, brain, kidneys, liver and bowels for every tissue, cell and fibre of the body. Sometimes the stomach is overloaded, shocked and deranged and cannot do its work properly, and right here begins the starting point of disease, as no organ now receives proper nutriment and usually the weakest cry out their warnings. That's why a well stomach means a well body, and that's why ANTI-PILL has such a marked effect. It soothes the irritated linings of the stomach, and so acts on the mucous membrane that they necessary supply of gastric juice to secure digestion is assured—ANTI-PILL, the Great System Treatment makes a well stomach.

Johnnie McNeil, a bright lad, eleven years of age, son of Mr. Joseph McNeil Manager of the Bank of Hamilton of Chesley, lost his life by drowning at 5 o'clock last Saturday. He and a brother two years older were out on a raft fishing on Mr. Estan's mills pond, and while moving to another position on the raft he lost his balance and fell into the water, where it was about six feet deep and sank to the bottom. The body was recovered in about twenty minutes after the accident.

Mr. Chas. Hayes, second vice-president and general manager of the Grand Trunk, has written a letter to justify the increase of rates in Ontario of the Grand Trunk. He states that the company cannot have their expenses and taxes materially increased and also increase their capacity at great cost without adding to income by raising the rates to reasonable extent. The increase applies to all the lines north and west of Toronto.

Mr. T. A. Harris, license inspector of Durham, had Mr. Henry Rittinger of Neustadt, hotelkeeper, up before Police Magistrate Ryan on Thursday for a breach of the Liquor License Act. Mr. Harris had five witnesses against the hotelman but they all protested innocence and the case was dismissed.
