

## SPRING IMPURITIES MEAN WEAK BLOOD

A Tonic Medicine is a Necessity  
at This Season.

Dr. Williams' Pink Pills are an all year 'round tonic, blood builder and nerve strengthener. But they are especially valuable in the spring when the system is clogged with impurities as a result of the indoor life of the winter months. There is no other season when the blood is so much in need of purifying and enriching. In the spring one feels weak and tired—Dr. Williams' Pink Pills give strength. In the spring the appetite is often poor—Dr. Williams' Pink Pills improve the appetite, tone the stomach and aid weak digestion. It is in the spring that poisons in the blood most often find an outlet in disfiguring pimples, eruptions and boils. Dr. Williams' Pink Pills speedily clear the skin because they go to the root of the trouble in the blood. In spring anaemia, indigestion, neuralgia, rheumatism and many other troubles are most persistent because of weak, watery blood and it is at this time when all nature takes on new life that the blood most seriously needs attention. Among those who have proved the value of Dr. Williams' Pink Pills is Mr. Archie D. Carmichael, Tarbot, N.S., who says: "For a number of years I was bothered with pimples which would break out on my face and body. The trouble was always worse in the spring, and although I tried different treatments, it was without much success. In the spring of two years ago, the trouble was worse than usual, and although I was taking medicine it did not help me until I finally decided to try Dr. Williams' Pink Pills. Under this treatment the pimples disappeared, and there has since been absolutely no return of the trouble."

Dr. Williams' Pink Pills can be obtained from any dealer in medicine or by mail at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams, Medicine Co., Brockville, Ont.

## WILL IMPORT NO POULTRY

POULTRY ASSOCIATION WILL  
WAIT TILL EXCHANGE IS  
AT PAR

Instruction in Poultry Raising to be  
Given Soldiers in Hospital

Kingston, Mar. 31.—Resolved: That we, the members of the Kingston Poultry Association, go on record as being thoroughly opposed to buying or importing any fowl or poultry supplies from the United States until such time as Canadian currency be received by that country as 100 cents on the dollar.

This was carried unanimously at the regular meeting held on Thursday, March 25, every member pledging himself by a standing vote.

The meeting was one of the most successful ever held by the Association and a large number were present. The meeting opened promptly at 8 p.m., President Whitley in the chair.

The judges for the next exhibition which will be held in the Armouries next November, were selected. They are Mr. George Robertson, assistant director of poultry husbandry at the Ontario Experimental Farm, Ottawa, and Mr. Luntz, of Mount Forest. With these two competent men engaged all exhibitors are assured of a square deal.

The subject of increasing the membership fee was taken up. It was felt that \$2.00 per annum was necessary to carry on successfully, and this amount was decided on. For the present the increase of \$1.00 would be optional on the part of all members who are not exhibitors at the annual show.

It has been arranged that during the next few weeks the members are going to visit the military hospitals of the district, giving a series of film features on poultry subjects, hatching and raising of chicks, etc. The members will meet at a central point and be conveyed to the institutions. Each member, as far as he may be able, will act as an instructor by answering any questions asked by the patients individually. A large turnout is assured and much benefit to the patients is expected from this little enterprise. The plans have been heartily endorsed by the Minister of Agriculture, and he has kindly assured the Poultry Association of support and assistance.

Poultry raising appeals to these crippled heroes, as many will never be able to follow occupations that incur great physical exertion. The films that will be shown have been prepared for the Agricultural Department of Ontario, for work along

these lines. The district representative, Mr. A. W. Street, is also interested in the work, and is supplying the machine and operator, if needed.

## Warden For Kingston "Pen"

J. C. Ponsford Secures Much Sought  
After Position

Kingston, Mar. 29.—J. C. Ponsford, warden of the Alberta Penitentiary, which was closed recently at Edmonton, Alta., upon the removal of the inmates to Prince Albert and Stony Mountain, has been appointed warden at the Portsmouth Penitentiary, succeeding R. R. Creighton, who resigned in September, 1919, to take a position in the office of the Department of Justice at Ottawa.

Mr. Ponsford, whose home is in St. Thomas, was appointed warden at the Stony Mountain Penitentiary in 1913, when Lieut.-Col. Irvine was transferred to Portsmouth. Later he was appointed to the institution at Edmonton.

## Address and Presentation

On Tuesday evening, Mar. 23rd, about fifty of the friends and neighbors gathered at the home of Mr. and Mrs. Judson Kelley, of Sidney Crossing, to spend the evening with them before their departure for their new home. At an early hour the meeting was called to order, with Rev. Mr. Mytton acting in the capacity of chairman. The following address was then read by Mrs. Jas. Donaldson:

Dear Mr. and Mrs. Kelley and Mr. Webster Kelley:

We, your neighbors and fellow-members of White's Church, have gathered this evening to express our regret that you find it necessary to leave our midst.

While we are glad that you are not moving entirely out of our reach, we shall miss you greatly in the closer association of which we shall now be deprived.

You, Mr. and Mrs. Kelley, have in the past given unsparringly of your time and energy to every good work; and especially we must mention your service in connection with the Sunday school, where you were faithful workers. While of late, owing to physical disabilities, you have not been able to be much with us, we are sure that your sympathy and prayers are always ours. You have also proved yourselves true neighbors; and while we shall be poorer for your going, another neighborhood we know will be enriched by your presence.

And you, Mr. Webster Kelley, we shall miss none the less. Your quiet Christian life and unflinching neighborly kindness have always been an inspiration and a help to all who have known or come in contact with you. Now while we deeply regret the loss of three Christian friends and neighbors from our midst, we wish to make some slight expression of our appreciation of your life among us, and we therefore ask you, Mr. and Mrs. Kelley, to accept this table, and you, Mr. Webster Kelley, these slippers, with the hope that they will sometimes remind you of pleasant associations and your many friends here who will follow you with their prayers and good wishes for health and happiness in your new home.

Mr. Jas. Donaldson, Bruce Hogle, Charles Moon, Seldon Ketcheson, Messrs. Ritchie Ketcheson and Will Jeffery made the presentation, which was a handsome round oak dining table.

Mr. Kelley made a suitable reply thanking the donors on behalf of himself and wife for their kindness and so appropriate a gift, after which a dainty lunch was served by the ladies. Owing to the illness of Mr. Webster Kelley there were not as many present as would have been, and the gathering broke up at an early hour.

Mr. Kelley has sold his farm to Mr. Jacob Thompson and has purchased a home at Centenary.

## Wedding Bells

ROLLINS—FRANCIS

At the Methodist parsonage 1010 Main St., Moose Jaw, Sask., Tuesday, Mar. 23, by Rev. Dr. Crummy, Mary Laura, daughter of Mr. and Mrs. Robert Francis, 2nd of Sidney to M. Robinson Rollins, of Luseland, Sask., formerly of Ivanhoe, Ont.

CUNNINGHAM—WEESE

A quiet wedding took place on Tuesday, Mar. 23, at "Willow Knoll", Ameliasburg, the home of Mr. and Mrs. Morton B. Weese, when their elder daughter, Carol, Margaret, was united in marriage to Mr. Harry W. Cunningham, younger son of Mr. and Mrs. Fred Cunningham, of Ameliasburg. The ceremony was performed by Rev. L. M. Sharpe of Rednersville, in the presence of only the immediate relatives of the contracting parties.

The bride, who was given away by her father, looked smart in a Spring suit of French blue Jersey cloth with white corded silk vest and georgette blouse, a small white feather toque with wings, and carried a sheaf of sweetheart roses.

The couple was unattended except for the bride's little sister, Geraldine, as ring-bearer, who wore a frock of all-over embroidered swiss with blue ribbon trimmings and carried a basket of pink and white carnations.

The wedding march was played by Miss Andra Brickman, who also sang very sweetly "Because" during the signing of the register.

Immediately after the wedding luncheon the happy couple left by motor for Belleville en route for Ottawa, amid a shower of confetti and good wishes. Upon their return on Friday evening a reception of over eighty guests was held by the groom's parents at "Evergreen Farm." Unfortunately the couple did not arrive until very late, owing to an accident on the C.N.R. tracks near Smith's Falls causing a delay of over seven hours. The bride's reception gown was of shell pink crepe de chine with rosebud bandings and satin girdle.

The groom's gift to the bride was a handsome cheque; to the little ring-bearer, a pearl ring, and to the soloist, a Morocco leather purse. The other wedding gifts included a cheque from the bride's father, several pieces of mahogany, wicker and oak furniture, silver, cut glass linen and china.

Mr. and Mrs. Cunningham are to reside in Victoria, Ameliasburg, where the groom has purchased a farm and where the bride will be at home after May 1st. The best wishes and congratulations are extended.

## His Ideal

My mamma took me out to see.  
A lady, and we stayed for tea.  
She had ice cream, and a little girl  
Whose eyes were blue, and her hair  
Real curl;

I gave her a worm and a toad and a sack,  
But she screamed and ran—and I'll  
Not go back!

Last summer, down beside the sea,  
I met a girl named Emmy Lee;  
Her face is freckled, her hair is red,  
But Emmy Lee I'm going to wed,  
For she doesn't run from worms,  
Toads and things,  
And she sits in the sands and sings  
And sings!

Written for The Ontario by Hazel  
Alsea Asselstine.

## Queen's Girls' Exhibition

OF GYMNASTICS AND DANCING  
Under the Direction of Miss Ruth  
Clark, the Girls Give a Most  
Pleasing Demonstration

Kingston, Mar. 31.—Those who were fortunate enough to attend the exhibition of gymnastics and folk-dancing given by the girls of Queen's University on Friday evening, under the able direction of Miss Ruth Clark, enjoyed a rare treat. The untiring efforts of their friend and director, coupled with the wonderful and versatile adaptability of the girls, brought forth a result which astonished and delighted the throng of spectators that filled Queen's gymnasium.

The gymnastics and drill exercises in the opening numbers were marvellous demonstrations of the speed and endurance which may be attained with good instruction and long practice. The boys of the university were very much surprised, to say the least, when they observed several of their gentle sister-students climbing the ropes which hang suspended from the gym roof, hand over hand.

Miss Clark, accompanied by Miss Bessie Dolan at the piano, gave an exhibition of aesthetic dancing, which was the co-ordination of a wonderfully developed physique and a perfect sense of rhythm. In response to the storm of applause which followed her first dance, Miss Clark graciously consented to render a shorter but not less beautiful effort, which was a worthy sequel to her first number.

The folk-dancing, very quaint and pretty, was executed with remark-

able grace and precision. Flemish, Swedish, French and English lads and lasses tripped merrily through the intricate steps of their national dances, and at the end formed a "league of nations" for the singing of the National Anthem.

## Coal Situation Too Uncertain for Prices

Montreal, March 31.—That there was nothing certain in the coal situation which would warrant them in making a definite statement as to whether there would be an increase in the price or not, was the consensus of opinion gathered among coal dealers of the city. Prices of coal at the mines, freight rates and exchange rate would have to be known first, and none of them is fixed.

Mr. John Lewis, Fuel Administrator for Quebec, thought that if the scale of miners' wages as a result of the present arbitration was increased, the consumer would have to pay.

## OBITUARY

MRS. ELIJAH GOLDSMITH

The remains of the late Mrs. Elijah Goldsmith arrived here on Tuesday from Chicago and were laid to rest in the family plot in Belleville cemetery. Her son Dr. A. A. Goldsmith accompanied the remains. Mrs. Goldsmith was in her 79th year.

MRS. VANALLEN

Mrs. Vanallen, of Hamilton, passed away on Monday evening at her home. She was the mother of Mrs. L. R. Butchart of Bridge street, Belleville. Mr. and Mrs. Butchart left for Hamilton on Sunday. The funeral took place today at Cannifton.

DAVID WATERS

David Waters, who had been in ill health for some time, passed away at four o'clock this morning at his home, 20 Hillcrest Avenue.

The late David Waters was born in Lybster, Caithnessshire, Scotland in 1850. At the age of twenty years he came to Canada and settled in Campbellford. About twenty years ago he came with his family to reside at Belleville. Mr. Waters followed the business of merchant tailoring, in the conduct of which he became widely known. He was a member of St. Andrew's Presbyterian church. Surviving are his widow, four daughters, Bessie, of Belleville, Grace of Military Hospital, Kingston, Marjorie, of Utica, N.Y. and Mamie, of Belleville and one son, Dave, also of Belleville.

Mr. D. M. Waters, of this city, is a brother of deceased.

The deepest sympathy is extended to the family in their bereavement.

WALLBRIDGE

Sunday school was well attended on Sunday.

Mrs. Richardson, of Toronto, is visiting Mrs. C. Massey and friends on this vicinity.

Mr. Allen, of the Northwest, formerly of Madoc, is visiting Mr. and Mrs. T. Cassidy, fourth of Sidney. Miss Whitty, front of Sidney, also Miss E. Barker, attended church Sunday evening.

Mr. and Mrs. Jno. Hinchliffe took tea with Mr. and Mrs. L. Sine Sunday evening.

The annual Easter meeting of the W.M.S. was held in the church on Sunday morning. There was a good attendance. A good program was provided by local talent and excellent music by the choir.

Miss E. Chumby took dinner with Mrs. Lena Hinchliffe on Sunday. Sorry to report the death of Mr. H. Langbecker, father of B. Langbecker, on the 28th inst.

Mrs. Leonard Sine has returned home after visiting her daughter and friends for a month in Murray.

The lion has turned up again on the last of March. This cold snap will bring more sap.

Mrs. W. Coen visited Mrs. T. Mills last week.

NOVELIST AT FIFTEEN

The latest addition to the ranks of literary prodigies is Carl Morris, a boy of fifteen and a half, from whom a London firm of publishers has just accepted a 10,000-word novel, entitled "The Power of Love."

It was accepted on its merits alone. Carl selected a publisher haphazard from a list he found in a periodical and sent the manuscript by registered post without disclosing his age. The publisher was amazed when he learned the facts about the youthful author, and asked for more.

## Battery Repairs and Re-insulation Better Service—Better Batteries

Battery repairs are often the result of failure to use that service which Willard has established for the car owners of America in over seventeen hundred places.

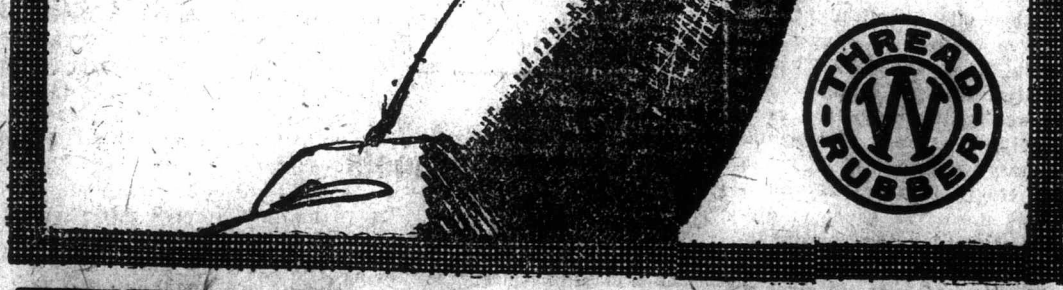

There are two distinct sides to Willard Service: One is paid service—curing battery troubles by skill and thoroughness in handling repairs—doing the job in a workmanlike fashion so that it doesn't have to be done over.

The other side of Willard Service is prevention of battery trouble—and that you do not pay for. Registration of new batteries for special service, cards entitling any owner to testing and filling, good advice, informative literature and general helpfulness.

Every Willard Service Station sells the Still Better Willard Battery—a battery that was already better in material, workmanship and record of service, and was made Still Better by the invention of Threaded Rubber Insulation.

## Church Union the Subject of Winnipeg Man

M. A. Howlett States That Present  
Form of Denominationalism  
Will Break Down

Mr. M. A. Howlett, of Winnipeg, delivered an inspiring address before a large and attentive audience at the City Hall on the subject of Church Union. The speaker pointed out that the mere statement Church Union clearly implied there had been up to this time dis-union, so why after 1800 years speak of Union. Contrasting this with the Scriptures he proceeded to show how the true Church had always been perfectly in harmony one unit with another and with their Lord, and that she

STANDS FOR EVERYTHING PURE  
AND RIGHT IN MILLING

The Good Judge again reminds the farmers of the possibility of sowing increased quantities of spring crops. In addition to the report that Europe will want a large quantity of products, comes the report of possible damage to Western crops from the grasshopper pest. If we can successfully raise Spring Wheat, and other grains we will be more independent of the West. There should not be difference that now exists between Ontario and Manitoba. Wheat, and if the wheat board discontinues control this margin will be reduced.

The Judge Jones Milling Co., Limited,  
Belleville, Ont.

did not heed a Union of the kind contemplated. The word Church, he said, is from the Greek word Ecclesia, which means body, and so would include the whole body of the consecrated Christians from the time of Jesus until now. Continuing he said: "A woman is used in Scripture in symbol to represent the church, and is so spoken of by the Apostle Paul in II. Cor. 11:2—"I have espoused thee unto one husband, that I might present thee as a chaste virgin unto Christ." Eph. 5:22-23; Ps. 45:10. A false church system is spoken of as a harlot, and when reading particularly in the Revelation regarding harlots, one is really reading of a false church system that is making pretensions to being the Bride of Christ. The speaker emphasized the fact that he did not wish to be understood as meaning that there were no well-meaning people in the various systems, but was glad to confess his belief that there were thousands, but that these symbols applied to systems, and not to individuals. The speaker contrasted the belief of "free grace" with the belief of "election" and showed how that one being the antithesis of the other, both could not apply to the same period of time, and yet both were scriptural. Using Acts 15:14-18, he showed how this present age is the time in which God is trying to convert the world, but rather "calling out a people after His name," i.e. "the Bride elect," and that the age to follow would be the age of free grace when "the residue of men might seek after the Lord and all the Gentiles on whom my name is called saith the Lord" (Acts 15:17).

The speaker called attention to the treatment the Christian should expect to receive as was foretold by the Master in Luke 21:19-19, because of his persistently and consistently preaching the establishment of God's Kingdom and the ruins of the old (Ps. 2:9, Rev. 11:15) which preaching would be more or less looked upon as sedition and as being contrary to the present existing order of affairs. The 17th and 18th chapters of Revelation, he said, arraigned the whole ecclesiastical world in its present organized form from God's point of view and showed the judgments of the Lord coming upon her for her centuries of religious hypocrisy. Just as Russia in her great upheaval overthrew the great church system which had ground her down in ignorance, error and superstition. So will the peoples of this great continent rise up against the present form of denominationalism, and which will release millions of people who have been bound in creedal bonds and by denominational barriers of prejudice. Then the prophetic statement of Zephaniah will be fulfilled, Zeph. 3:8-9—"For then will I turn to the people a pure language that may all call upon the name of the Lord and serve Him with one consent."

## Personals

Mr. H. H. Horsey, Liberal candidate for Prince Edward county, was in the city yesterday.

Mr. Elmer Williams who has been in Kingston hospital for three weeks is somewhat improved and is expected to be home in a week's time.

Mr. J. T. Delaney, furrier, has been in Montreal during the past two weeks attending the fur auctions and making a thorough study of the designs for next season's models.

Mr. George McTaggart, of West Huntingdon, left yesterday for Detroit, Mich., where he expects to reside in future. Mr. McTaggart is a veteran of the Great War. He went overseas with the 39th battalion and was in very important engagements from the Somme to the final capture of Mons on Armistice day. He had the good fortune to come through without sickness or injury of any kind. He has three aunts resident in Detroit.

A Cure for Rheumatism.—A painful and persistent form of rheumatism is caused by impurities in the blood, the result of defective action of the liver and kidneys. The blood becomes tainted by the introduction of uric acid, which causes much pain in the tissues and in the joints. Par-mele's Vegetable Pills are known to have effected many remarkable cures, and their use is strongly recommended. A trial of them will convince anyone of their value.
