St. the Forest is the best Medical School!

That proposition stands against the known Faculty in the reputation and opinions of all the Forest; proposed to all only for trial; and proved in every kind, Silent and insidious complaints of the Stomach and Bowels.

DR. HALSEY'S
GUM-COATED
FOREST PILLS.

(A Homœopathic preparation of vegetable extracts.)

These Pills are prepared from the best Gums of the Forest, and contain all the curative virtues of the highest Medical virtues. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauseating or restraining; can be taken at any time without hindrance from business, change of diet, or danger of taking cold. They neither have the taste or smell of medicine, and are five times more effectual in the cure of disease than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already been restored to health and comfort. Invaluable gleam over by their Physicians as incurable have found relief, and been restored to sound and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and death in families than all other causes of disease put together. In the latter part of September and Autumn, when the atmosphere everywhere is poisoned from miasmas, and the rank vegetable pools and decayed vegetation, Bilious fevers are taken down by indigestion. Fevers, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No person can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superficiality of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, sleeplessness, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is bilious, the neglect of which in cure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 4 to 2, of these mild and excellent Pills for a child, from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing, all manner of bilious attacks and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive and the stomach in a torpid condition. Dr. Halsey's Forest Pills act on the gall-ducts, and carry off morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which excite the fluids of the body and separate the impurities from the blood. While they remove the bile and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They neither cause griping nor any incontinence whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted have induced thousands to commend them to their friends and the public—individuals of worth and integrity in almost every part of the country have testified to the world in favor of their great effects in curing disease.

Testimonial after testimonial has come of great powers of curing in all cases, entire sheets of disease have been handed to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

Utica, November 9, 1850.

Dr. G. W. Halsey,—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But at this time having two boxes of your Forest Pills on hand, I gave them a trial to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

NOTICE TO THE PUBLIC.

In 1845 Dr. Halsey's Pills were first made known to the public, under the appellation of "Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good-will Dr. Halsey's Pills had gained by curing human suffering.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC,

An article which in every respect supercedes Sugar, both on account of its healing virtues and its durability. The discovery of this improvement is the result of a succession of expensive experiments, upon the part of the Proprietor, at his own cost, and is now secured by Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseous taste of Medicine. In order to avoid all impositions and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.

Reader!!! If you wish to be sure of a medicine which does not contain that lurking poison, Calomel or Mercury, purchase HALSEY'S GUM-COATED FOREST PILLS, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, seek for HALSEY'S PILLS.

If you would have the most concentrated as well as the best compound *Sarsaparilla Extract* in the world for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be subjected to a Physician's bill of 20 or 30 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakness, procure HALSEY'S PILLS, and avoid Salts and Castor Oil and all common purgatives.

Parents, if you wish your families in continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitution. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. HALSEY'S PILLS, as a preventive of the "HORRORS AND COLLIC," of which the inexperience dreaded is a sufficient evidence. We shall, probably, inquire for the Winter a further supply of FORTY OR FIFTY DOZENS, which we can forward at first convenience by one of the Canada Steamers, via Liverpool, for

R. R. R.
THE PROPHECY FULFILLED.

In the month of October, 1850, a prediction was published that we should, in the course of a few months, produce a remedy that would instantly stop the most severe pains of life, and speedily cure any disease in the country.

We proposed to Hospitals, and all other Institutions for the Medicine of the afflicted, to Publishers, Surgeons, and Ready Relief for their investigations, and to illustrate its merits and extraordinary power over pain upon the patients.

We claimed that it could stop pain, in a few minutes, the most violent, whether Gout and Rheumatism, or any other complaint that had baffled the skill of Physicians, or any of the ravages of that great plague, the Cholera—that in a few minutes it would control the most violent fever, cold, and influenza, and in a few minutes, check the most violent coughs.

That in a few minutes it would relieve the most severe pain in the head, that Bilious ailments it would stop in a few minutes, that Neuralgia it would control, that Spasms it would instantly relieve and control, that Sickness in fifteen minutes, that effectually, that the most distressing Diarrhœa.

That it would in an instant mitigate the cruel pangs of Neuralgia, and in a few minutes cure the most excruciating Toothache. That it would instantly stop the most tormenting headache in a few seconds.

That it would relieve all fibre-centic pains in fifteen minutes, and cure many Chronic cases of Rheumatism in a few hours.

That it possessed a miraculous soothing and relieving influence over all pains originating from Internal Inflammation, Nervousness, and Bilious complaints, and that the patient suffering the most excruciating torture, would feel its soothing influence in a few minutes.

The world was startled at the announcement of our discovery. The wise sayings of Medical Science shook their heads in doubt. The sick and afflicted hoped yet feared to try it; the unbelieving scoffed at the possibility of such a thing; but by practical experiments; thousands who were suffering with the most excruciating pains, at once resolved to try it; the consequence was, that from almost every village, town, city, within 200 miles of New York, we were the daily recipients of orders for our extraordinary remedy. The people tried it and found it good; the most torturing pains were mitigated, many of those victims of Rheumatism, who had been bedridden for years, were suddenly relieved from pain and restored to health; the sufferers with Neuralgia, Sciatica and Nervous Head-Ache, Chill Fever, Diarrhœa, Cramps, Spasms, Cholera Morbus, and, in fact, all painful and distressing Acute complaints, were suddenly relieved from their tortures, and restored to health. Its fame spread from city to city, the people sounded its wonderful virtues far and wide, and ere the earth had run its yearly course,
