WHAT THE PEOPLE GET BACK. It has been the policy of the Whitnev Government to return much more reductions in charges. to the people than was the case under Liberal rule.

The former grants on behalf of building roads, in supporting their schools, in providing for the sick and the poor, and in reducing municipal Whitney's Regime taxation have been increased thus since the Whitney Government took

onice.	1904	1913
From railway taxes	Nothing	\$ 82,097
From license fees		341,977
For the schools		703,682
For roads	97,031	288,367
For colonization roads	166,532	406,341
For hospitals and char- ties	235,966	368,402

to the people \$1,175,738 more in a year than the Ross Government did.

### IN NORTH BRANT.

In the north riding Mr. Westbrook winning fight, and the prospects are excellent.

A young man, not personally known to any extent except in his own portion of the constituency, he went into the fight last time and won out by the respectable majority of 176.

He is generally and thoroughly well known now, and his rapid advancement in public life and future prospects are generally recognized and appreciated.

good on behalf of good legislative thank you. measures and in looking after the legitimate interests of his constituents, and he is thoroughly entitled to ney Government will be handsomely

hearty and continued support. That he will receive it goes without any question, and the issue in reality is simply the size of the majority if the good work is kept up, as it will be.

### FINE WORKERS.

more enthusiastic band of workers election. than those who have pitched in on behalf of the Conservative cause in small amount of apathy would help wise teachers. to spell defeat on election day.

A candidate may have a hundred cerned.

That the warmed to the task in such magnificent style spells certain victory on June 29th.

With the same amount of enthusiasm-and there will be for the balance a great liking for soldiers.

profit of more than \$30,000 for the a real militant mood. first six months of the current year, from 15 to 25 per cent. In spite of alded as a great moral purist. this cut the enterprise shows a profit is increasing all the time.

The receipts amounted to

price of power.

"The profits are much higher than lished ten times more. we anticipated," said Mr Pocock. "As If Mr. Ham is such a great friend down to square business., money, but to give the people en-ergy at a price as near cost as pos-ingmen get a reduced electric light reduction next year. When we reduct more users of Hydro there are.
