MARVELLOUS COBB'S DECADE IN DETROIT

Unparalleled Record of the Greatest Player in the Game.

Detroit, Aug. 26.—In their excitement over the hot fight the Tigers are making for the pennant, Detroit fans almost forgot that Tyrus Raymond Cobb, star center-fielder and idol of the baseball world, completed ten years of service with the Tigers yesterday. The occasion was marked by no special ceremony other than the presentation to the famous Georgian of a huge bouquet of "American Beauty" roses.

SPECTACULAR ANNIVERSARY

Cobb, punctuated, however, his anniversary performance with several spectacular plays, and ended the afternoon by scoring the winning run for his side in an overtime game which had kept the 12,000 spectators on their toes for three hours. Usually a major leaguer after ten years of service is beginning to show signs of wear, but Cobb is to-day, if anything, more brilliant than at any previous time in his career.

HE HAS NEVER HIT BELOW .300.

The marvellous Georgian has played nine full seasons with Detroit, getting into only 41 games in 1905, his first year. In these nine complete campaigns he has never failed to hit well over .300, his lowest being .320 in 1906, and his highest .400 in 1911. He has topped the American League batting since 1907, and is sure to do so again this season, making a total of nine years of leadership, a record never even approached by any other player.

In addition to his prowess with the ball, he has led the league in stolen bases several times and always has ranked among the most brilliant fielders.

It is impossible to overestimate what Tyrus has done for baseball in Detroit. Largely because of his wonderful work the club has been a factor in almost every pennant race since he joined winning three pennants in that time and finishing in the second division but twice since 1906.

THE PER OF THEM ALL.

There may have been other great hitters and base runners and fielders in the game, but there never has been another Cobb. He is above and beyond all rivals, past and present, a miracle man combining great ability in all departments, with the courage, spirit and intelligence to make the most of his own talents. Not content with playing the game as others play it, he creates baseball.

SIR SAM HUGHES WAS ACCOMPLISHED ATHLETE

When Sir Sam Hughes was a lad he was a great athlete. He was one of the best mile runners in the whole of North America. He was also a great lacrosse player and football player. He developed a magnificent frame in these days.

TO MILES IN 6 MINUTES

Chicago, Aug. 27.—Bob Perry, a college motor cyclist, made an average of 23 miles in 6 minutes.

age of 95 miles an hour here to-day when he established a new ten mile record of 6.05 over the new wooden speedway.

The Leafs were idle again yesterday, but they will tackle the Providence champions in the Rhode Island city to-day.

Dick Rudolph has failed to duplicate his pitching of last season. That and the fact that Bill James is out of the game will probably prevent the Braves coming through again.

The Dognon Grays, a shop team that plays in the New York independent field on Saturdays and Sundays, boasts in its line-up these players: Billy Gilbert, Mike Donlin, Andy Coakley, Jerry Hurley, Doc Scanlon, Heimie Batch, Bill Dahlen, Al Klett, Dave Carberry and Al Clinch.

It is stated in Philadelphia that the first 50 home games of the Phillies drew 360,000 people, an average of 7,000 to the game, and it is further stated that the Philadelphia National League club will clear \$100,000 on the regular season, with world's series profits still in prospect. It is great to have a winner.

The pennant race in the American League has become a mere matter of pouring out dollars, and we have the old evil of club owners boasting about how much money they have and how they are willing to spend it buying a championship. Every move lately seems directed to weaken the weak and strengthen the strong, absolutely the wrong principle.

Bert Maxwell, once pitcher for the New York Giants, later with the Feds and then manager of the New Haven Colonials, has entered a hospital in New York to have an operation performed on his arm that has never been of use since it was broken. He will probably never again play ball. Cad Coles has succeeded him as manager of the New Haven Colonials.

Frank Gilhooley, outfielder and leading batter of the International League, has been ordered to report to the Highlanders at Cleveland. Gilhooley was purchased from the Buffalo club. He was once with the Highlanders, when Frank Chance was manager. Gilhooley has been leading the league in batting and run-getting. Buffalo received several players in return.

Armando Marsans, the Cuban infielder of the St. Louis Peds, will be out of the game for at least two weeks. Marsans was seriously spiked in the game with Chicago and Tuesday. It was the fourth game he had played in nearly two seasons, as he had been kept out of the game by an action taken by the Cincinnati Nationals, from which club he jumped to the Federals.

Football

A meeting of the Brantford and Paris Football Association took place last evening and it was decided to play the all-star game on Saturday next which was postponed from last week on account of the rain. The team to represent the rest of the league will be the same as last week with the exception of Collinson who is unable to play and J. Hollands of the C. N. S. A. will take his place. Mr. F. Mears will officiate as referee, and the kick off is timed for 5:45 p. m.

During the game the League trophy will be presented to the champions, viz., the Thistles. The team picked from the league is as follows: Goal, Brian Paris; backs, Johnson, S.O.E. and W. Hollands, P.S.A.; halves, K. Plant, S.O.E., E. Hamilton, S.O.E., and W. Biggs, P.S.A.; forwards, Eccles, Paris, Ferrin, P.S.A., Hingley, S.O.E., J. Hollands, P.S.A., and Dixon, S.O.E. Reserves, R. THE WESTERN FAIR

LONDON, ONT.

The Railway rates for the Exhibition this year are very favorable. One way ordinary first class fare will prevail over all roads from Toronto west, and fare and one-third from outside points. Tickets will be good from Friday, September 10th to Monday, September 20th. Exhibitors rates are good at one fare and a third from Tuesday, September 7th to Wednesday, September 22nd. These rates and long dates should be an inducement for the people of Western Ontario to pay London a visit during exhibition week. There will be a number of changes this year. The Ladies Work and School exhibit, instead of being in the gallery of the Main Building, will be in a separate building on the ground floor, next to the Agricultural Building and connected with it by a passage way. A new building has been erected for the Dog Show near the Machinery Building and just opposite the Midway. There will be a first-class programme of attractions and the management are confident that with good weather conditions the Exhibition will be a great success. All information, prize lists and programmes from the Secretary, London, Ontario.

EXCHANGE MEN SAILING FOR THE STATES SOON

By Special Wire to the Courier.

Paris, Aug. 27.—Octav Homberg, of the foreign office, and Ernest Mallet, regent of the Bank of France, have been designated by the Finance Minister, Alexandre Ribot, as the French delegates who are to join British representatives in New York early next month to consider the best means of obtaining French and British credit balances in the United States to stabilize the exchange rates. Both the French delegates are eminent bankers. M. Homberg is a director of the Banque de l'Union Parisienne and the Banque Franco-Serbe. M. Mallet, in addition to his relation to the Bank of France, is a director of various banks and insurance companies.

BRITISH REPRESENTATIVES

London, Aug. 27.—The Daily Express says it has been definitely settled that Lord Reading and Sir Edward Holden, accompanied by two officials will go to the United States to settle the question of exchange with American bankers.

The Daily Telegraph says that owing to German submarine activity it is unlikely that the date of the missions departure will be advertised.

RECEPTION AND PRESENTATION TO REV. C. H. LIGHT

St. Paul's Parish Hall presented a pleasing appearance last evening when the congregation tendered to the Rev. C. H. Light and Mrs. Light, their congratulations at a reception that was very largely attended.

The school-room was crowded to its utmost capacity by a happy throng. The company was presented Mesdames Hartwell and Emmet, after which the following musical programme was rendered: Violin solo, Mr. Hannaford; Miss Ellen Creaser; song, Mr. J. Brown; song, Mr. Allan Vary; violin solo, Mr. Hannaford; The National Anthem of the Triple Entente were given by Mr. Hannaford (English), Mr. Brown (French), and Rev. Capt. C. E. Jenkins (Russian).

During an interval Mr. John Burgess, people's warden read the subjoined address and presented on behalf of the congregation, two beautiful oak chairs to Rev. and Mrs. Light. "On behalf of the congregation of St. Paul's Church, we the undersigned desire to congratulate you on your recent marriage. Your devoted and whole-hearted work of the past year has won for you our respect and affection, and as a consequence we, over whom God has placed you as pastor, rejoice in an event which we feel will increase your happiness and conduce to your own comfort. Your efforts on behalf of the Church and Parish have been such as to make us glad to recognise in you a friend of the truest kind, and our interest in the great personal risk has been watched by us with no little anxiety, and we rejoice with you that God in His mercy has seen fit to bring you upon a safe and healthy path. We again in safety and in health. We take this opportunity to assure you of our joy at having you once again among us as our Rector, and also to formally and cordially welcome the woman of your choice to our parish. May your married life be attended with every joy, happiness and prosperity. We hope that Mrs. Light will find that she has indeed come to a good land, and that she will form with us friendships that she will cherish as long as she shall live. As a slight token of our regard and good wishes, will you please accept, on behalf of yourself and Mrs. Light, these two chairs. May you both be spared long to use them, and as you use them may you continue to rest in our confidence and regard. Assuring you of our best wishes for your temporal and spiritual happiness, and of our continual prayers for God's blessing upon you and your work, we beg to sign this on behalf of the congregation of St. Paul's Church, Holmedale: A. The Ven. Archdeacon Mackenzie, under whom the parish was founded twenty-seven years ago, spoke briefly and alluded to the loyalty and unity of the people and church of St. Paul's; he spoke of the sterling qualities of the Rev. Light, and said that these things had combined to make the church as prosperous as he was glad to find it. He congratulated the rector and congregation on the fact that the new roof was completely paid for, and noted with pleasure that the work of the children was as prominent as that of the older ones, being more pleasing to find that the older members were as interested and as active as ever.

The Rev. Capt. Jenkins, rector of St. Jude's, brought the congratulations and greetings of his people; he did the Rev. S. E. McKegney, from the congregation of Holy Trinity, Eagle Place. He said that he had known Mr. Light for many years and glad that he was placed over a parish such as St. Paul's. The work and success of Mr. Light in the past showed that he was worthy of a loyal

GERMANY WILL MAKE FULL APOLOGY NOW

Had Been Instructed to Attack No More Merchantmen Without Warning.

Washington, Aug. 27.—Future relations between the United States and Germany were regarded much more hopeful here to-day than for many weeks past. Administration officials believed that indications from Berlin that the Imperial government was striving hard to adjust difficulties between the two countries growing out of Germany's submarine warfare presaged a better understanding and an ultimate peaceful settlement.

The feeling of confidence in official circles that relations between the United States and Germany would not be broken off as a result of the sinking of the liner Arabic, was due to two things. One was assurances by Count Von Bernstorff, the German Ambassador, and the other, Ambassador Gerard's report from Berlin.

Count Von Bernstorff informed Secretary Lansing that the statement presented by him Tuesday from his government stating that there was no intention to cause the loss of American lives in the destruction of the Arabic was intended to imply that German submarines had orders not to attack merchant ships in the future.

Ambassador Gerard outlined the substance of a conference with Foreign Minister von Jagow which con-

firmly unofficial advice that Germany, prior to the sinking of the Arabic, had adopted a policy designed to settle completely the whole submarine problem.

It is believed that Germany's next communication to the United States will explain her new policy adopted with the aim of settling the submarine controversy. And it is considered here that the United States will suspend judgment on the sinking of the Arabic until a full report is received from Germany.
