his talent from the outset of the depleted ranks and the principal iswar, a man who is a credit to any constituency in Canada. I don't think there is a more intelligent class of people in Canada than the electors of Brantford and they want such a man as W. F. Cockshutt to represent them.

Mr. Strong appealed to his hearers for support of Mr. Cockshutt and the cause which he represented.

"It is up to us" he declared, "to send help overseas, and the only way is through conscription."

A veteram of the First halfallon.

Mr. Ganada I don't think Mr. Cockshutt, and the principal is sue to-day hinged upon this.

Mr. Cockshutt told of the in domitable spirit animating the Canadian troops at the front. "It takes a lot of shooting to kill a Canadian," he declared. "They will carry as much lead as the law allows, in their bodies, and still carry on."

The present election was to determine whether Canadians were fighted upon this.

Mr. Cockshutt told of the in domitable spirit animating the Canadian troops at the front. "It takes a lot of shooting to kill a Canadian," he declared. "They will which they had made and were still making. The speaker was high in his praise of the Canadian nurses of the cause which he represented.

"It is up to us" he declared, "to send help overseas, and the only way is to shoulder the burden, to spring to arms and defend our rights and those of the world."

The present election was to determine whether Canadians were fighten the cause which he represented.
