Collegiate Won Out Against Woodstock

B. C. I. Won Opening Game of Rugby Season on Saturday Though Playing Against Heavier Team

With the best half line of its size in the game, the B. C. I. Rugbyists easily won their match at Victoria Park, Woodstock on Saturday in spite of the adverse conditions of playing on a strange field and against a heavier team of better conditioned players. Whenever Adams sent the ball hurtling over the backline of Woodstock, exclamations from bystanders could be heard commending the efforts of such a small player.

A few minutes after play began, Watson went over for the first try. Smith drove the ball into the Woodstock line instead of converting. A few minutes later Watson found an opening in the line and went through for a second touch down. In the second quarter, Woodstock started out to pull down a lead of 10 points, but by a very heavy move Fielden stole the ball and bored through for another counter, 15-0. An unexpected kick resulted in a bounding ball which was touched by a Brantford half. Clarke secured the ball and ran out at the goal line, giving Woodstock their first counters of the game. Score half time, 15-5.

Three seconds after the kick-off, the return kick by Smith sent the wet ball wild far to the right where Gray secured possession and went over for a second try. Smith then kicked to the dead-line, giving Brantford the 16th point. Cook blocked Woodstock's kick and Kitchen repeated his bucking tactics of last year and tore through for another five points. Bremner, the Woodstock right, was speedy, and almost got away at this juncture of the game, but Leeming made a successful tackle on the 5 yard line. A few minutes later Bremner made the day by a speedy and run. Score, Brantford 21, Woodstock 15.

The last quarter was all Brantford's. Woodstock used big "Grand" kicks in their heavy bucks continuously, but Brantford always tackled low, and hence yards were seldom gained. Woodstock attempted early kicks. One of those Adams returned, and Chapman secured the Woodstock half a few yards out. A kick by Smith resulted in a rouge. Just as the whistle blew, Watson secured a fumbled ball behind Wood-

stock's lines for the final score, 23-15.

P. F. Munro of Riverdale Collegiate, Toronto, was a perfect referee. Mr. J. W. Russell of Woodstock College, unpaired, Moose Scanlon and McAdon of Brantford were of aid on the side line. Time keeper, Principal Overholt.

Brantford's line-up was as follows: Left half Cook; centre half, Geo. Adams; right half, Capt. Smith; flying wing, Watson; quarter, Leo Watt; line: left outside, Kerr; left middle, Fielden; left inside, Bunk; and left scrummage, Matthews; centre scrummage, Leeming; right scrummage, C. Chapman; right inside Hutton; right middle, Kitchen; right outside, W. Chapman; spares: Scrimmer, Witmer, McNichol, Duncan, Jones.

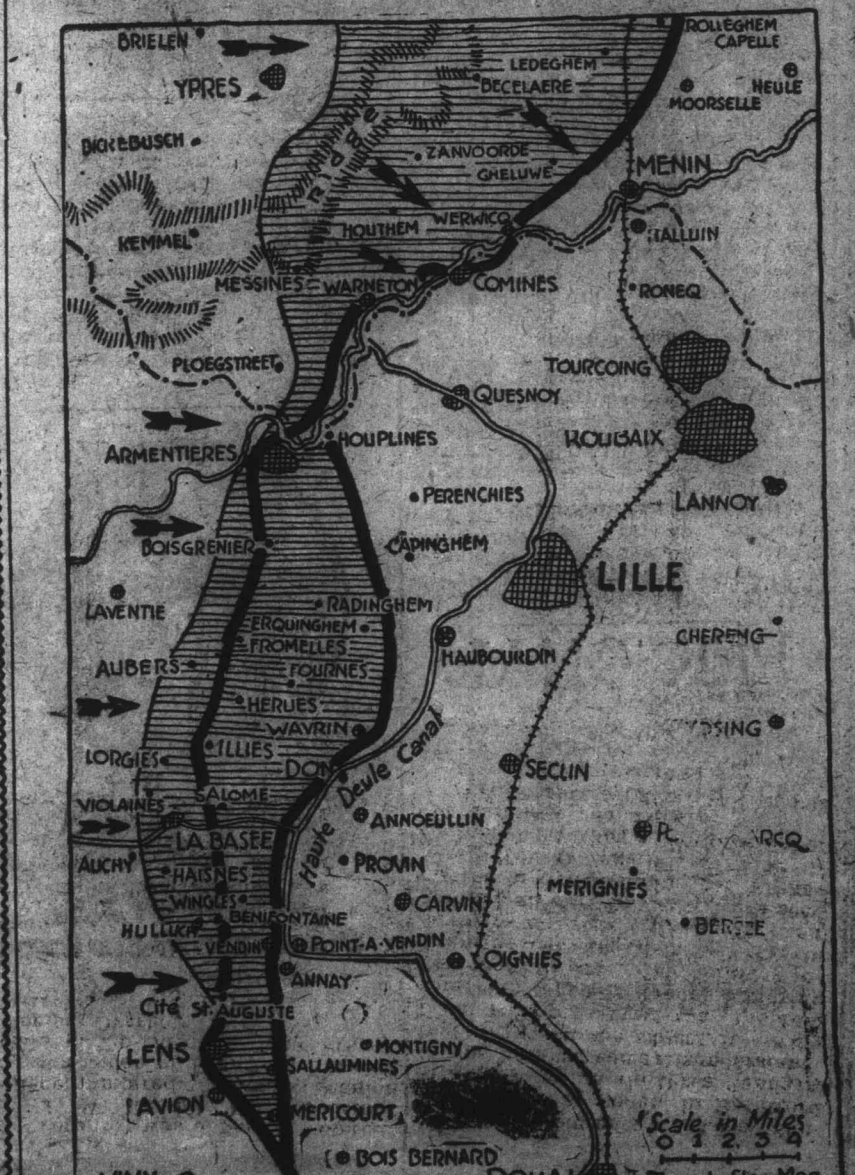

The game was a particularly clean exhibition, no player being penalized, and no spurs called into service because of disabled players. With a week's strenuous practice and a return of the regulars, Brantford is certainly to give an excellent account of themselves in the contest with Guelph next Saturday.

Guelph, Oct. 6.—The Guelph Collegiate Institute football team, three-time champions of the Western Ontario Interscholastic League, started off the season Saturday afternoon by defeating the Galt Collegiate team at the O. A. C. Campus by a score of 23-13. This score just about indicates the playing qualities of the teams, although the visitors presented a much heavier team than last year, and was able to break through much outlandish and with better results than last year's team. They held the Guelph team well during the first half but showed lack of condition in the second half, and the locals rolled up a score.

The half-time score 12 to 11 in favor of Guelph, each team scoring two touchdowns and Galt converting one of theirs. The Guelph team presented a strong and aggressive play, the feature of their work was the speed with which they pulled off their plays, putting the ball off many times before their opponents could get into their own half. For Galt, Gardner at outside wing, was the star and was repeatedly used to carry the ball. Johnson at centre half, also started. There were many delays in the second half, due to players being injured, but no one was seriously hurt.

100 RETIREMENT ON EITHER SIDE OF RHODES IS AT HAND.

The British now are within four miles of Lille. They have reached the location of some of the forts that constituted the outer defenses of the city. The greater part of the Aubers Ridge, which runs from La Bassée to Lille in British hands, as well as the villages of Bois Grenier, Radboud, Fromelles, Fourmies, Herlies, Wavrin, Illies, Salome, Vendin and Mericourt, all of which are located on the accompanying map.

GASLESS SUNDAYS NOT YET AT END

Fuel Controller Desires Restrictions on Motoring to Continue

If the observance of gasless Sunday was not so general in Brantford yesterday as on the three Sundays, it was because some understanding existed on the subject, it having been rumored abroad that the fuel controller's ban on Sunday motoring had been lifted. The majority of Brantford automobilists, whether in the streets all day, but more were seen on the streets than in past weeks. Word from Ottawa this morning is to the effect that a continuation of the gasless Sundays is desired.

Fuel Controller Magrath reports that inquiry at Washington elicits information to the effect that "gasless Sundays" will be continued in the United States for another two or three weeks. The same policy will be followed in Canada.

Mr. Magrath announces that regulations have now been approved by the War Relocation Council to control the wholesale and retail sale of gasoline in Canada. The regulations provide for the licensing of all persons who deal in gasoline in Canada and certain fees are prescribed, based on the volume of gasoline sold during the previous year.

May Cancel Licenses: In cases where dealers fail to obey the provisions of the law, the fuel controller has absolute power to cancel or suspend licenses without notice.

All persons who deal in gasoline without obtaining licenses to do so will be subjected to a penalty of \$50 for each day of such business in contravention of the rules. Provision also made for the keeping of certain sales records and retailers of gasoline are called upon to post in their places of business with conspicuous prices are prescribed for the duration of the war the sale of gasoline on Sundays is absolutely prohibited.

Retail maximum prices are prescribed for quantities over a thousand gallons a month. Profits are held on a 10 per cent. advance over the wholesale cost delivered. These regulations are the first steps towards bringing the control of the sale of gasoline under the same sort of supervision as is now extended to the sale of coal and other fuels.

Lightning played havoc at the home of Mr. W. J. Mitchell, 113 Mary street, shortly after midnight Saturday, when a bolt of lightning tore through the roof and set fire to the floor. At 11.15 a. m. a return blaze was started by the prompt action of Miss Mitchell, who heard the noise attendant attendant of the striking of the lightning, and rushed to the scene, going in her power to the firemen arrived. With their assistance the blaze was soon extinguished with comparatively little loss except for the hole torn in the roof.

Thanksgiving Display of Pure Irish Linens

PURE FRESH LINENS are fast becoming a luxury, and if the present war continues another six months or so, the supply of manufactured Linens for domestic use will be exhausted. At the present time the retail trade have practically all the linens—as the manufacturers were prohibited from making linens for domestic use on the 7th of January of the present year—and when this stock is gone, no more Linens will be had till 3 years or more after the war.

We happen to be one of the fortunate firms that bought Linens when Linens were to be had, and the result is we are still in a position to show a fairly well assorted range of Fine Linens. We must confess that they are somewhat higher than three years ago. But what is Not? And considering that practically all the flax comes from Belgium, it is a wonder that these materials are to be had at all. We are offering some very special values during this display.

Pure Irish Table Cloths (Brown's & Old Bleach Make)

Size 2 yards by 2 yards; 8 only Pure Linen Cloths. Special at each	\$6.25
Size 2 yards by 2 yards; 3 only Pure Linen Cloths. Special at each	\$8.75

WELL BABY CLINIC HELD IN Y. W. C. A.

Dr. Brown, of Toronto, Told Medical Association of Reduced Mortality

Brantford's first Well Baby's clinic was held in the Y.W.C.A. on Saturday afternoon, under the auspices of the Brant County Medical Association. The chief speaker of the afternoon was Dr. A. T. Brown of Toronto, controller of Children's Welfare work in that city, and widely recognized as one of the best authorities on the subject of children's health in Canada. The meeting was opened by Dr. Marquis, president of the Brant County Medical Association, who welcomed those present. Dr. Robinson, chairman of the Baby Welfare Committee, was the next speaker, outlining the purpose of the meeting. Dr. Brown then addressed the gathering, explaining the manner in which Toronto had greatly reduced its infant mortality in the past four years.

Thanks were tendered to Mr. Frank Cockshutt and Mr. H. T. Watt of the Social Service League, and also to the Victorian Order of Nurses, which associations are co-operating in providing a trained nurse for the clinic.
