### OBITUARY.

JOSHUA CHASE

In the removal by death on June 29th, of Mr. Joshua Chase the whole community has sustained a loss which is deeply felt by all.

Born at Sheffield Mills Feb 1830 his whole life had been passed in the place of his birth and no higher tribute can be paid his memory than to say he is most sincerely mourned by his neighbors who knew him best. A man of genial courteous manners, quick generous sympathy, keen intellect, broad understanding, wise in counsel, cautious in advice, he was looked up to and respected by all who knew him.

He is survived by his widow (Miss Fanny Borden) and his daughter Miss Leontine at home, by two daughters of his former marriage, Mrs. R. C. Dickie, of Kentville and Mrs. H. B. Youill, of Truro, and by one brother Rev. Harry Chase, of California, a third daughter Mrs. Fred Vaughan of Port Williams died five years ago.

The solemn and impressive funeral service was conducted by his pastor Rev. J. U. Bell, of Upper Canada Presbyterian church of which Mr. Chase had been for many years an honored member, also assisted by Dr. A. C. Borden, Kentville, Rev. Mr. Prosser, Canard and Dr. Fraser Trinidad. He was laid to rest in the old cemetery at Upper Canard and his resting place heaped with the floral tributes of affection from friends afar and near.

### HOW IS YOUR APPETITE?

Loss of appetite during the summer months is common trouble, and indicates that the digestive system is out of order. Lacking a healthy appetite many people especially women go too long without food, or eat sparingly because food seems to distress them, and it is no wonder that they complain that they are constantly tired and unable to stand the hot weather. This simply means that the digestive system is not doing its proper work, and that the nourishment that should come from the food is not being distributed to the various organs of the body. In other words the blood is growing thin and watery.

You need a summer tonic, and in all the realm of medicine there is no tonic can equal Dr. Williams' Pink Pills. Take a short treatment with these pills now and notice how promptly your appetite returns and your power to digest food improves. Your food will then do you good, your strength will return and you will no longer complain that the hot weather tires you out.

The best time to begin taking Dr. Williams' Pink Pills is the moment you feel the least bit out of sorts, will regain your old time energy. You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

### Kings Co. Academy Entrance Examination

Twenty pupils of Grade VIII wrote the Academy Entrance Examinations at the Academy on June 27th and 28th. These questions are prepared in Halifax and are marked by the Academy staff papers. The pass requires an average of 50 at least, with English and Arithmetic 60, or over and no paper farther below 20 than the average is above 50.

The following pupils regularly passed:

Alice Lamont	Average	80
Muriel Reeves	"	75
Helen Blair	"	72
Doris Cross	"	70
Malcolm McBride	"	69
Alice Trask	"	68
Amy Leitch	"	66
Bessie Ferguson	"	66
Laville Steadman	"	64
Mary West	"	64
Russell Jess	"	63
Sarah Wickwire	"	59

Melbourne Williams av. 59, Wallace Bishop 58, Ruth Yould 58, and Pearl Harvie 58, will be taken on teacher's recommendation combined with the really good work shown upon examination. Excepting only the paper on Drawing and Book-keeping the work was of high order and reflects credit upon the pupils and their teacher.

Miss Alice Lamont made the unusually high average of 80, making 96 in History and Geography, 86 in English and 80 in Reading, leading the class in these subjects. Malcolm McBride led as usual, in Mathematics with 91 while Muriel Reeves with 91 in Useful Knowledge, and Helen Blair with 59 in Drawing and Book-keeping were the other top-notchers.

It is to be regretted that although this examination was advertised there were no candidates from other schools in the county. Those applying for admission will, however, be given a supplementary examination at the opening of school.

J. L. TRASK, Principal.
