

**NO Kaiser Now****All Princes May Be Exiled**

New York, Nov. 19.—The Associated Press tonight issued the following:

William Hohenzollern, the abdicated German Emperor and King of Prussia and his eldest son, Frederick William who hoped some day to rule the German people are re-

ported to have fled to Holland.

The revolution, which is in progress throughout Germany, although it seemingly is a peaceful one, probably threw fear into the hearts of the former Kaiser and the Crown Prince and caused them to take asylum in a neutral state.

William II reigning king of the Monarchy of Wurttemberg, is declared to have abdicated on Friday night and reports have it that the Grand Duchy of Hesse, has decreed the formation of a council of state to take over the government there.

Swiss advices say that every dynasty in Germany is to be suppressed and all princes exiled.

**How Grand Fleet Celebrated Victory.**

London, Nov. 13th.—Canadian Press despatch from Reuter's Ltd.—A marvellous scene was witnessed off the Scottish coast when the Grand Fleet celebrated the armistice. On a thirty

mile line warships of every description were simultaneously illuminated. Myriads of syrens blew off creating an awesome sound. Hundreds of searchlights played fantastically. Fireworks and star shells were lighted. The celebrations after lasting an hour ceased as suddenly as they began.

Prof. Jack B. Barnaby, formerly of Cornwallis died suddenly at his studio Springfield Mass

last week. While he left King's College many years ago he was well known here as a fine tenor singer and had made a great success in music.
