Respecting the success achieved in fruit-growing by a former resident of this district, a recent issue of the Eugene (Oregon) Guard says: "Oregon and Lane county in particular are noted for fine fruits. E. W. Warren, who owns the noted R. B. Cochran farm near Coburg this morning brought to this office a couple of samples of fruit raised on his farm. A 10-inch branch of silver prune tree has on it 48 prunes, weighing 3 1/2 lbs.; a twelve inch peach limb has on it 12 peaches that weigh 4 1/2 pounds. The fruit is displayed in the window of the Guard office to-day."

Davies-Raycroft.

We take the following marriage notice from the Richville, N.Y., Recorder of Sept. 26th:

On Thursday evening, at the home of the bride's uncle, T. W. Lewis, occurred the marriage of Gomer Davies and Miss Hester Raycroft. Miss Stella Steacy of Athens, Ont., attended the bride, while Robert Roycroft of Brockville, brother of the bride acted as best man. The wedding was a very quiet one, only the immediate relatives of the contracting parties being present. After the ceremony which was performed by the Rev. J. Frank Forsyth, dainty refreshments were served. There were very many handsome presents but the interest centered in the china tea-set and table linen sent from Ireland. Both Mr. and Mrs. Davies are very popular and held in high esteem and they have the good wishes of their many friends for their happiness and prosperity.

Mr. W. F. Earl has re-opened business in the Dowley block.

Mr. Harry Blanchard, late pursuer on the Victoria, is visiting friends in Athens this week.

Mrs. Chas. Barber and daughter, Miss Jennie, are visiting old friends in Athens this week.

A Yankee canning factory has found that the common clothes wringer of the laundry is a perfect machine for shelling beans.

According to the Medical Record a craving for whiskey is overcome by dropping a few drops of tincture of chinchona far back on the tongue.

Geo. Peck, a Pittsburg township farmer, had a cow that was eating apples when one of them became lodged in her throat. In an endeavor to "push it on down," some one used a broom handle. The handle was thrust so far down the cow's throat that it penetrated her lung, causing death.

The town of Renfrew is putting down three miles of granolithic sidewalk, and laying a splendid bed of macadam along the entire length of the main street. The total cost of these improvements will reach \$22,000. The work on the road is of a most substantial character, and the principal sidewalk is from 10 to 15 feet in width.

Iroquois News: "Cheese-factory proprietors are loudly protesting against the action of a certain manufacturer in the northwest part of Matilda, who they assert runs his separator three times a week and places the cheese made from the skim milk on the market, same as cheese made from whole milk. If this be true it is an infraction of the law, and the guilty party is at par with the patron who skims his milk, and should be punished accordingly."

There seems to be a growing loudness and vulgarity in the public conversation and deportment of many. One can scarcely attend a fair, or travel on the cars, or in some places walk down the streets without hearing profanity of the worst kind, the worst offenders being young men, though at times older ones are guilty. Such conduct may arise from thoughtlessness, but everyone should recognize the value of true courtesy and reverence and seek to cultivate them. Public morality in speech and conduct should be on the increase instead of decrease.

"We are wedded now, my darling," said the husband to the bride, "and henceforth we'll go together on life's journey side by side. We must bear each other's burdens, help each other when we can, and to make life happier, brighter, each must for the other plan. Let's begin this very morning—to start right is my desire—just you get up now, my precious, and construct the kitchen fire." Sad, ah, said his disappointment, courage oozed from every pore, when his young wife responded, "Say, what do you take me for?"

Lansdowne W.C.T.U.

At the September meeting of the W.C.T.U., held at the Methodist parsonage, the following officers were elected for the ensuing year: Pres.—Mrs. E. E. Warren. 1st Vice Pres.—Mrs. (Rev.) Simpson. Cor. Sec.—Mrs. J. A. Bradley. Rec. Sec.—Mrs. D. Haig. Treasurer—Mrs. C. Fredenburgh. Instead of the annual picnic for the Band of Hope children this year, the W. C. T. U. gave them a treat, which was much enjoyed by all.

Road Making.

A good beginning in improved road making has been made on the Jasper road. The townships of Kitley and Wolford each voted \$150 as a starter and this is being expended this side of Jasper a little way. About a mile has been nicely rounded up with the grader and now it is to be covered with fine broken stones. Mr. Cram's crusher has been engaged. In Kitley township they have about two months' work for the crusher besides this place just referred to which is joint work between Kitley and Wolford. The council of Kitley township has made an offer to pay for crushing all the stones the different road divisions will handle and this has created a lively interest in good roads in many parts of the township.—Record.

Commencing October 21st the Rev. Robert McHardy, Evangelist of Toronto, will conduct revival meetings in the Athens Methodist church. The services will be held every night at 7.30 o'clock, excepting Sunday. Much good is hoped for from these meetings.

Mr. McHardy is said to be a most attractive speaker, earnest, fluent, pathetic and stirring. He appeals to the intelligence and reason and has been very successful. He began preaching at the age of 18 years, and a year later conducted a revival at which over 400 people were brought into the church. He spent three years in Eoland, and has conducted services in many of the American cities.

MUSIC will be a special feature of these meetings. The general public are cordially invited and all friends of the great cause sought to be promoted are requested to so arrange their business as to make it possible for them to attend and assist in the work.
