PUNY CHILDREN NEED VINOL
It Builds Them Up and Makes Them Strong and Robust.

Rapid growth, overstudy, insufficient nourishment, convalescence after children's diseases, and run down conditions make children thin and delicate and stops development.

Because Vinol contains all the medicinal, bone, tissue and body-building elements of cod liver oil, actually taken from fresh cods' livers, the useless oil eliminated and peptonated of iron added, it quickly restores robust health and children love it.

Mrs C. W. Stubb, of Canton, Ohio, writes: "I wish I could induce every mother who has a weak, sickly child to try this delicious cod liver preparation, Vinol, as it restored health and strength to our daughter after all else had failed."

We have never sold a medicine in our store equal to Vinol for delicate, ailing children, weak, old people, or sickly women and children, and we return money if it fails to benefit. J. P. Lamb & Son, Druggists, Athens, Ont.

PHILIPPSVILLE

We have had some spring weather for a few days with a warm shower on Saturday night. The grass has started which will be a boon to many of the farmers that have to purchase feed. We are also having very high winds occasionally; it blows hard enough to blow the hens off the roost.

W. H. Earl & Sons had the misfortune to lose a pair of horses with colic or inflammation. It was a hard blow just at the commencement of spring's work.

Stevens and Halladay have the wall of their new cheese factory up, ready for the roof. The building will be 80x82 feet, with cement floor and steel vats—all the latest improvements. The factory is built among a grove of maples.

The place where the milk will be emptied will be high enough so that it will be only necessary to raise the can from the wagon to empty it. The whey tank will be enough below the factory so that the whey will run direct from the vats to the tank. Stevens and Halladay are putting up the building but nature made the site.

E. A. Whitmore is improving in health very nicely.

R. C. Haskins is having a well drilled on the site where he intends erecting a new residence.

The Baptist people have the brick and sand on the ground ready to commence erecting the addition to their church. A portion of the addition will be used for a school room.

Many of the farmers are drawing their milk to Harlem, Delta, Elgin and Forfar until the new factory is ready to take in milk.

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine Wis. I surely would not send it free unless I was certain that Dr. Shoop's Magic Ointment would stand the test. Remember it is made expressly and alone for swollen, painful, bleeding or itching piles, either external or internal. Large jar 50c. Sold by all dealers.

Haylock Council raised the liquor license fee to \$750. The three licensees tried to quash the by-law, but failed, and have paid the \$750 each.
