## AND NOW FOR THE FINALS

Chatham and Orillia Will Likely Battle for the Lacrosse Championship of the Province.

Splendid Game With Mount Forest Yesterday in Which Babcock's Braves Prove Easy Victors,

Winners of the first game in the

This is the record of the Tecumse acrosse team up to the present time. Mount Forest played here yesterday and they returned home with a score of 9 to 0 against them, but it would of 9 to 0 against them, but at would be unjust to say that the game should be decided from the score in point of fast playing. The Mount Forest team is fast and they play swift lacrosse, but the story of the game lies in the Chatham defense. Manager Frank Babcock is a happy man to-day and he still wears the beaming smile that he has worn all season. The Tecumsehs have a re-

markable record, having been beaten just once during the entire season. They have beaten every team they ever played with, which is a record that few lacrosse teams can boast that few lacrosse teams can boast of. It will be comparatively easy to win from Mount Forest now. They play one more game in Mount Forest, but goals dount, and Mount Forest in order to win will have to defeat Chatham in the next game to the tune of 10 to 0, or better, and Manager Babcock says there is no team on earth can beat the Tecumsebs 10. on earth can beat the Tecumsehs 10 to 0. After next Thursday the final game will be played with Orillia, that team having defeated Bradford in the semi-finals. This game be-tween Orillia and the Tecumsehs will

be the last game in the Intermediate scries, and the winning team will be pronounced the champion Intermedi-ate lacrosse team of Ontario, which is practically champions of the world. It is something to work for and the Teeumsehs are bound to have it. They have been working for it all season and it will now soon be deded.
There were over a thousand spec-

ators at the game yesterday and hey saw one of the fastest games that has been played here this year. Although the Tecumsehs started in om the first and continued scoring I through the game, the exhibition f lacrosse was a good one. The fount Forest boys made the home Mount Forest boys made the home boys work for every goal they scored and thus the game was made fast and interesting. Several times the Mount Forest home players had chances of scoring but they mis-played every time. Robinson was not often called upon to stop any swift ones, O'Doherty and Francis getting the most of them. The Chatham defense put up a perfect game. It is a strong one and hard to beat. Mc-Bride was probably the biggest star in yesterday's game. No one could pass him and he always came out of pass him and he always came out of a scrimmage with the ball. McLaren and O'Doherty were also conspicuous for fast playing, and Pickering, Fran-cis and Elliott shone forth as they cis and Elliott shone forth as they always do, Walter especially making a brilliant showing. Haydon at centre was in excellent condition and worked effectively and hard. Grace was all over the field and always had the ball apparently. He seemed to be in most of the serimages and was repeatedly applauded by the grand stand. He was the favorite with the crowd. Dowling showed up crowd. Dowling showed up well and Stewart and Quesnel at in-

side and outside home were always where they were needed. In the first quarter Quesnel scored in seven minutes, Grace followed in mine minutes in a beautiful play. Francis picked the ball out from the mouth of the Chatham goal and running half way dawn the field passed to McBride, to Stewart, to Grace, who scored. Hefferman and McFadden were both given three minutes on the fence.

den were both given three minutes on the fence.

In the second quarter McLaren scored in eight minutes and Stewart followed in 2 minutes on a long passing from McLaren. For the rest of the quarter the Mount Forest home pushed the Chatham goal, but to no avail. The score was 4-0 at half time for Chatham.

In the third quarter McLaren

time for Chatham.

In the third quarter McLaren scored in one minute and Stewart scored a half minute later. This was another fast one. Dowling got the ball from the draw, passed to Grace, who gave it to Stewart, who scored. Stewart ran around and put one in over the net in two minutes and he again scored in 14-1-2 minutes, preceded by fast play on the part of Dowling, Grace and McLaren. This left the score 8-0 at the end of the third quarter.

In the fourth quarter Stewart sepred again in sixteen minutes on a

an the fourth quarter Stewart secret again in sixteen minutes on a pass from Dowling. The grand stand and the bleechers range with obsers when the game finally ended.

Chatham goes to Mount Forest next Thursday and then the excitement will be for the big game with Orillia.
