

Hard Coal!

To arrive at Wolfville about the end of September, per Schr. "Moselle," Cargo superior Hard Coal, guaranteed to be LACKAWANNA WHITE ASH.

THE ACADIAN.

WOLFVILLE, N. S., AUGUST 28, 1885

Local and Provincial.

An uncommonly large number of American visitors have been in the village this week.

Lumber, Shingles and Bricks for sale low at S. R. Sleep's.

Rev. Mr. Ainsley, of Hantsport, is expected to preach in the Methodist church next Sunday evening.

Room Paper at cost at Western Book & News Co's.

The Methodist Sabbath-school of this place held their annual picnic today, at Mt. Denison.

100 Fine Envelopes for 25 cents at Western Book & News Co's.

"The Other Side," by "Veritas," in our issue of last week, will probably receive an unexpected reply in our next.

JUST RECEIVED—2000 Choice Imported and Domestic Cigars, for sale low, J. M. Shaw.

FOUND.—On Sunday afternoon on Main St., a lady's black lace collar. The owner can have the same by applying at this office.

See the special prices offered by Western Book & News Co. for three months in another column.

AMERICAN PAPERS.—We have received from our old friend, Mr. Wm. L. Walsh, a bundle of Boston and other American papers. Mr. W. will please accept thanks.

Straw Hats selling at cost at Caldwell & Murray's.

Burpee Witter has just opened a large variety of Hoop Skirts, Bustles and Dress Improvers in all the newest styles.

Mr. C. R. Burgess' new ship, the Earl Burgess, was taken in tow by a St. John tug, on Wednesday last for that port, where she will be completed and made ready for sea. She is claimed to be the finest wooden ship in the Dominion.

The excursion to Walton, on account of the very disagreeable day, was not largely attended; but the managers, determined to have a large excursion, have advertised one for next Friday, September 4th, to Parrsboro and Partridge Island. If the weather is favorable a good time may be expected.

CROWN PICTURES.—Lately received at Rockwell & Co's, direct from the manufacturer's, a large lot of moulding expressly for framing the Crown Pictures. As this moulding has been purchased at bottom prices, we are now prepared to frame these pictures at lower prices than have ever been quoted before.

We are now furnishing Letter Head Statements, Business Cards, Shipping Tags, and all kinds of plain and ornamental printing at extremely low prices. Samples and prices furnished on application.

Partagas, Atlantas, La Bajadara, Thrice Crowned, Dudes, Jersey Beauty, Roses, Key West, and other choice brands of Domestic and Imported Cigars, at Shaw's Barber Shop; also just opened one of the best and largest stocks of pipes ever brought to Wolfville, including everything from Meerschaum down to a T. D.; also razors, straps, shaving brushes, soap, and all shavers' requisites; tobacco pouches, combs, cigar cases; and a great variety of fancy goods too too numerous to mention—all marked low. Give us a call and we will make you happy.

TABLET.—A tablet has been placed in the Baptist Church this week in memory of its late pastor, Rev. Stephen deBlois, D. D. The design is a very fine one and reflects great credit on the committee and upon the makers, Messrs Sanford, of Halifax. The following is the subscription. We hope to have something further on the subject in our next.

In memory of the faithful ministry of REV. STEPHEN W. DEBLOIS, D. D., the beloved and honored Pastor of the first Baptist Church, from Decr. 1855 to his death February 4th, 1884.

A lover of the truth. An earnest preacher of the gospel. A wise counsellor. He was blessed in turning many to righteousness. This tablet is placed here as an expression of grateful affection, by his Church and Congregation.

Local and Provincial.

Persons sending us papers from abroad will confer a favor by writing their names on the same.

Buy the Western Book & News Co's 5c. scribbling book of 100 pages.

Rev. Dr. Todd, of Tarrytown, on the Hudson, spent a few days in Wolfville last week, and preached a very able sermon in the Presbyterian church on Sunday.

TOWELS, TOWELS.—Splendid new stock of Cotton, Linen and Damask Towels at Caldwell & Murray's. 1,4f

Mr. J. D. Martin, of Gasperau, wishes us to say that he can supply fruit-raisers and others with good apple barrels at a low price, at his mill at that place.

The Celebrated Electric Dyes are the most lasting of all colors. Warranted strictly pure. 10 cents at Druggists and Grocers.

We would direct attention to the card of Messrs Hatheway & Co., commission merchants &c., in another column. They are doing a large business in Boston and giving perfect satisfaction.

If you wish to color wool, cotton, silk or feathers, use the new Electric Dyes, Strongest and Best in the world. 10 cents at all dealers.

The ACADIAN will be sent to any part of Canada or the United States for \$1.00 in advance. We make no extra charge for United States subscriptions when paid in advance.

In another column will be found the notice of the death of Chas. W. Payzant, Esq., of Windsor. Mr Payzant was well known in connection with the Commercial Bank, and his death will be deeply regretted by a large circle of acquaintances and friends. The funeral took place on Saturday and was attended by a large number of people. The Masons, of Windsor, of which order Mr Payzant was an influential member, marched in full regalia.

Western Book & News Co. are selling 5 quires of note paper for 20c.

The Baptist Convention met at Amherst on Saturday last, 300 present. The following officers were elected for the ensuing year:—Pres.—Arthur Simpson, P. E. I.; Vice-Presidents—William Vaughan, New Brunswick; A. P. Shand, Windsor; Secretaries—Prof. Keirstead, Wolfville; Rev. I. O. Redden, P. E. I.; Treasurers—T. R. Black, Amherst; H. Ayer, Moncton. Number of baptisms during the year, 2,014; present membership, 40,843; ordained during the year, 4.

Just received at Rockwell's, a fine lot of Commercial and Fancy Stationery, which will be sold extremely low.

EXHIBITION.—Mr. C. D. Mack, who will be remembered by his "Intellectual Treat," which was so well received here on his last visit some two years ago, expects to give an exhibition entitled "The War in the Sudan" in Music Hall next Wednesday evening. Beautifully colored views of all the leading incidents of the war will be exhibited and some fine recitations rendered. To begin at 8 o'clock. Tickets 15 and 10 cents. The entertainment gives promise of being very good and we hope it will be well patronized.

ITEMS OF INTEREST.

—Mrs. Henry Ward Beecher is writing a book.

—The smallpox has made its appearance in Toronto.

—Oscar Wilde's first baby has arrived, and it is a boy.

—The early closing movement is spreading rapidly among Quebec storekeepers.

—A man named John Gallant was drowned at Mill Vale, P. E. I., on Saturday.

—The newspapers and their outfits in the United States are valued at \$96,500,000.

—Rev. John Wordsworth, a nephew of the poet, has been appointed Bishop of Salisbury.

—Mr Gladstone's health has already been greatly improved by his trip in the yacht Sunbeam.

—British officers in India are being granted short furloughs, and are being allowed to visit England.

—Gen. Booth announces that 28,000 have been subscribed in furtherance of the Salvation Army's refuge scheme.

—There are 12,000,000 acres of uncultivated land in the State of New York, of which 5,000,000 are covered with forest.

—Dennis Driscoll is in training at Lynn and John Meagher at Lawrence for their twelve-mile walk, which is to take place in September.

—At the machine shop of Henschel & Son, Cassel, Germany, no less than 1,000 locomotives have been built within the last six years.

—It is stated that 494,175 England and Germany presented a joint note to Spain declining to recognize her sovereignty over the Caroline Islands.

—The Egyptian Minister of War is said to be completing a proclamation to the Arabs, urging the necessity of the reconquest of the Sudan for Egypt.

—The police have been raiding Socialist houses in Hague and Amsterdam, and one man for posting Socialist circulars was sentenced to one year's imprisonment.

—Ed. H. Gilman, of Detroit, issues a challenge to any oarsman in the world, and especially to Beach of Australia, to row Hanlan on the Detroit river, any distance for \$5000 a side.

—A little son of Murdoch, of Pelhamville, N. Y., recently swallowed a kernel of corn, which lodged in his wind-pipe. Doctors have been unable to relieve him and it is feared that the kernel has begun to sprout. The boy almost strangles at times.

—A Deming, New Mexico, despatch says that blood-thirsty Nane, Chief of the Renegade Indians, is reported to have been killed. For five years he has been leader of marauding roids who have terrorized the people of southern New Mexico and Arizona.

—At Boston, on Friday, at 8 p.m., L. D. Manger, of Detroit, started on an attempt to break the bicycle road record of 207 1/2 miles in 24 hours made by Fred Ross Cook, the California wonder, this summer. He finished at 3 25 p.m. Saturday, having completed 211 1/2 miles.

—Professor Milne has been making experiments in Japan, encouraged by the Government, for the purpose of studying the effect of earthquake movements, which he produces artificially by subterranean explosions of dynamite and the dropping of heavy weights from a great height.

—M. DeFreycinet has instructed the French Consulate, at Cairo, to renew the enquiry regarding Olivier Pain's death. The Premier has promised that if it is proved that the English offered a reward for Pain, the French Government will demand that England indemnify Pain's family.

TOTAHANA, TEXAS, Aug. 20.—John Morris, sheriff of Reeves County, got on a big spree on Tuesday night, and used his pistol freely. An attempt was made to arrest him by Sergeant Courtright and three State rangers, when Morris opened fire, and killed one and fatally wounded another. The sheriff was then shot three times and killed.

—The "old telegraphers" held their annual convention in New York, Thursday, and were entertained to lunch and an excursion around the bay of New York, by Mr. Erasmus Wiman, President of the Great Northwestern Telegraph Company of Canada. All of the prominent of every telegraph company participated.

New York, August 19.—William Carleton, aged 58, the well-known actor, author and play writer, nephew of Carleton the novelist, and who, years ago, was known as the great Carleton, was found dead this morning, in a furnished room, on Fourteenth street. Gas was escaping at full head, and all avenues of ventilation were closed.

—A Yankee genius has invented a contrivance which is supposed to be an improvement on the old-fashioned pole holding up an old hat and tattered coat and breeches stuffed with straw. It is a screw windmill, with slight bells attached, and the wind makes the fans go around, and they jingle the bells, greatly to the annoyance of the crowd.

—The efforts of speculators to secure possession of General Grant's birthplace at Mount Pleasant, O., are defeated, as they sought to be. So also are all absurd propositions to transfer the house bodily to various cities. The Ohio Department of the Grand Army have bought the property, the veterans will put it in repair, and they propose to erect a State monument beside it.

—Reports from Louisiana show that the rice-crop will be the largest ever gathered in that State.

—At a tea recently given in London to 800 flower girls, not one of the 800 women wore a flower.

—It is noted as a curious fact that since the dark ages Lord Salisbury is the first bearded Prime Minister.

—Seventeen thousand head of cattle have been taken to one ranch in Alberta and ten thousand more are to follow.

—Statistics show that since the Scott Act was in effect in Ohio the number of saloons has been reduced 50 per cent.

SANDY HOOK, Aug. 21.—In the yacht race to-day the Puritan defeated the Priscilla two miles, with the Bedouin third and Gracie fourth.

—San Francisco's death rate for the past year, 19.58 per 1,000, is lower than that of 13 foreign and 11 American cities, and the lowest of any city of its size in the world.

—During July of this year, as compared with the same month of 1884, there was a falling off in shipments of freight from Toronto and an increase of receipts.

Dr. C. Reilly, of the Toronto General Hospital, says: "Eagan's PHOSPHORENE has been used in this Hospital in pulmonary and other wasting diseases with success."

—The people of the village of Wirt, Ringgold County, Iowa, are terribly excited over the hanging to a lamp-post of an effigy of General Grant by some miserable poltroons.

—Mr. Henry Irving is travelling in Germany to familiarize himself with the scenes of Goethe's story of Faust, the dramatization of which he intends producing at the Lyceum.

—It is said the Czar and Emperor Francis Joseph will discuss a treaty for extradition by direct correspondence between the law courts of Russia and Austria.

—The Marquis de Lorne, known to almost everybody, of course, as one of the sons-in-law of the British Queen, dips his private pen into an ink bottle made out of a hoof of Lord Clive's Crimean charger.

—One of the largest single electric lights ever made was turned out from the factory at Iliou, N. Y., recently. It is 50,000 candle power, and is expected to light the town of Seneca Falls from a position on a high tower.

—The dates for the races between George and Cummings, the English fliers have been selected. The first (one mile) will be August 31, at Little Bridge grounds, London; the second (four miles) September 12 or 14; the third (ten miles) September 26 or 28.

—Notice has been given in the official Gazette from the court of chancery, that the agreement made for the settlement of the estate of the Canada steel company will be ratified unless objection is put in before the second motion day in next Michaelmas sittings.

—A Christian church has been raised on the site of the famous heathen temple of Ban, in the Fiji Islands. The font has been carved from the stone which stood before the temple, and upon which were dashed out the brains of the victims of the great cannibal feast.

—We predict that in three years at the longest there will not be a single retail liquor shop in the State of Georgia. In less than a generation the people will look back into the past and talk about bar rooms, and the children will ask, "What is a bar-room?"—Toccoo (Ga.) News.

—It is understood that the reports of an alliance, offensive and defensive, between England and China are untrue, but that England, China and Japan have arrived at a satisfactory understanding as to the course to be pursued by each power in the event of a war between England and Russia.

—A serious accident occurred at Port Hood island last Thursday to a little boy four years of age, son of Hezekiah Smith. While he and some other children were playing in a barn a sythe which was hung up fell over him, cutting his head and arm badly. The skull was fractured and a piece of the skull-bone taken out.

—A telegraph received in New York, Saturday from the general freight agent of the Union and Central Pacific railroads at Omaha says: "The last train which carried to New York tea shipments via San Francisco made the run from ocean to ocean in six days, three hours and thirty-eight minutes—the fastest freight time ever made."

—The circulation of Dominion notes and chartered bank notes for July was \$2,750,000 more than in July last year showing last July's business much better generally than in the same month a year ago. The deposits in the chartered banks at the end of last July were over \$4,000,000 more than for the same date last year. The post office savings' bank shows for July an excess of deposits over withdrawals of \$145,800.00.

—Sir Charles Tupper has informed a Montreal audience that he has just received letter from the Prince of Wales in forming him that Canada could have as much space as she required for the fisheries exhibits. He has left for St. John Frederick and Halifax, returning to visit Toronto and London exhibitions.

MARSHFIELD, Aug. 25.—The cholera panic has now extended to all classes in the city, and all who can get away are resorting to flight. The deaths from cholera have occurred in many of the towns and villages in the department of the Rhone. It also prevails in other departments.

GOOD HORSE SHOEOING!

—DONE BY—J. I. BROWN

PARSONS' PURGATIVE PILLS MAKE NEW RICH BLOOD

Thirty years study and experiment have been given to perfecting the formula for Parsons' Pills, and the universal judgment of the highest medical authorities, scientists, and men of learning, is that our formula is the best yet devised by the brain of man, and should rank no other remedy in the world capable of conferring so much benefit, excepting, possibly, Johnson's Anodyne Linctum. The information contained in the wrapper around each box is worth ten times the cost of a box of pills; it shows how to avoid and how to cure all manner of diseases, and how to correctly interpret the symptoms thereof. Sold everywhere, or sent by mail for 50 cents in stamps. A valuable illustrated medical book sent free to all who send their address. DR. L. R. JOHNSON & CO., 23 Court House St., Boston.
