How to Attract Summer Visitors. Strangers visiting this valley in-

ber of those who participate in this most pleasant and profitable indulgence is every year increasing and will no doubt continue to do so. Among other places which tourists wish to visit the historic "Land of Evan-Geline" stands supreme and every day I visited the police office at Acadia Mines, July 22.—Last Satur-Geline" stands supreme and every day I visited the police office at Acadia Mines, July 22.—Last Satur-Geline" stands supreme and every day I visited the police office at Acadia Mines, July 23.—Last Satur-Geline" stands are nearly wild with seript and began to read it. It was ended thusband there, has akipped the effort was somewhat lengthy as the great pile of written paper at his right showed. "Oh," said he, "a little story of low; her parents are nearly wild with grief. Since Tuesday last there has not been a plug hat seen. The dry goods and clothing dealers have placed their titled "Afar," and was a narrative of two hoves who were compelled to shift for two hoves who were compelled to shift for the sale of them. Cyclones season we have numbers to visit us who have travelled hundreds of miles to see for themselves the beautiful scenes depicted in Longfellow's wonderful poem. Those who visit us once do not appear to be satisfied with a single visit, and we have yet to meet one who has not expressed a wish to return. Our beautiful scenery, pleas and other attractions, as well as the histo much of a hurry. I guess I'll finish to lose our places or enticements which few can resist. We have many points of interest where these tourists would be glad to spend a few weeks in the summer if suitable accommodation could be had. Our own BEAUTIFUL TOWN possesses many attractions, and is a favorite resort. In years gone by Wolfville has been thronged with these summer visitors, but of late years the number has great.

I had a friend of mine that was drunk and disorderly I wouldn't ask for more than to have him lodged here. It would be heaping coals of fire on his head it one heaping coals of fire on his head. Not but that inconvenience is often caused—as was the case this day—in the event of a strange being detained over night when he expected to be home the night on the whole the hand of the law here is lenient.

I had a friend of mine that was drunk and disorderly I wouldn't ask for more than to have him lodged here. It would be head it on another one and take pains. And he did, and in a few nights he had it completed and I had it read. I liked the story and wanted him to go over it again and fix it up for publication, but he declared it was not worth it. "But," he said, "I'm thinking out a story now which I'm going to do my best on and if you think it's worth it will have it published." Alas! The story was begun, but never finished. The unfinished when here have him lodged here. It would and the note and take pains. And he dolor and other attractions, as well as the his- I had a friend of mine that was drunk to much of a hurry. I guess I'll finish but of late years the number has great- was from perfectly uninterested motives. gun, but never finished. The unfinished ly fallen off. Why is this? Has not I was an uninterested party. I don't manuscript is within the pages of the want to be misunderstood in this respect. "Book of Wonders," and it is as folly fallen off. Why is this? Has not our town the same attractions as of old? Has the tourist found a more pleasant and beautiful resort? We think not. The reason is plain; other places have presented their claims and have gone to large expense to seems. failed to do this they have departed questions his moral strength or standing, hills, and homeward is the course of all from us like the summer birds for more Ministers and editors have peculiar. congenial climes. Not that we have not the natural beauties but that the artificial attractions are lacking. This is not a new subject to our readers; we have referred to it before, and have tried to present the advantages to lack tried to presen large number of guests properly, with suitable grounds and conveniences, would be one of the best paying investments our capitalists could take stock in The latter of the could not in attending this court. Men vestments our capitalists could take stock in. The hotels we have already are pleasant resorts and are generally enjoy themselves, thinking to feel strong, well filled, but they were not intended as homes for tourists and cau only in a life—to be ensuared by drink and instead they are occustomed can be had. In socially-how could it help awakening

Another place which perhaps is not equalled in these Lower Provinces as equal to the equal to a summer resort is Long Island.

Year by year it is becoming better known and being received into greater favor. Long Island is beautifully summer controlled to the magistrate said that such an occurrence was no more than was naturally expected. A day like the twelth of July—the occasion of an "Orange walk" which was wrinkled with trouble and hardness. situated, being bounded on the north by Minas Basin, a most beautiful sheet of water—with its adgacent bays and rivers and backed by lofty old Blomindon and beautiful stretches of country; on the centh base that the number imprisoned was not larger. And to take a stroll through the town and to see the "Strangary" which was wrinkled with trouble and hardness. "Better," was the simple low answer but the weak tone in which it was uttered seemed rather to sadder his spirits than cheer them. iden and beautiful stretches of country; on the south by the celebrated Grand Pre dike, containing about 2,000 acres the case. A prominent man in Acadia has been described by the case. A prominent man in Acadia has been described by the case. A prominent man in Acadia found. The beach is smooth and hard and the prospect is indeed beautiful.

What, with the beautiful beach on one side and the HISTORIC GRAND PRESENCE.

What with the beautiful beach on one side and the HISTORIC GRAND PRESENCE. on the other, what more in the way into consideration. All of them but one having spent their money, they were released with the understanding that they island, fitted up with the improvements of the time, with good teams and pleasantly laid out grounds—in connection with the other attractions to which wasn't it? Yet, after all, wasn't it? Yet, after all, wasn't it? Yet, after all, wasn't it it? Wet, after all, wasn't it? Yet, after all, wasn't it it? Wet, after all, wasn't it? Yet, after all, wasn't it it? Wet, after all, wasn't it it? Wet, after all, wasn't it? Yet, after all,

Now just a word concerning how these attractions and improvements could be brought about. The inhabitants of Long Island are all well-to-do; perhaps no place could be found in the Province where so much wealth is in a not distant future.

How. But I was surprised not to find more drinking done. A manufacturing gradually diminishing until the last. As there were twenty-seven the last three marched together, their height being a little less than five feet each. Two hats would be sufficient for the three. Two young ladies were out for a walk when the procession went by, and seeing their the procession went by, and seeing their ber of inhabitants as here. A JOINT Minard's Liniment cure Garnet in lovers in the society both fainted on the STOCK COMPANY could be formed and Cows.

the stock all taken by the farmers in the immediate vicinity without putting them to any inconvenience. could then control it all themselves and reap all the benefits. We hope that winter in which the author of the hints laid down in the "Book of Wonders," when the day's Strangers visiting this valley invariably express surprise that our people do not put forth greater effort to attract the attention of those who are attract the attention of those who are the things of our county. Some day we believe these enterprises will be write away till bedtime on some sketch attract the attention of those who are able to leave the crowded cities during the summer months for the pleasant country and cool beaches. The number of those who participate in this ber of those who participate in this country and cool beaches. The number of those who participate in this country and cool beaches. The number of those who participate in this country and cool beaches. The number of the capital bestir them solves or they may regret at some what are you at work on now?" for the effort was somewhat lengthy as the first families in the place, seeing her the effort was somewhat lengthy as the intended husband there, has akipped the country and cannot be found high

have gone to large expense to secure This is an advantage a newspaper man these visitors and as our people have has over ordinary individuals. Nobody

have tried to present the advantages to day before, confined in the lock-up over be secured by a different source of night, and were awaiting trial. I could action. We believe a summer hotel in not but feel a pity for these naturally street, and a carriage turns up at the old farm-house. A light gleams from Wolfville, capable of accommodating a noble young men who had become vicmeasure provide the accommodation of enjoying themselves and receiving asked. What tourists want is a home strength which true enjoyment always where all the conveniences to which scientific weakened physicially, morally statements are strength which true enjoyment always brings, weakened physicially, morally is being the strength which true enjoyment always as weakened physicially. they are occustomed can be had. In pity? To look upon these men, now realizing their folly and looking as foolish to themselves as they appeared to which had kad nothing to check it since
