#### The Inability to Rest and Sleep

is a marked symptom of nervous exhaustion, the natural outcome of which is paralysis.

The person whose nerves are exhausted cannot keep quiet but is restless and fidgety, easily firitated and subject to spells of severe headache and indigestion. Dr. Chae's Nerve Food thoroughly cures nervous diseases by building up the system and instilling new vitality into the wasted nerve cells.

Mtss M. Anderson.

135 Creighton Street, Halifax, N. S., states:

"Mywhole nervous system was deranged, I could not sleep and had severe attacks of headache. I procured a box of Dr. Chase's Nerve Food and by the time I had taken a few boxes I was all right again. My appetite was very much improved, I was cured of sleeplessness and head-ANDERSON ache, and my system genseemed to be thoroughly built up."

Noting your increase in weight while using great food cure, you can prove that new, firm and the is being added to the body. To deet you against imitations the portrait and Dr. A. W. Chase, the famous are on every box.
