

YOUNG WOMEN MAY AVOID PAIN

Need Only Trust to Lydia E. Pinkham's Vegetable Compound, says Mrs. Kurtzweg.

Buffalo, N.Y.—"My daughter, whose picture is herewith, was much troubled with pains in her back and sides every month and they would sometimes be so bad that it would seem like acute inflammation of some organ. She read your advertisement in the newspapers and tried Lydia E. Pinkham's Vegetable Compound. She praises it highly as she has been relieved of all these pains by its use. All mothers should know of this remedy, and all young girls who suffer should try it."—Mrs. MATILDA KURTZWEG, 523 High St., Buffalo, N. Y.

Young women who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should take Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by this root and herb remedy.

If you know of any young woman who is sick and needs help, please write to the Lydia E. Pinkham Medicine Co., Lynn, Mass. Only women will receive her letter, and it will be held in strictest confidence.

The Redpath Lyceum Bureau Presents

THE FILIPINO SINGERS AND PLAYERS

Five Cultured Artists, College Bred Men, in a Concert Unique

The members of this quintette are cultured Philippine Islanders, native born musicians with genius and ambition, calculated to place their country on the musical map of the world. Their melody is the kind that moves the heart and has won the approval of the eminent critics of Europe, where they were appearing at the outbreak of the war.

It is with confidence that Redpath introduces these young artists to Lyceum audiences, feeling assured their repertoire, ranging from the primitive to Grand Opera, will prove novel and captivating.

SAD DEATH OF LITTLE ONE

One of the saddest deaths that has been recorded in Newcastle for some time occurred yesterday morning on a C. G. Corp and Mrs Bailey were enroute home from overseas, where the husband had been serving with the Canadian forces.

The little one had been ill during the voyage with bronchitis, but it was thought to have recovered, and the parents were looking forward to their home coming with the little one.
