OF YOUR EYES. Don't let them become strained or overtaxed when the use of glasses will obviate any weakness or difficulty of vision. If you need spectacles the sooner you will get them the greater service they will render you. If you will let us examine your sight, we can determine the question of what you need, and supply the proper glasses.

By procuring from us you save the exorbitant charges too often made by agents and avoid the possibility of getting a wrong glass with no chance of changing.

If not convenient to come in, and you send us some particulars of your requirements we could mail a pair of eyeglasses or spectacles out for you to try, but a visit to us would be more satisfactory.
