COUNTY BUILDINGS .--- The county town craze has struck Huron, and the result is the Exeter Times has selected Exeter as the site for the new buildings, and last week the Wingham Vidette picked upon Wingham as a fit and proper place for the same. We don't know what is to be done abcut it, for we don't want 3 county towns, we may be allowed to

suggest to the Times and Vidette the propriety of deferring building opera-tions until spring. Brussels would be a very suitable place for the County buildiugs but as we did not speak in time we will have to content ourselves as we are. It will be furny though when Goderich, Exeter, Clinton and Wingham all become | county ceats. - [Brussels Post.
