EDMONTON CITY MARKETS. Edmonton, Aug. I. — In spite of brisk sales, there is little change in the local market to be noted. New potatoes continue to arrive in considerable quality and the needs of the purchaser, from \$1 per bushel to \$1.80, with the quality and the needs of the purchaser, from \$1 per bushel to \$1.80, while retailers continue to sell by the pound at 6 lbs. for 25c. The size is improving markedly but numbers of small scabby ones are still worked on a not too discriminating public. Other vegetables are coming in rapidly. Only one member of the family is scarce. From several causes onions seem to be not over abundant this year. Cut worms are assigned as the cause but some do not hesitate to say that poor seed dispensed by seed houses is also a responsible factor. Everything points to a bumper harvest of all kinds of vegetables this year and already the prospects of good	Winnipeg Stock Exchange.
