EXPRESS DELAYED.—The Bruce did not reach Port aux Basques until 3 p.m. yesterday, and the incoming express did not leave for here until 4 p.m. She is not due in the city until midnight. The delay is caused by the run-off on Wednesday last, which held the train near Badger Brook for nearly twenty-four hours, thus upsetting the steamer's schedule.

Detective Tobin left for Calle Broyle by the Trepassey train last evening to investigate the larceny of \$75 from the railway station at that place, as reported in yesterday's Tele-

Passengers who arrived by today's train tells us that the thief entered the building by way of the window. Up to press hour no clue had
been obtained as to the perpetrator
of the theft. The affair has caused
quite a sensation in the settlement of
Cape Broyle, and fishermen from the
bankers in that port were at first
suspected, but now it is thought that
someone who is familiar with the
place must have stolen the money.
As stated in yesterday issue the cash
was kept in an ordinary cash box
